BEATRICE COMES FOR BATTLE

High School Team to Meet the Local Lads at Rourke Park.

GAME FOR FRIDAY AFTERNOON

Contest to Have Big Hearing on the State Championship - Earl Eager, from Lincoln, Will Referee.

Today is the big day for the Omaha high school football team and all its supporters, as the Beatrice and Omaha teams will fight for blood in the game at Rourke park, which will decide the championship of the state. Both teams are evenly matched in weight, but Beatrice has the advantage in the fact that its team is made up largely of old players of last year's team. Omaha has a large number of new men on its lineup, but under the skillful handling of Coach Mills have been made to do the work of a veteran team.

The game with Lincoln brought out the formidable strength of the Omaha line, which is one of the best in years.

To make the team more sure of itself Coach Mills has taken trips down to the park every night this week, so that the eleven might accustom themselves to the ground.

Coach Mills gave Ballman and the two ends a stiff drill of forward passing, dodging and running down punts. Beatrice is said to have a couple of crack-erjack ends, and the Omaha ends, House and Hughes, have been trained particularly in fast offensive work.

The purple and white eleven has been worked to its utmost this week and has practiced under lock and key in developing its new formations and trick plays. The team has entirely recovered from the grueling contest of last week and will enter the game in perfect condition for fighting.

The second team under the direction of Coach Selby has been working hard the last week so that it may turn the tables on Valley High school, who defeated the Omaha High Reserves by a 28 to 0 score. The scrubs have something up their sleeves and expect to give Valley a surprise in the line of tricks and so forth.

The reception committee of the Omaha High school Boosters' club under the leadership of Leo McShane will meet the Beatrice crowd at the Burlington and escort them to their headquarters at the Rome hotel. From there the Beatrice team will be taken in automobiles to the park in the afternoon. The following lineups will represent the two teams in the battle:

Bellevue Squad Long on Cripples

Manager Ohman of Bellevue has completed arrangements for the playing of Morningside football team at Rourke Park, upon the coming Saturday, November 9. This will be the first opportunity that Omaha fans have had for several years to see the Indians at work and a large crowd is expected.

The Morningside aggregation while outweighing Holste's men have always got worthy opponents in the Indians, who held them to a solitary touchdown three years ago on their own field. Holste's lineup will be somewhat weakened by the loss of Jones, fullback, who sustained a severely wrenched knee in the Wesleyan game last Saturday and will be unable to play again this season. Halderman has been shifted from end to the backfield and will probably engage with Maxwell in the fullback position. The crucial game with Wesleyan

last Saturday has left Holste with the largest number of disabled men which he has had to contend with all season. Altshuler and Dowden, halfbacks, are suffering from injuries, and two first team substitutes are out for the season with crippled knees.

Although Holste is not making any statement as to the score of the coming game with the Sioux he expects a hard fight and is hopeful of holding the fast Sioux City warriors to as low a score as did Creighton two weeks ago.

No Joy in Kansas Foot Ball Camp Just at Present Writing

LAWRENCE, Kan., Nov. 7.—The defeat of the Jayhawkers by Bennie Owen's Sooners on McCook field, and the great battle between the Missouri Tigers and Stehm's Cornhuskers, has furnished the dopesters of the valley material to occupy their minds until the Nebraska-Kansas game in Lincoln, two weeks off. There is no doubt in the minds of the followers of the game but that from comparative scores the Jayhawkers are on the short end of the argument. There seems small chance of error in comparing Missouri and Kansas, from the former's 14 to 0 victory over the Sooners in the Oklahoma camp, and the latter's 6 to 5 defeat on its own field and supported by its entire rooting strength, etc.

Possibly the element of luck was slightly in favor of the Sooners, but there seems little excuse why the Jayhawkers should not have won by at least two touchdowns. Kansas had practically every advantage of weight and of playing on the home field. The Jayhawker line was easily the strongest and hurried all of the Sooner plays, but the speedy halfbacks, Reeds and Courtright, carried the ball for consistent gains and outlasted their opponents in returning punts and open field running.

The question which the followers of the Jayhawkers are asking themselves is, Where is Kansas going to find the offense to win from Nebraska in two weeks? There is little doubt but that the line will compare favorably with any in the valley. Individually the back field seems to be composed of good men. "Dutch" Martin has demonstrated his speed and shiftness, and Holliday is close on his heels. Detwiler and Coolidge, also halfbacks, are fierce line plungers and good defensive men. Coleman and Tudor, each weighing around 150 pounds, started the Sooner game at the halfbacks and played a fairly consistent game. Price and Parker both have shown ability as ground gainers.

Nebraska Cross-Country Team is Off for Columbia

LINCOLN, Nov. 7.—(Special.)—The Nebraska cross-country team left this afternoon for Columbia, Mo., where it participates Saturday in the annual cross-country run between the schools of the Missouri Valley conference. From a squad of ten men picked in elimination runs last week by Coach Reed five men were chosen by Reed to make the trip, including Captain Boaga, Courtright, Anderson, Smith and Diers. Under Anderson, Nebraska's long distance runner at the Olympic games last summer, accompanied the team to Columbia and will have charge of the runners. McMasters and Kubik, two of the Cornhusker long distance stars, are out and their loss will seriously cripple the Cornhusker chances. McMasters is down in his studies, while Kubik is suffering from injuries. The Cornhuskers look for most serious competition from Ames, who carried off first last fall and who has a veteran team to enter again this time. Nebraska, Kansas, Ames and Missouri will have teams, while it is possible that Drake and Washington will be represented.

MR. BRYAN HAS FIRST CHOICE

Democrats Think He Can Have Any Office He Wants.

WILSON SAYS HE WILL LISTEN

President-Elect Says He Will Hear Everybody, but Will Not Make Statements of Any Kind.

CHICAGO, Nov. 7.—There appeared little doubt in western democratic headquarters that William J. Bryan would be tendered practically a choice of any office within the gift of the president, and many profess to believe that he positively would be secretary of state.

Joseph Davies, western manager, left today for New Jersey, where he will report to Mr. Wilson the results of the western campaign. Democratic headquarters will be closed tomorrow, save a small office for checking up the organization.

No one was at Taft headquarters today. Mr. Davies was asked of the future. "We have built our democratic factory and installed our democratic machinery," he said; "our platform contains our advertising. There lies ahead of us the task of turning over the prosperity which our factories are built for. Today we have the joy of victory. Tomorrow we have the rest of the future we shall have the responsibility of carrying out our campaign pledges in a way that will not interrupt the general prosperity, but will cause it to spread a little farther down."

"It is clear to us that the democratic party has a new chief opponent, Roosevelt's party. As to the republican party, 'The king is dead; long live the king.'"

"I think I express democratic opinion when I say that we will be content that Roosevelt's party shall continue to be the party of ultimate radicalism. If we may be the party of conservative progressiveness. Our concern shall be that we do not drop back to the standpoint that wrecked the republican party."

"I am concerned to know what will become of the republican party—whether it will be absorbed by Roosevelt or split up generally into parts which will work into all the parties."

"If disappointed persons do not so shape national affairs between this date and the date of Mr. Wilson's inauguration as president so that the democratic party must devote most of its term to correcting the harm, as has been the case before, there will be little time lost by the democrats in justifying the people's judgment."

Receiver Asked for Clerks' Association

LAFAYETTE, Ind., Nov. 7.—A receiver for the Retail Clerks' International Protective association was asked in the circuit court here today on the ground that the persons in control of the organization have been acting as a corporation without having been incorporated. The proceedings were filed by Sule Walgomott, a member, and the defendants named are Henry J. Conway, secretary-treasurer; Edward Baker, fifth vice president; Jacob Cook, agent, and the Merchants and Farmers and Traders bank of this city. The headquarters of the clerks' union is here.

Nick Longworth's Election in Doubt

CINCINNATI, O., Nov. 7.—As a result of errors found in the unofficial count the race between Congressman Nicholas Longworth, republican, and Stanley Bowdick, democrat, for congress in the First Ohio congressional district is in doubt. The first returns gave Congressman Longworth a plurality of a little over 1,000 votes, but the official count began by the board of elections today indicated that a mistake had been made in estimating the unofficial returns and that either man still had a chance of being elected.

Fairbury Wins Foot Ball Game

FAIRBURY, Neb., Nov. 7.—(Special.)—The Fairbury high school football eleven defeated the Nebraska Military academy in a spirited game at the city park. It is to Cecil Forslund did splendid playing for the Fairbury eleven.

Result in California Depends Upon Los Angeles County

LOS ANGELES, Cal., Nov. 7.—With two sets of figures, which differ in round numbers 4,000 votes, or enough possibly to alter the result as between Wilson and Roosevelt in the state, both the progressives and democrats demanded a third or referee count of the Los Angeles city vote today from County Clerk Harry Leland.

CLARKE HAS A SMALL LEAD

Race for Governor in Iowa Seems to Be Still in Doubt.

BOTH SIDES CLAIMING VICTORY

Republican Has Lead of About Two Thousand, but Additional Returns May Reduce This.

DES MOINES, Ia., Nov. 7.—Practically complete returns from all but five of the ninety-nine counties of the state continue to increase the plurality of Woodrow Wilson over his opponents for the presidency. The figures are: Wilson, 169,162; Roosevelt, 149,549; Taft, 111,064.

Complete returns from all but two legislative districts in the state show that the Iowa legislature will be overwhelmingly republican, at least 102 republicans being at present assured of seats, while the democratic membership will not exceed fifty-six. This result is attributed to the work of the friends of Senator Kenyon in making certain his election to the senate.

Kirkpatrick is Elected. OTTUMWA, Ia., Nov. 7.—Complete returns from the seven counties in the Sixth district gives Sant Kirkpatrick, democrat, a plurality of 1,138 over M. A. McCord, republican. The vote was: Kirkpatrick, 14,780; McCord, 13,642; Patton, progressive, 4,542.
