Resinol: 17 years a successful skin treatment

ESINOL is not an experiment. It was originally a doctor's prescription and it proved so successful in stopping itching and in healing skin troubles that other doctors soon began to use it. In this way, it has been prescribed regularly by thousands of careful physicians throughout the country, for over seventeen years, and has become a necessity in every drug store.

Such a record as this can be approached by no other treatment for skin eruptions now before the public. Your doctor or yourdruggist can confirm this. So if you are suffering from any of these distressing, unsightly affections, is not Resinol the wisest safest treatment? With the first use of Resinol Soap and Resinol Ointment itching stops and healing begins. You can see the improvement day by day, and soon even the stubbornest eczema, rash, ringworm, pimples or blackheads,

Resinol is especially effective for the skin troubles of infants and children, and is an ideal household remedy for chapped faces and hands, dandruff, burns, wounds, sores and piles. You can try them free, by writing to Dept. 14-B, Resinol Chemical Co., Baltimore, Md., for samples. Prices: Resinol Soap, 25c, Resinol Ointment, 50c and \$1.00.
