TRAINER FINALLY LOSES OUT

Former Mayor of South Omaha Cannot Get New Trial.

AUTOMOBILE CASE REVERSED

Supreme Court Does Not Knock Out New Road Law, but Calls for New Evidence in Corryell Suit.

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 13.—(Special Telegram.)—The supreme court this afternoon overruled the motion for a rehearing in the case of Trainer against Hoctor, a suit brought by the former mayor of South Omaha against Thomas Hoctor, the present democratic executive. Trainer claims that under the state law passed by the last legislature, extending the term of office, he was entitled to the place, but the supreme court reversed and held that since he had voluntarily relinquished the place he could not secure relief in the court. Trainer filed a motion for a rehearing and the supreme court this afternoon overruled that.

Automobile Case Reversed. Insufficiency of the evidence reversing in the supreme court this afternoon the case of the state against Corryell, wherein the new state law relating to children under 16 years of age driving automobiles was called into question for the first time. The court did not reverse the case on the legal question involved, however.

Corryell had been found guilty of allowing his 15-year-old boy to drive his automobile, and was fined \$5 each on three counts. In its findings, the supreme court says that the evidence does not show whether the boy was actually driving the car or only assisting and sends it back to the trial court.

HASTINGS, Neb., Nov. 13.—(Special.)—Charles Boyce, a Mexican wild west show performer, waived preliminary examination yesterday and was bound over for trial on the charge of stealing a saddle horse from William Lafferty, subcontractor of construction for the Hastings & Northwestern railway near here. Boyce and the horse disappeared from the construction camp and both were located in Grand Island, where a man was found who said he had purchased the horse from Boyce for \$25, although the animal was worth about \$200. Sheriff Cole traced the Mexican to Grand Island and brought him back to Hastings Sunday.

The deafness of the night watchman at the railroad camp enabled the thief to get away with the horse without being detected.

KEARNEY, Neb., Nov. 13.—(Special.)—The recount of ballots of the Third supervisor district of Buffalo county, held last evening in the office of the county judge, failed to give John W. CITY OF PLATTSMOUTH SEEKING BOTTOM LAND

PLATTSMOUTH, Neb., Nov. 13.—(Special.)—At a meeting of the city council last night steps were taken on advice of the city attorney to oust the tenant on the river front accretions east of the Burlington station, and the city will seek to obtain possession at once. This land, to the amount of nearly forty acres, was taken possession of two years ago by Charles Bates, who squatted on the land, fenced it and built a small house, and cultivated it to corn. At the end of the crop season, after harvesting a large crop of corn, Charles sold his rights, if any, to his brother, John.

I. F. Bates, the father of the men aforementioned, with his family has lived on the land this summer, which has been farmed to corn, again producing a large crop. Where the farm land and buildings are located, a few years ago, was the bed of the river, and steamboats were moored not a great distance from where the dwelling is located.

The council was advised that the city had received the patent to the land abutting the Missouri river from the government, and undoubtedly would be entitled to the accretions to the land.

SEWARD COUNTY MAN TAKEN TO OKLAHOMA

SEWARD, Neb., Nov. 13.—(Special.)—Tom Lane was placed under arrest as a fugitive from justice last week by Sheriff Gillan and was turned over by him on Tuesday to Deputy Warden Oats of the Oklahoma state penitentiary, where he is wanted on a charge of forgery and for breaking out of the penitentiary. Lane, under the alias of Thompson, served a full sentence in Seward county for the crime of burglary, which expired some weeks ago. He was also under bond to appear at the November term of the district court to answer a charge of horse stealing. After the expiration of his sentence Sheriff Gillan received a circular with his picture, stating that he was wanted in Oklahoma for offenses committed prior to those committed in Seward county, and so on his return to Seward county he was placed under arrest by Sheriff Gillan as a fugitive from justice. Lane admitted his identity and that he was wanted for the offense charged and consented to go with the Oklahoma officer.

RECORD OF MAIL POUCH THIEF TO BE INVESTIGATED

HASTINGS, Neb., Nov. 13.—(Special.)—Believing that he may have confessed to one crime to avoid detection for another the authorities are investigating the record of Paul Spreckman, aged 25, of Chicago, who pleaded guilty before United States Commissioner Ragan yesterday afternoon on the charge of robbing mail pouches at Ames and Nevada, Ia.

Spreckman gave himself up in Kearney and was brought here by Deputy Marshal Sammons for arraignment before the commissioner. According to Spreckman's story his pal in the Ames and Nevada robberies threatened to "squeal" and Spreckman beseeched him to a confession. The men took the pouches from the station platforms at the two towns.

Following his plea of guilty Spreckman was remanded to the custody of the federal authorities at Lincoln, where he will be sentenced in the United States district court. He will be held in the Adams county jail pending his transfer to Lincoln.

CRESTON, Ia., Nov. 13.—(Special.)—A big alienation suit was begun in district court here yesterday, when Mrs. Alice Lowther of Higgins county told a most pathetic story of the abuse and neglect on the part of her husband's parents, Mr. and Mrs. John W. Lowther, who she claimed had alienated the affections of her husband, Grover Cleveland Lowther, from her. She asks the sum of \$20,000 for this. On the stand yesterday the plaintiff alleged that her husband's parents treated both her and their son as children and punished them as such, and when she was ill refused to call a physician. Other witnesses testified that the elder Lowther had punished his son with a heavy whip, and frequently kicked him. The young wife claimed they mistreated her husband because of his marriage with her, and the ill treatment accorded him on this account had turned his love away from her and their child. It is expected the case will not go to the jury until late in the week, as a large number of witnesses are to be examined.
