

KAWS IN WAIT FOR HUSKERS

Coach Stiehm Believes Jayhawkers Will Play Game of Year.

VARSITY LINE IN POOR FORM

Purdy Will Stay Only Part of Game, When His Place Will Be Taken by Beck—Backfield in Star Shape.

LINCOLN, Nov. 14.—(Special Telegram.)—At the last minute tonight Stiehm called off the game he had arranged between the freshmen and the varsity as the finishing touch in the preparation for the Jayhawkers next but his varsity through three long hours of signal practice. When he had finished chasing them through formative darkness made it impossible to see the ball.

With the back field showing brilliantly the Cornhusker line was just as dispiriting to Cornhusker boosters. The line-men jumbled the formations, stumbled through practice and made such a decidedly mediocre showing that Stiehm threatened to make shifts on the eve of the big game.

The squad will have only light workout tomorrow evening and then rest will be ordered for all of the players until the whistle blows Saturday afternoon.

Look for Tight Game. With less than two days left the Cornhuskers' earlier feeling of confidence had entirely disappeared. The team and coaches believe that Kansas has been laying for Nebraska, and the game Saturday will thoroughly test the strength of the Nebraska team.

O. N. Munn, a former varsity player now living in Kansas, arrived in Lincoln today to attend the "home-coming," and reports that Kansas is confident of winning over Nebraska.

"We have a good team this year," Munn says. The Kansas rooters told him. "We have Moose back, and although we may lose every other game on the schedule we are going to beat Nebraska."

This spirit has been engendered in the Jayhawkers since the opening of the season, according to Munn, and Nebraska will have to play sharp foot ball to beat their southern rivals. It has been definitely decided that Purdy, the star back of the Cornhusker aggregation, will not be in the game the full length of time. Purdy suffered injuries in the Missouri game, from which he has not fully recovered. Beck, who played a smashing game in the Doane battle, will take Purdy's place for at least a part of the game. Beck was responsible for most of the Cornhusker scores against the varsity last night in the closing secret practice. The remainder of the lineup will be unchanged, except that Towle instead of Potter may start at quarter.

Hoppe Defeated by Japanese Expert

NEW YORK, Nov. 14.—Kodji Yamada, the Japanese cue expert, proved his worth as a billiard player and his right to be in the front rank by defeating Willie Hoppe, the world's champion, at 15.3 ball line tonight in the professional championship tournament by a score of 400 to 497.

By running 56 and 138 in his second and fourth innings, Yamada showed some wonderful billiards and demonstrated that he had a thorough knowledge of all the intricacies of the game. Hoppe made two runs of 100 and 102 in his third and tenth innings and played a strong, earnest game throughout, but the Tokio player outclassed him through the severe strain which both experienced toward the finish.

In the other game tonight Morningsstar defeated Demaree, the young Chicago player, after a nip and tuck fight in thirty-eight innings by a score of 500 to 435. Scores:

Yamada, 500; average, 12.14-22; high runs, 128, 102, 85. Hoppe, 497; average, 22-14-21; high runs, 102, 100, 47. Morningsstar, 500; average, 12.6-38; high runs, 58, 52, 37. Demaree, 435; average, 11.32-37; high runs, 55, 42, 39.

The two afternoon games resulted in a victory for the veteran Stinson over Taylor, 590 to 428, and a surprise was furnished by Cline when he outplayed Sutton, 500 to 297. Stinson's work was erratic during the early innings, but he found his stroke as the game progressed, while Taylor made only spasmodic runs toward the close of the match. Scores:

Stinson, 500; average, 10.40-45; high runs, 59, 42, 42. Taylor, 428; average, 9.15-46; high runs, 53, 44, 28. Cline, 500; average, 10.20-30; high runs, 58, 50, 43. Sutton, 297; average, 9.27-30; high runs, 55, 28, 46.

REVOLVER CHAMPIONSHIP RESULTS ARE ANNOUNCED

SPRINGFIELD, Mass., Nov. 14.—The results of the outdoor championships of the United States Revolver association were announced today by Secretary J. B. Crabtree of this city. Excellent scores were the rule and past winners on the fifty-yard range were conspicuous for their absence in the list of leaders this year. Following are the results:

Revolver Championship—A. M. Poindeux, Denver, Colo., 677. Pistol Championship—L. P. Castaldi, Springfield, Mass., 491. Military Revolver Championship—J. H. Snook, Columbus, O., 621. Military Record Match—J. H. Snook, 312. Military Revolver Team Match—Denver Revolver club, Denver, Colo., 174 (C. M. McCutcheon, 32; Arthur Smith, 18; A. H. Hardy, 12; A. M. Poindeux, 12). Pocket Revolver Match—C. A. Burgess, Denver, 308.

GLEN SIMONS OUT OF IT. DUE TO SERIOUS INJURY

DES MOINES, Ia., Nov. 14.—Glen Simons, star foot ball player of Iowa and possibly of the Kansas valley, may not enter another game this year. He will not enter the game against Grinnell Saturday, at least. He was not even able to run signals tonight, his injury getting steadily worse from the minute of play against Missouri. None of the Drake cripples will start against Grinnell, Griffith not being willing to sacrifice possible chances of defeating Ames for a victory Saturday.

SHOTTEN'S BASE STEALING RECORD IS CORRECTED

CHICAGO, Ill., Nov. 14.—President Johnson of the American Base Ball league today announced that Bert Shotten of the St. Louis team should have been credited with thirty-five stolen bases instead of twenty-six in the league averages published last Monday. The mistake, said President Johnson, was due to an error in the printing of the averages.

SALARY LIMITS ARRANGED

All Classes But One Report Agreements for Next Year.

SEPARATE MEETINGS ARE HELD

Secretaries of All Base Ball Leagues Must Report to National Secretary by February Fifteen on Players.

MILWAUKEE, Wis., Nov. 14.—The question of maximum salary limits affecting base ball teams, members of the National Association of Professional Base Ball Clubs, was disposed of tonight when all classes, except AA, reported as follows:

Class A, \$1,000. Class B, \$2,500, with the exception of the Northwestern league, which it was agreed should be allowed \$1,000 additional. Class D, \$1,200.

These amounts do not include the salaries of the managers. If a manager also holds a playing position an arrangement can be made whereby he may be allowed a certain amount as a player, and an additional compensation as manager.

The clubs embraced in Class AA, the American Association, Pacific Coast league, and International league, sent in a sealed report and it is understood have agreed upon a limit, but as none of the representatives of these clubs was present when the reports were read at the meeting the salary limit was not made public.

The salary limits were not announced until after a long debate and a motion to make them public was adopted by a vote of 16 to 7.

Separate Meetings Held.

An effort had at first been made to settle the question in a general meeting, but this was found impracticable and the teams making up each class then held separate meetings and made individual class reports.

A motion was adopted providing that the secretaries of all leagues report to the national secretary by February 15, 1913, upon individual players in their respective leagues.

A number of side deals were put through during the course of the day, among the most important being the announcement that "Bill" Friel, who had led the Columbus, O., club through three seasons, had signed with George Lennon, owner of the St. Paul American association team, as manager for next year.

Charlie Ferguson gave out information that he had signed a contract with President Dan Johnson of the American league as an umpire for 1913. Ferguson was arbiter in the American association for three years.

A. T. Hamm, president of the Pacific Coast league, today signed Garnett Bush as umpire.

Barry McCormick signed to manage the Florida team next season. Connie Mack announced the sale of Pitcher Covaleski to the Spokane club of the Northwestern league.

The board of arbitration did not sit today. Ducky Holmes of Sioux City was a prominent figure in today's list of base ball deals closed by the minor league managers. There are rumors that there are more trades to come, especially since the deal to purchase Hunter of Indianapolis was blocked by the Minneapolis owner. Here are the announced transactions:

Pitcher Farmer Allen purchased from Memphis; Infielder Conroy purchased from Spokane. Allen has been burning things up in the south but wants to get back nearer his home in South Dakota, whence his title of farmer.

Lumpies Not Released. Announcement that all the umpires in the Western league had been released was recalled later tonight by President N. L. O'Neill of that organization. He said he had allowed the report to stand.

Creighton to Meet Tarkio Saturday

Tarkio College foot ball warriors will arrive in Omaha this morning and prepare for the big game Saturday afternoon with Creighton university on Creighton field. Tarkio has one of the strongest teams it has had in years and comes to Omaha prepared to give the local boys a stiff battle. Coach Miller of Creighton is not fearful of the results Saturday. Miller, the quarterback, is the only regular who will not be ready to go in the game. He was injured in the game with Omaha university last Saturday and will be out of the game for the remainder of the season. Creighton is expecting to win by at least two touchdowns.

MOVING PICTURES TO BE MADE OF AMES-IOWA GAME

IOWA CITY, Ia., Nov. 14.—(Special.)—Moving pictures of the state championship foot ball game between Iowa and Ames, which is to be played at State Field, Ames, Ia., next Saturday afternoon, are to be taken by the university management, according to an announcement here today that all plans had been perfected. This is the first time moving pictures of a foot ball game have been taken in Iowa.

AMES HALFBACK HAS LEG BROKEN

AMES, Ia., Nov. 14.—Few men achieve two broken bones at different times during the same foot ball season. Mead, halback of the Ames team, attained this result last night when he suffered a fractured leg. Early in the season he suffered a cracked collarbone. His home is at Fort Dodge. The injury to the halback put an end to scrimmages for the coming game with the State university Saturday and the men will be given only signal work to-night and Friday. The injury to Mead made it practically certain that Vincent will start at fullback, with Burge at one-half. The greatest secrecy has been observed concerning the makeup of the team, the players being ordered by the men in charge to answer no questions.

PIRATES WIN IN CREIGHTON HAND BALL TOURNAMENT

The junior handball tournament at Creighton university ended with the following results: First Pirates; won 9, lost 1; captain, R. Dugdale; players, J. Hasford and C. Holbrook. Second Athletics; won 8, lost 2; captain, E. Lewis; players, D. Dursey and R. Greene. Third Romans; won 6, lost 2; captain, V. Berkhart; players, W. Brennan and H. McKenna. Fourth Olympians; won 5, lost 2; captain, H. Peterson; players, P. Konebeck and F. Berkhart. Secretary O'Brien Resigns. NEW YORK, Nov. 14.—Joseph D. O'Brien, secretary of the New York National league base ball club, resigned today and J. W. McCutcheon, a director

Hammond and Ryder Talk Civic Betterment

Police Commissioner J. J. Ryder will be on the program with John H. Hammond of Des Moines at the public affairs committee meeting at the Commercial club this noon.

LAST OF LORIMER PERJURY CASES IS NONSUITED

CHICAGO, Nov. 14.—State's Attorney Wayman today nolleited the case against State Representative Robert E. Wilson of Chicago, whose trial on charges of perjury was scheduled to start today. This case was said to be the last of the criminal matters growing out of the election to the United States senate of William Lorimer.

Keep your eye on us - we have what Omaha needs, a different clothing store.

The few hundred of Omaha's 45,000 men who stand out conspicuously as leaders do so because they're different—they have personality. You have a powerful ally to help you "stand out"—your appearance. Make the most of it! Wear different clothes and you boost your personality; but dress monotonously as the majority of people do and you handicap your personality—don't be a "bromide."

Wear clothes of character, clothes of purpose like our KENSINGTONS, and you will always command prompt attention. They are distinctively different.

KENSINGTONS can be had in Nebraska only in our stores—exclusive patterns, superior tailoring, permanent fit—\$20, \$25 and up to \$65.

Dr. Todd's Porcelain Dental Work

This advanced idea and high class work is bringing people hundreds of miles. Teeth that are natural in comfort and appearance are more valuable than diamonds and precious jewels. If you have two or more roots or teeth in the front of your mouth Dr. Todd can replace the others without the use of rubber plates. I have three patents covering porcelain, crown and bridge work. People of culture and refinement are investigating, and are discarding the vulgar luster of gold for the teeth.

DR. TODD

403 Brandeis Building.

"When this new firm announced that it was going to sell the Nebraska Clothing company's stock at prices that would amaze Omaha, it meant just what it said, and the crowds that have been in here today—and that have made purchases prove we are selling at prices never before made here on this class of goods."

This statement came late yesterday afternoon from William J. Holzman, treasurer of the new firm that is now conducting the Nebraska Clothing company. He was delighted with the manner in which the public had responded to the invitations to visit the store and see the great bargains that were being offered; he was encouraged to venture the opinion that the business would keep up during the remaining days of the sale.

Early in the morning crowds gathered at the Nebraska Clothing company for the big sale, the advertisements of which had made Omaha sit up and wonder what really was going to take place. So great were the streams of persons which poured into the store that the force of clerks, originally numbering 100, was increased to 125. And these clerks were so busy waiting on customers that they were not able to go out of the building for lunch, the management having food brought into the store.

The crowds kept the clerks busy all during the day and at 6 o'clock many customers had to be asked to come Friday, for the force could not handle them. During the evening hours the staff of employees was kept busy rearranging the stocks and getting the many bargains in shape for the big trade that was expected Friday and Saturday.

The sale will be continued for a few days yet, and the managers of the company feel certain that thousands of Omaha people will be supplied with clothing before the bargains are all sold. The management fears that many people think they are not welcome unless they intend to buy. All, they say, are urged to visit the store to see how hundreds of persons are handled and to get an idea of the great bargains.

Remnants of Dress Goods AT ONE-HALF REGULAR PRICE

36 to 54-inch dress goods — plain and fancy serges, whipcords, diagonals and novelty mannish suitings in lengths suitable for skirts, waists and dresses — worth \$3 to \$6 a pattern, at each pattern, \$1.95-\$2.50
