Hunting ducks in damp weather and marshy places may ry uncomfortable, but some of the hunters are enjoying their spor! in the greatest of luxury and ease. George A. Hoagland and N. B. Updike have gone to the Gulf of Mexico, where they are being entertained aboard a steam yacht. They live on the yacht and have several small boats, so they may land whereever they wish on the Texas coast and hunt for ducks. They have been down there about ten days and are expected home in an-

A comfortable hunting lodge, or camp , has been established near Tekamah by George Redick, Louis Bostwick, Denise Barkalow and Douglas Bowie. They motor to and from camp and carry provisions in their cars.

Duck shooting is rather strenuous for the feminine sportsmen, but earlier in the season they were quite interested in hunting prairie chickens and grouse. Mrs. J. T. Stewart 2d is a "good shot" and enjoys hunting with her husband. She is the possessor of a chie hunting costume, made in New York this summer. The costume is of khaki, with short skirt and high boots. A hunting coat and hat of the same material complete the

Mrs. Fred Hamilton also goes on hunting trips with her husband, but onjoys the camping more than the shooting.

SHE DARKENED HER GRAY HAIR

A Kansas City Lady Darkened Her Gray Hair and Stimulated Its Growth by a Simple Home Process.

She Tells Mow She Did It.

Mrs. A. Bigsam, a well known resident of Kansas City. Mo., who darkended her gray hair by a simple home process made the following statement: "Any lady or gentleman can darken their gray or faded hair, stimulate its growth and make it spit and glossy with this simple recipe, which they can mix at home. To haif pint of water add I oz. of hay rum, I small box of Barbo Compound and 4, oz. of glycerine. These ingredients can be purchased at any drug store at very little cost. Apply to the hair twice a week until the gray hair is darkened sufficiently; then every two weeks. This unixture relieves itching and scalp troubles, and is excellent for dandruff and falling hair. It does not stain the scalp, is not sticky or greasy and does not rub off. It will make a gray haired person look 10 to 29 years younger. —Advertisement.
