Mr. Holson is here to look issioner of labor and the presiding judge after the interests of his ward. of the United States commerce court, and hearing is set for November 30. by Daniel Willard, president of the Baltimore & Ohio rallroad, representing the SMALL WRECK IN THE valiroads. P. H. Morrissey, former grand **BROKEN BOW YARDS** master of the Brotherhood of Railroad Trainmen, representing the engineers, BROKEN BOW, Nob., Nov. 24.—(Special.) wrote a dissenting opinion in which he expressed the belief that the award A smash-up occurred in the yards of the would have the effect of retarding the cars out of commission and nearly causprogress of arbitration in the settlement ing the death of Bridge Foreman Patrick of industrial disputes on the railroads.

"It is the belief of the board," continues the decision, "that in the last analysis the solution is to qualify the principle of free contract in the railroad

From this suggestion P. H. Morrissy, the representative of the engineers on the board, dissents. While the award in- while the engine was in motion. Instead of some classes of service, it hold that a onto the coach track, upon which were general increase on all roads is not warranted. The award dates back to May fit. In the first car was scated Bridge that date. Mr. Morrissey representing by a shout from the outside to jump for have been renewed annually.

The altitude of the railroads, as outlined in a statement today by President Daniel Willard of the Baltimore & Ohio railroad, who represented the railroads on the arbitration board, is likewise indefinite as to the future.

"My acceptance of the award as whole does not signify my approval of all the findings in detail," said President Willard. He added that "although the award is not such as the railroads had hoped for," nor such as they felt were justified by the facts, "they now accept without question the conclusion which was reached."

The members of the Board of Arbitration were appointed by the chief justice of the supreme court of the United States; the United States commissioner of labor; and the presiding judge of the United States commerce

Sage Restores Gray Hair to Natural Color

The old idea of using sage for darkening the hair is again coming in vogue Our grandmothers had dark, glossy hall at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored

the natural color. One objection to using such a preparwas the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scaip, and

thin, weak, falling hair. The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh, faded hair, when a simple, harmless remedy will bring back the color in a few days; and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your
