P. A.'s got a bunch of imitators -

right smart proof it's all wool and a yard wide!

Two things are never counterfeited-plugged nickels and ordinary tobaccos!

Prince Albert sort of upset the fashion in pipe and cigarette tobacco, because

it won't sting your tongue (bite's cut out by a patented process), because it

tastes delicious and because it has fragrance that makes it welcome in any

home or office. Out of the tall timbers came the substitutes-"just as good

as-P. A."-"just like P. A." -and that sort of thing! Just trying to warp in!

Let this sink deep: Every time that chaff's handed you, make a

bee line for a tin of Prince Albert. Then you're in O. K.
