

CORN SPECIMENS EXHIBITED

Competition Among Boys of Nebraska Produces Fine Results.

ARE SHOWN AT STOCK YARDS

Elton Stone of Lyons Has Record to Date for the Highest Yield, Having Harvested 108 Bushels to the Acre.

The results of the Nebraska boys corn-growing contests, inaugurated last spring by the Nebraska university, department of agriculture extension, are beginning to materialize in the form of splendid corn specimens arriving at the South Omaha stock yards offices daily.

The Union Stock Yards company, with a view of stimulating interest among the boys of Nebraska in growing good corn last spring, as a follow-up to the seed corn campaign, placed \$700 at the disposal of Prof. Pugsley's department to be awarded in county and state prizes to the boys of Nebraska showing the highest yields of corn from acre plots.

Meanwhile, that the farmers and shippers, and others interested, may know what has been accomplished by these boys, the Stock Yards company has arranged for samples of the corn raised by contestants to be sent to the company at South Omaha, where they will be properly labeled with name and address of grower and the acre yield and placed in large glass cases in the lobby of the exchange building.

Lyons Corn Has Record. Elton Stone of Lyons has the record to date for the highest yield, a little over 108 bushels. George J. Roggenbach of Winner comes next, with eighty-nine bushels; Harry Egger, Hooper, reports eighty-eight bushels; Walter Pfeiffer, Hooper, seventy-seven bushels; Alfred Miller, Surprise, seventy-three bushels; George Hartman, Paxton, sixty-six bushels; Ernest Hudnall, Chapman, sixty-two bushels.

Omaha Autoists to Ask for New Laws

The annual meeting of the Omaha Auto-Motor club was held Tuesday night in the Commercial club rooms and was largely attended. On recommendation of President Gould Dietz it was decided to change the name of the club to that of the Omaha Automobile club and to raise the annual dues from \$3 to \$5.

The reports of the various committees was made including that of President Gould Dietz. He told of the work which had been accomplished in the last year and stated that over 2,000 automobiles are now owned by residents of Omaha.

Through the recommendation of Mr. Dietz it was voted at the meeting to affiliate with the Nebraska Automobile association, which automatically made the local association members of the American Automobile association.

Omaha is to see a real banquet with a real live cabaret show of the New York type on the night of January 8, according to the promises of the press agent for the Omaha alumni of the University of Nebraska.

It is believed that more than 200 people will be present. Chancellor Samuel Avery of the Nebraska school will be one of the guests. He has agreed to come on this date.

The committee which is arranging for the banquet promises that there will be lots to eat, very little speech-making and a great deal of amusement.

City Officials Flee When Suffragists Come in Control

Seven city commissioners forgot that a suffrage association was meeting in the council chamber. Puffing at cigars that smelled to heaven and loudly and jovially discussing a purely private matter they marched right in on the meeting—and then marched out again.

Mayor Dahlman, who is more or less a "ladies' man," was less dismayed than his comrades. He remarked that the big yellow banner proclaiming "equality before the law" was a rather good job of sewing.

City Clerk Flynn read the call of the board of equalization, while the commissioners sized up the suffragettes. A delegation of the best looking equal suffrage advocates approached the commissioners and the city officials fled forthwith.

Hatrack Mystery Puzzles Officials

The mystery of the animated hat and coat rack is puzzling the inmates of the new county building. It may never be solved.

The hat and coat rack was in Judge Estelle's court room when the judge and his bailiff, J. H. Hulbert, went away Monday evening. When they returned Tuesday morning it was gone.

An investigation developed that there was no rack missing from the building. The checkers had given Judge Kennedy's court room credit for a rack and had noted there was none in Judge Estelle's court.
