## IT'S CARTER LAKE CLUB NOW

Rod and Gun Organization Decides to Change Its Name.

STOCKHOLDERS REACH DECISION

Decide to Increase Dues Slightly and Initiation Fees More After Middle of June-Plans for Life Memberships.

The old Rod and Gun club will be known as Carter Lake club, the dues will be raised from \$15 to \$18 per annum, and the initiation fees will be \$30 instead of \$20 for associate members after June 15 next. The latter two provisions will be subject to the approval of the new board of directors elected at the meeting held at the Paxton hotel last night.

The annual meeting of the stock hold ing members considered matters in connection with the cottage lot plan that was the result of the purchase of the Courtland Beach property last fall. Nine directors were elected as follows:

F. L. Weaver, A. P. Whitmore and C. L. Dundey for a three-year term; W. S. King, B. W. Hart and Thomas E. Wood for a two-year term; D. L. Christie, Carl M. Johnson and Al Bloom for the oneyear term.

Of the 205 cottage lots plotted on the newly acquired ground adjoining the lake. 150 have been sold. The purchase of one of these lots makes one a life member exempt from dues. When the matter of changing the name of the club came up there was a great deal of argument and amending of motions. It was argued that the name 'Rod and Gun" suggested a limitation of the activities of the club to shooting and fishing, while in reality the activities of the club were much broader than that. Dozens of names were suggested until it was finally decided to cling to the name Carter in honor of the one who by generous donations had made possible the summer outing place at the beach.
