CARTER LAKE CLUB ELECTS

With One Exception All Officers of the Club Are Re-Elected.

WILL ADVANCE YEARLY DUES

Each Membership Will Be Three Dollars Per Year More and the Initiation Fees Will Be Boosted Ten Dollars.

At a meeting of the board of directors of the Carter Lake club the following officers were elected for the ensuing year: Frank L. Weaver, re-elected president; Charles L. Dunday, vice president, while Byron Hart and A. P. Whitmore were respectively re-elected secretary and treasurer. Heretofore the elections were conducted by the vote of the stockholders, but by virtue of an amendment to the constitution it has been placed in the hands of the board of directors.

Plans were discussed for the coming year, and it is estimated that 150 to 200 cottages will be built around the grounds this year. A rule was passed in which the buildings erected will have to cost not less than \$500 and each to have ten feet of space between it and the front line, while four feet is to be open on the north line. This will establish a symmetrical arrangement that will be pleasing to the eye and add materially to the beauty of the grounds.

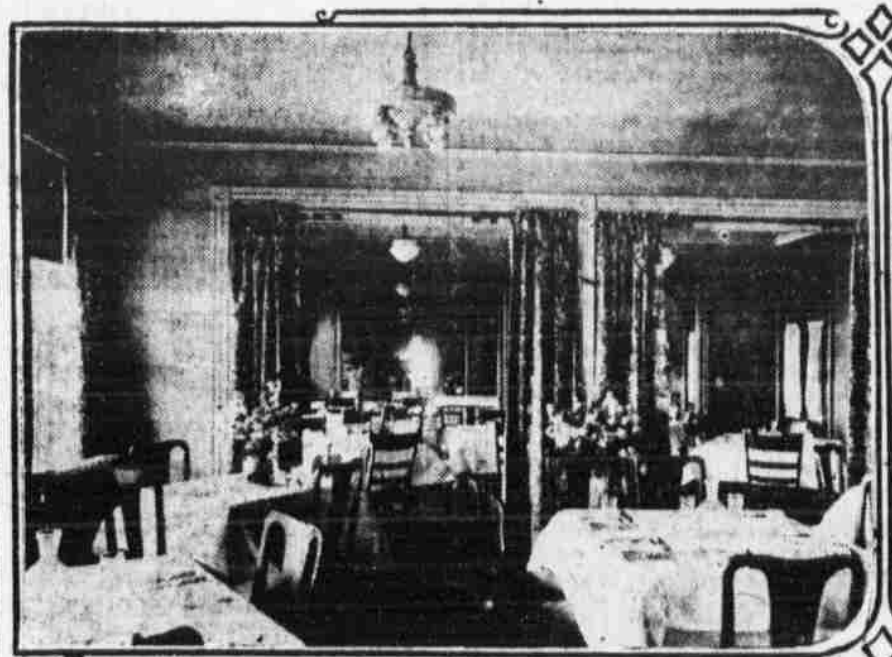

All of the buildings belonging to the club are to be improved for the coming season, which will open June 1. The dance hall will be an active element in the amusement for the members this summer and there is a likelihood that dancing will be in order every evening.

The grievance committee was heard from and it was found to have been laboring under a misapprehension. Dis-sension has arisen over the discharge of former Game Warden Joe Gimore, in that it was believed the office was to be abolished from the club. However, that was not the case, and when the truth was learned it was found that the club had set aside \$500 to help defray the expenses of a warden's salary and that it was highly in favor of game and fish protection from poachers.

There was another amendment made to the bylaws in which the annual dues have been advanced from \$15 to \$18 per annum and the initiation fees from \$20 to \$30. The latter, however, will not go into effect until June 1.

Members of Committees.
The following are the members of the different committees, the first named being chairman: Finance—P. Whitmore, W. B. King, F. E. Wood.
Building and Grounds—D. H. Christie, Byron W. Hart, T. E. Wood.
Athletic—W. S. King, W. D. Craighhead, L. F. Prentiss.
Yachting—W. D. Craighhead, Dr. Descher, J. Van Rensselaer.
Motor Boats—Dr. G. D. Shipperd, R. O. Grayson, T. G. Pettigrew.
Canoes—Byron W. Hart, J. N. Aulsbaugh, F. R. Moxham.
Fish and Game Protection—Carl M. Johnson, A. F. Bloom, Chris Olsen.
Entertainment—E. B. Moxham, Byron W. Hart, D. H. Christie, C. H. T. Rippen, Fred Whittemore.
Membership—P. Bloom, Dr. G. D. Shipperd, W. S. King, Dr. G. W. Williams, A. A. Taylor.
Auditing—Roy Campbell, Charles Fiza, D. O. Barnett.
Trap Shooting—Dr. G. W. Williams, L. M. Fogau, Bert Le Bron.
House—L. Dunday, Byron W. Hart, W. S. King.

ENDORSE TENTATIVE BILL

State Federation Committee Affirms Coffey's Mothers' Pension Bill.

WOULD APPOINT STATE BOARD

Same Body Believes that an Appointed State Board of Agriculture is Preferable to One Elected by Delegates.

The legislative committee of the Nebraska State Federation of Labor in session at the Her Grand yesterday endorsed the tentative bill for a mothers' pension drawn by P. M. Coffey, one of the committee.

The bill is simply an amendment to the present juvenile court law. It enlarges the scope of the judge in his jurisdiction of juvenile cases and gives him power to direct the payment of money to parents whose children he shall find to be in need of such help as is in accordance with the provisions of the measure. It gives him the liberty to fix the amount to be paid and power to direct the county commissioners to pay it. The burden of caring for the dependent children in these cases would fall entirely upon the county according to this bill.

Favors Appointive Board.
There is a sentiment in the committee favoring legislation that will make the state board of agriculture an appointive board instead of one elected by delegates from the various county fair boards of the state. Members of the committee maintain that this present system of choosing the state board of agriculture is a system of self perpetuation in office. The proposition that will be brought before the legislative committee of the federation will provide for the appoint-

Ladies Reception Room

ment of the state board of agriculture by the governor, one member to be appointed from each congressional district and one at large.
Workman's compensation and employer's liability will also come up for discussion by the committee at this session. F. M. Coffey, a member of the committee appointed by the governor to recommend a suitable bill covering this point, is also a member of the legislative committee of the federation of labor. He is one of those signing his name to the majority report of the governor's commission, and will use his influence to get the committee of the federation to endorse the majority report.

DR. WINSHIP WILL ADDRESS OMAHA SCHOOL TEACHERS
Dr. A. E. Winship, editor of the New England Journal of Education, will address the Omaha school teachers in the high school auditorium Tuesday afternoon. Dr. Winship will be the guest of the University club at luncheon at noon.

University Club Opens New Rooms With Big Reception

The new quarters of the University club of Omaha, on the top floor of the Board of Trade building at Sixteenth and Farnam streets, were formally opened last evening, a formal reception and dance being given to the members of the organization and their friends. More than 300 couples were present, taking part in the reception and also remaining for the dancing.

The officers of the University club and members of the house committee received the guests. Among those receiving were Mr. and Mrs. Osgood T. Eastman, Mr. and Mrs. R. C. Peters, Mr. and Mrs. J. R. Webster, Mr. and Mrs. Harry Pleasont, Mr. and Mrs. A. H. Richardson, Mr. and Mrs. Charles G. McDonald and Harry Byrnes. Refreshments were served throughout the evening.

The new club rooms give the university organization some of the finest quarters in the city. Since the Commercial club left the Board of Trade building and went to the Woodmen of the World home the entire top floor of the former structure has been rebuilt to house the University club.

In the changes that have been made the dining room has been extended across the entire south half of the floor, giving the organization all the space which was used for billiards during the tenancy of the Commercial club. The billiard room is now on the north side, occupying a smaller room than was formerly allotted to this game. The reading room is also on the north side. Women's dining and reception rooms have been added. These are rather spacious accommodations on the Sixteenth street side of the floor.

For the opening last evening decorations were provided in all the rooms. College pennants and flowers were in evidence. The first luncheon was served this noon.

All our fur coats, fur sets and separate pieces and muffs now on sale at a big sacrifice. Julius Orkin, 1510 Douglas St.

Cascarets Tonight! If Bilious, Constipated, Headachy and Sick

Turn the rascals out—the headache, biliousness, indigestion, constipation, the sick, sour stomach and foul gases—turn them out tonight with Cascarets.
Millions of men and women take a Cascarets cleanse and sweeten their bowels or an upset stomach.
Don't put in another day of distress—wake up refreshed and feel fine. Let Cascarets cleanse and sweeten your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry off the decomposed waste matter and constipation poison from the bowels. Then you will feel great.
A Cascarets tonight will straighten you out by morning—a 10-cent box keeps your head clear, stomach sweet, liver and bowels regular and you feel cheerful and bummy for months. Don't forget the children—their little insides need a good, gentle cleansing, too.
