WYOMING WOOL GROWERS AGAINST LEASING LANDS CHEYENNE, Wyo., Jan. 11.—(Special.)—The Wyoming Wool Growers' association closed its annual convention here today by adopting resolutions which

tried with feeling. The sheepmen went on record as being unalterably opposed to all schemes for leasing the public domain, as proposed by the so-called Burkett, Scott and Lever bills.

A strong resolution was adopted protesting to Governor Carey against any possible pardon of the men convicted of murdering the three Big Horn cowboys less than three years ago. A resolution complimenting the railway on the better handling of stock in transportation, and one asking the University of Wyoming to display its experimental stock at county fairs in Wyoming and the surrounding states were both passed.

The association went on record as demanding the renewal of the wolf bounty law, claiming that the live stock business of Wyoming annually loses \$1,400,000 from predatory wild animals.

A federal bounty law is also asked for and Wyoming's congressional delegation is urged to work for the passage of such a law.

CLAMOR FOR HOTEL STOCK

Former Subscriptions Reduced to Accommodate Late Applications.

MAY SIGN LEASES SOON

Delegate Sent to New York Will Return Here Tomorrow and Committee is Expecting Favorable Report.

Although the subscription list for stock buyers in the new \$1,000,000 hotel was closed December 31, with all the money secured that the committee set out to net, three more stock buyers with \$6,000 to invest have insisted on helping out in the propaganda, necessitating the reduction of some amounts from early subscribers.

The goal of the committee, \$600,000, was reached at the end of December, the date set for the closing of the list, by the subscriptions of \$10,000 by A. D. Brandt and \$5,000 by John L. Kennedy.

Communications later were received from the John Deere Plow company, the Crane company and the United States Supply company; the former asking for the privilege of investing \$6,000 in the project and the latter two, \$500 each.

John L. Kennedy's \$5,000 has been reduced to \$2,000 and A. D. Brandt's \$10,000 subscription, to \$8,000. James C. Melvin of Boston, an Omaha property owner, early in the campaign subscribed \$15,000 for hotel stock, stipulating at the time that the amount could be reduced if it was not needed.

Members of the hotel committee have been unable to find another instance where subscription raising for a public enterprise has been carried out so expeditiously and successfully.

The letter received from Manager Farmington of the John Deere Plow company, shows the unusual attitude of business concerns toward the project.

Gurdon W. Wattle, president of the Douglas Hotel company, will return to Omaha tomorrow from New York, where he went to confer with the possible lessees of the new hotel and the hotel committee is expecting a very favorable report.

YOU MAKE FRIENDS BY RECOMMENDING A RELIABLE KIDNEY MEDICINE

Your representative called at my door yesterday morning to leave a sample of your noted Swamp-Root and I am certainly pleased to see anybody connected with the firm who makes a medicine which has done so much for me and my family.

Shortly after that my husband, who was a coal miner, was suffering from kidney trouble and could not work and I sent for some of Dr. Kilmer's Swamp-Root. He was in a terrible condition, but as the doctors had not given me any relief, I had more faith in Swamp-Root and it was well founded, for it did the work and after taking a few bottles he was completely cured.

I daily recommend the use of Swamp-Root to my friends and neighbors.

MRS. JOHN NORQUIST, Galeton, Penna.

Sworn and subscribed to before me, this 4th day of May, 1912.

Wyoming Girl is Kissed by President

WASHINGTON, Jan. 11.—On President Taft's appointment list was this brief entry: "Phyllis Wetrand, Lander, Wyo., (to be kissed)."

When that item caught the president's eye as he sat down at his desk today, he looked about his office and saw a little girl with blonde curls, looking eagerly at him. Beside her was her mother.

"Well, Phyllis," he said, "do you want to be kissed by the president?"

"Yes, sir," she giggled.

The president raised her high in his arms and kissed her fairly on the cheek. "I hope you will remember that," he said.

Phyllis, who is 4 years old, announced she would never leave Washington until she had been kissed by the president. She was so insistent that her mother wrote to the White house and finally made the appointment.
