

Modern Home-Builders and Home-Furnishers of Omaha

Dodge Street Dwellings

Modern Omaha House

Built Under Home Builders' Plan

The two homes illustrated above were erected under the Home Builders plan. The one on the left is located at Forty-second and Dodge streets, on the east front lot. It has large reception hall with colonnade opening; a living room, drawing room and kitchen on the first floor, all finished in oak, except the kitchen, which is done in birch. Five rooms and a bath apartment, on the second floor, are finished in birch. The basement is cemented. It has a furnace, laundry rooms, coal bins and a vegetable cellar. The dwelling is equipped with modern open plumbing and combination lighting fixtures.

The second home is located at Twenty-sixth and Fort streets, on the south front lot. It has a large vestibule, a spacious living room, fine dining room, kitchen, two bedrooms and a bath on the first floor. All rooms are finished in oak with the exception of the kitchen and bath room. In the dining room are a tiled gas mantle and a grate. Two large finished rooms are in the attic. The basement is cemented. It has a laundry, a furnace, coal bins and a vegetable cellar. The house is fully equipped with modern open plumbing and combination lighting fixtures.

Why Take Chances? REMEMBER WE HAVE

- An absolutely fireproof storage house.
- Separate locked fire and mouse-proof rooms.
- Our large vans and experienced men eliminate all worry of breakage and rough handling.
- Individual storage—each consignment kept separate.
- New devices for handling pianos and other large pieces.
- Twenty years of experience in packing, and employ only the best packers.
- Although we have the most modern facilities, our prices are low and the service we render the best.

FREE INFORMATION TO HOME BUILDERS

Through the kindness of Arthur C. Clausen, the noted architect of Minneapolis, The Bee is able to give free advice and guidance to those who are contemplating the building or remodeling of their homes. Any particular in connection with the construction of a building will be thoroughly discussed for you by Mr. Clausen, and without charge.

No matter what you wish to know about a home, you can learn important facts that will be of assistance to you through advising with Mr. Clausen. In writing Mr. Clausen, in care of The Bee, be sure to explain, in detail, just what you wish to know. If you intend to build a home, state the amount you wish to spend, the kind of a home you want, the number of rooms, the material to be used, etc., etc. Be sure to make all things clear. Though you may not intend to build until next spring, it would be well to write Mr. Clausen now, and get your plans completed early.

Profitable Saving

SOME forms of saving are no better than the proverbial hiding of "talent in a napkin." Profitable saving consists in getting maximum earnings for your dollars.

By becoming a share-holder in a well managed financial company like Home Builders, you put your savings where they will profit most.

Home Builders give small investors, wage-earners and salaried people the benefit of the gathered wisdom of financiers able to grasp and properly weigh true values.

Home Builders' shares are based ON THE HOME, the best security in the world. Home Builders is conducted upon the basis of utmost safety. It is always creditor, never a debtor. It does not speculate. No dwelling is built by Home Builders until it is actually contracted for by the home buyer.

It is progressive, yet conservative. It does not attempt spectacular things. It does not attempt to go past the limits of proven safety. Home Builders' shares are backed by a daily growing surplus fund. They are solid as the Rock of Gibraltar, because they are secured by deeds or mortgages on dwellings built by us for homes only.

7% Guaranteed

Home Builders guarantee 7 per cent semi-annual dividends on Preferred Shares, and also a pro rata share of the contractor's profit we receive on every dwelling we build.

Home Builders has had an unusually prosperous year. The regular 7 per cent guaranteed dividend was declared January 1st in addition to a substantial balance carried to the surplus fund increasing the value of every share to \$1.05. Buy Home Builders Preferred Shares and in years to come you and your children will look back on business judgment and congratulate yourselves. Our booklet, "The New Way" explains fully Home Builders plan and tells how to secure a home on easy monthly payments, built to suit you on any lot you select. Get the January number of Home Builders' beautifully illustrated monthly, both free for the asking.

Laziness in Money is as bad as Laziness in Men

One Hundred Dollars that can earn only Three dollars in a year is lazy. If your money is earning only Three per cent a year you should put it to work. You have a positive right to receive the full earning power of every dollar you save.

Your Money Will Earn 7% and more if you join the men who are combining their capital under the plan offered you by Omaha Realty Owners Corporation.

Send for our booklet which tells you how you can become a part owner of income producing properties and participate in the profits of co-operative real estate ownership. Put your money to work right at home in Omaha where you can know what becomes of One Hundred (100) cents in every dollar you invest. It will pay you to investigate this plan in which the profits are sure and certain. Do it now while our preferred stock is selling at par value \$1.00 per share.
