Dresher Bros. Now Improve Their Garment Hangers.

PERFECT DELIVERY

Garments Cleaned Here Are Delivered as Carefully as a Box of Confections or Flowers.

A few years ago such a thing as delivering a lady's suit or skirt in a strong paper bag, safely suspended from a patented clothes hanger was unknown in Omaha.

But Dresher Brothers, the five Cleaners and Dyers at 2211-2215 Farnam St., saw the need of something of the sort the moment they opened their \$50,000 cleaning establishment.

Dreshers, until now, have used a garment hanger that was the best obtainable, but even so, they were not content with it.

These hangers would command a neat cash price if they were to be sold in stores, but Dreshers do not sell them; they are given free with every garment delivered, and you don't pay a penny more to have the garments cleaned.

Speaking of prices, they are even lower since Dreshers have entered the field. It was the lowest price at which a lady's suit would be cleaned and pressed in Omaha before Dreshers stepped into the field; now Dreshers clean and press a lady's plain, colored, tailored suit at \$1.75.

A lady's suit in white serge or cream color will be cleaned and pressed at \$2; plain, colored skirt at 75c or at 85c if pressed. A gentleman's suit will be cleaned and pressed at \$1.50.

To give you an idea of the magnitude of the Dresher establishment it is only necessary to state that over a quarter million hangers have been given away since this plant has been opened for business.
