

**A New Flavor
And a New Dish
For Particular Housekeepers**

The new cereal food—

Post Tavern Special

is a popular hotel dish, now supplied for home use.

Made of wheat, corn and rice, it has a delicacy of flavor quite its own.

Post Tavern Special is cooked same as good old-fashioned porridge, and served hot with cream and sugar.

Sold by grocers—Packages 10 and 15c, except in extreme West.
