A Touch of Nature is Welcomed by Everyone

THIS SPECIAL ISSUE OF

# THE SEMI-MONTHLY MAGAZINE SECTION

APPROPRIATELY CALLED

## THE GARDEN ANNUAL

treats exclusively of planting things. Fruits, flowers, vegetables and roses. Authentic information about them all, and every page

Beautifully Illustrated from Photographs

NO magazine ever gave so much complete information so attractively written in a single issue.

YOU don't have to own a farm or even a spacious yard to enjoy and profit by this issue—a window box may be your limit—still you and your possibilities are not overlooked and the worthwhile pleasure to be derived from pouring over these pages will last the year through.

The peculiar and concentrated value of this issue is not and cannot be duplicated in any magazine you can buy.
