Cough medicines, as a rule, contain a farge quantity of plain syrup. If you take one pint of granulated sugar, add ½ pint of warm water and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2½ ounces of Pilex (50 cents' worth) in a pint bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2.50. It keeps perfectly.

And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect, and taste is pleasant. Take a terspoonful every one, two or three hours:

Fire Chief Nicholson received word yes of the work of arranging for the annual tournament of the state firemen at Perry. Ia., announcing that July 22 to 25 would be the time most desirable for holding the state meet. When the officers of the State Firemen's association held their an nual meeting last fall and voted to hold the tournament at Perry the usual cus tom was followed of permitting the local men to select the dates for the event and thus avoid any other meetings that might conflict. The approval of the dates selected is thus made in advance. Chief Nicholson says the people of Perry are extremely proud of the distinction given their town and are going to do everything possible to make the coming tournament one of the most attractive and important ever held in the state.
