

Spring Ready-to-Wear Apparel

Above the ordinary in style and variety of models, but reasonably priced. A display worth seeing.

Style is a supreme consideration in our showing of coats, suits and dresses.

Besides style, we insist that all fabrics must be of a high quality and the workmanship perfect in every detail.

These excellent garments pass a rigid examination in our hands before they are offered for sale at as low a price as possible in order to keep our stock constantly moving.

Because of increased space and superior buying facilities, we are able to offer

A Fine Serge Suit for \$16.50

A beautiful garment, the equal of which has never before been offered for less than \$25.00.

Other suits \$19.50, \$25, \$30 upwards.

No extra charge for alterations.

New Brocaded Rattines on Display

A handsome fabric in the new shades of heliotrope, tan and pink.

A light weight, fine quality soft cloth of unquestioned popularity for spring.

WILL INCREASE GIRLS' PAY

ering raising the minimum wage to \$8. Witness said he had devoted much time to the wage question as it affects women and that a woman can live on \$3 a week. He promised to give the commission a schedule of the expenses of a working girl.

Lynton pointed out, as did Simpson at a previous session, that an increase of the minimum wage means an increase all along the line. The girl already getting

It must be advanced to \$15; the \$15 girl to \$20, and so on. Employees must be paid according to their comparative abilities.

Joseph Baach, second vice president of Siegel, Cooper & Co., who was the next witness, said that wages and immorality have no relation.

Always Greeting—There's a Reason

Fifteen Cents

Has Started Many a Person On the "Road to Wellville"

The Food Problem means more than merely something that tastes good. Often, it decides the difference between illness and good health.

Grape-Nuts FOOD

is not only a pleasant breakfast cereal with a delightful flavor, but provides in natural, easily digestible form, those true health-building elements of wheat and barley which make sound bodies and bright brains.

This sturdy food is sold by grocers everywhere, in tightly sealed packages. Thousands make it a part of their daily breakfast.
