OMAHA LOSES CHAMPIONSHIP

Clever Five of Geneva High School Takes 1912 Honors Away.

THE SCORE WAS 25 TO 24

After Dispute Over Which Floor Game Was to Be Played on, Manager Reed Favors Geneva Lads.

LINCOLN, March 14.—(Special Telegram)—With less than a minute left to play the Omaha high school champions in basketball in 1912 were put out of the running for the state championship at the annual basketball tournament of Nebraska high schools here this evening.

The Clever five of the Geneva High school, by virtue of a lucky field goal just before the referee's whistle, overcame the lead of one point which Omaha had secured and upset all odds on the outcome of the tournament by eliminating the most formidable five on the floor. The final score stood 25 to 24.

Dispute Delays Game.

A dispute delayed the game for over an hour, the Omaha five desiring to play on the larger of the two floors in the gymnasium while Geneva stuck to the smaller floor, for which the game had been scheduled. Manager Reed of the University of Nebraska, ruled that the game must be played where scheduled so that Geneva won its point.

Omaha started the game with a rush and secured a 15 to 5 lead in the first half. Geneva came back with a fierceness that took the Omaha players off their feet and in whirlwind finish evened up the count.

It remained for Janda, the wonderful little center of the Geneva five, to toss

the lucky field basket which won the game.

By virtue of her defeat of Omaha, Geneva is now looked upon as the probable champion of the state although University Place is conceded to have a dangerous five.

Following is the lineup: OMAHA. BURKENROAD, L.F. HUGHES, GARDNER, PLATT, JANDA, NELSON, BURKENROAD, FREE THROWS, JANDA (3), BURKENROAD (3). GENEVA. HUSTON, DAVIS, JANDA, YATES, ASHTON, HUGHES (4), BURKENROAD (3), BURKENROAD (3). Referee: Frank.

South Omaha Loses, Too. South Omaha also went out of the race this evening when the uncoached Elmwood five by dint of an early lead of ten points were able to nose the Packers out of the game.

The final half found the South Omaha five unprepared. The final score was 27 to 21, with Menefee scoring most of the points for the South Omaha boys and Schneider starting for Elmwood. The lineup:

SO OMAHA. McBRIDE, NIXON, SHANKS, LITTLE, SCHNEIDER, MENEFEE (7), TOWLE (2), TYSON, CLEMENTS, NIXON, CLEMENTS (2), S. TOWLE. ELMWOOD. TYSON, SCHNEIDER, A. TOWLE, TOWLE, CLEMENTS, SCHNEIDER (7), S. TOWLE.

Central City Beats Fairbury. In the other games this evening, Central City defeated the Fairbury five, by the lopsided score of 23 to 10. C. Lutz was the star of the game and annexed most of Central City's points.

Gothenburg remained in the running, by defeating Minden, 25 to 16. Albion played its first game and won, when it defeated the Tecumseh five, 19 to 11. Superior team work won for the Albion team, although it is not considered a

serious contender for the championship.

University Place continued its winning streak during the afternoon, by defeating the strong Sutton five, by the decisive score of 34 to 12. The University Place five was simply invincible and secured an overwhelming lead.

Columbus Defeats Crete. Columbus defeated Crete, 18 to 14, in a closely contested game. Andrews scored nearly all of Crete's points, while Brown and Reeder were co-stars for Columbus. Both Omaha and South Omaha had an easy time in the morning games, although the score of the Packer-York battle was close. Omaha played the Auburn five and with a substitute lineup for a part of the game hand away with the contest, 24 to 8. Burkenroad scored seventeen points for Omaha, while Landers was the only man who could do anything for Auburn.

York Five Hard Workers. South Omaha encountered a tough nut in the York five, the final score standing 14 to 11. With the score of 12 to 11 just before the referee's whistle, Captain Menefee came forward with a beautiful field goal and cinched the game for the Packers.

Following are the results on the other games played during the morning: Nebraska City, 12; Columbus, 12; Norfolk, 4; Crete, 12; Albion, 23; DeWitt, 11; Geneva, 22; Temple High, Lincoln, 8; Clements (2), S. Towle.

Morgan's Son Is Unable to Find Papers Asked For

(From a Staff Correspondent.)

NEW YORK, March 14.—J. P. Morgan, Jr., was a witness today at the hearing in the government's dissolution suit against the United States Steel corporation.

Francis Lynde Stetson, counsel for J. P. Morgan & Co., accompanied Mr. Morgan. Mr. Morgan and his father are directors of the corporation.

Before Mr. Morgan was called his counsel produced syndicate agreements between his firm and several of the steel companies which went into the corporation by means of which they were brought under the corporation control. Over the objections of counsel for the corporation these documents were placed in evidence. The firm reported that it was unable to find other documents the government had called for. A Morgan clerk was asked whether the missing documents might not be in the personal files of J. P. Morgan, Sr.

"I have no access to Mr. Morgan's personal files," said the clerk. He did not know who would have authority to open them.

Counsel for Morgan & Co. clashed sharply with Jacob M. Dickinson for the government over a letter relating to the price paid for the Carnegie Steel company, a copy of which was offered in evidence.

Mr. Dickinson objected and warm words passed, resulting in an adjournment from Dickinson to settle it "outside."

The presiding commissioner interfered and counsel for the Morgan company said he had meant "no reflection" by his words.

The only questions Mr. Morgan was asked related to the missing documents. After stating that he had done his best to have them found he was allowed to go.

D. G. Kerr, vice president of the Steel corporation, was then called to produce other documents.

PATTERSON DENOUNCES CHILD LABOR IN MILLS

PHILADELPHIA, March 14.—"The outstanding infamy of certain of our modern industries in the linking to the belts of factories and mills of 2,000,000 children," was the declaration made today by William E. Patterson, chief of the department of social and industrial justice of the Progressive league. He was the principal speaker at the morning session of the progressive conference. After denouncing industries that "thrive on the plucking of cradles, of kindergartens in the interest of their debased commercialism," Mr. Patterson also discussed women's wages and said: "While it is unjust to charge that
