Proper Apparel Creates a "Well-Dressed" Air of Distinction

The ill-at-ease woman is never able to exert charm or express the best of which she is capable, while correct gowning makes one at ease, frees the mind from anxiety and brings a woman into harmony with her surroundings.

When the importance of being "well-dressed" is recognized by nearly every woman, why should you experiment with questionable standards? BUY THE BEST. The Best does not always mean the highest priced—it means apparel backed by a name worth something, a name with a record of standing for the best that each fashionable season has to offer.

We passed the experimental stage years ago. Now we know that we offer the best to be had, because we have proven repeatedly to the perfect satisfaction of our customers that our ready-to-wear apparel is made for women who seek style and comfort, fashionable fit and long wear.

In keeping with our display of apparel are the rooms in which it is displayed. We have provided for your convenience parlors, that express it best, where every luxury and necessity demanded for the proper selection of your spring wearables, is at your command.

You are waited upon by women of ability. Each garment is altered by experienced fitters and tailors.

We offer you Superior garments and Superior service, not the commonplace styles and mythical "service" so often heard about, and desire an opportunity to show you in person this coming Easter week, our Spring preparations.

Our prices are low. They are shown up to the best advantage when compared with others. They are uniformly less than you expect.

He then gave the pen to Ruby Eckerason, corresponding secretary of the Equal Suffrage association, who briefly reviewed the forty year fight for the suffrage amendment in Iowa.

DOCTORS FAILED TO RELIEVE—A KIDNEY MEDICINE ACCOMPLISHED REMARKABLE RESULTS.

About fifteen years ago I began ailing with backache and sick headache, also nervous trouble. For about nine years I received treatment from different doctors but did not receive any relief or benefit from their medicine. About six years ago I began using Dr. Kilmer's Swamp-Root and took same until I was entirely cured of my ailments. I am now well and strong and have not had to take any medicine for the past two years. I attribute the cure of my ailments to Dr. Kilmer's Swamp-Root, and cannot praise the same enough. I would heartily recommend to any person suffering with backache, sick headache or any nervous trouble caused by kidney disease to at once begin taking Swamp-Root, as I am positive it will effect a permanent cure.

Yours truly, MRS. JOSEPH BOEHLER, 119 Kansas St., Lawrenceburg, Ind. Subscribed and sworn to before me this 15th day of October, 1911.

JOHN H. RUSSE, Jr., Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Item Welcomed By Many Men

This recipe can be filled at home, so that no one need know of another's troubles, as the ingredients can be obtained separately at any well stocked drug store. They are in regular use and many different prescriptions are constantly being filled with them.

This will prove a welcome bit of information for all those who are overworked, gloomy, dependent, nervous and have trembling limbs, head and dizziness, colds, cold extremities, insomnia, fear without cause, timidity in venturing, and general inability to act naturally and rationally as others do, because the treatment can be prepared secretly at home and taken without any one's knowledge.

Overworked office men and the many victims of society's late hours and dissipation, who it is said, find the restorative they are in need of.

If the reader decides to try it, get three ounces of ordinary syrup sarsaparilla compound and one ounce compound fluid salinatory; mix and let stand two hours; then get one ounce compound essence cardiol and one ounce tincture cadonine compound (not cadamon); mix and take a teaspoonful after each meal and one when retiring.

A certain well-known medical expert asserts that thousands of men and many women are suffering all because of dormant circulation of the blood and a consequential impairment of the nervous forces, which begets the most dreadful symptoms and untold misery.—Advertisement.

Man is Accused of Swindling Woman By Mock Marriage

CHICAGO, March 15.—David A. Wardell, 33 years old, a San Francisco real estate dealer, who is alleged to have used the name of Donald Coleman when he married Miss Laura Crew in Los Angeles early in February, was brought to Chicago from Rochester, N. Y., today by detectives. Three thousand dollars of the \$4500 which the woman had turned over to her alleged "husband," was recovered by the police. He was booked on a charge of operating a confidence game.

Miss Crew now is convinced that she was married into a false marriage by Wardell for the purpose of getting her money. He persuaded her to sell her hotel business in Los Angeles when they were married, she told the police and she instructed the proceeds—\$4,500—to him when they reached Chicago last month. Wardell did not know his wife was in Chicago until she met him at the police station today. Mrs. Wardell threw her arms around his neck, declaring her forgiveness.

"You'll go back home with me and we'll live fine," said the wife, apparently forgetting that her husband was charged with a crime.

Recovering from his surprise, Wardell said: "I have only one wife and she is here."

He would not talk about Miss Crew.

Greeks Incensed at Bulgaria's Greed

ATHENS, Greece, March 15.—Strong feeling against the Bulgarians is spreading with great rapidity among the Greek population. Only the strong hand of the government prevents an outbreak. Irritation of Greeks arises from the Bulgarian claim to great stretches of erstwhile Turkish territory, which Greece considers its own by right of conquest.

The editor of the newspaper Chronos, was sentenced today to a week's imprisonment for editorial denouncing Bulgarian avarice. Proceedings have been begun against several other persons for similar offenses.

LONDON, March 15.—Irritation over the "extravagance" of the demands by the Balkan allies in their reply to the offer of mediation by the powers was expressed by some of the European ambassadors at their meeting today to discuss the situation. The ambassadors as a whole, however, do not regard the conditions laid down by the allies as closing the door to mediation. The next step taken by the powers will, it is expected, be recommendations with a view to approximating the demands of the allies with what the powers consider a more equitable basis of negotiations. The diplomatic adjourned until March 18.

William Hale White Dead in London

LONDON, March 15.—William Hale White, better known as his pseudonym of "Mark Rutherford," died at his country home today at the age of 64. He enjoyed great prominence in the literary world about thirty years ago, owing to his series of works on domestic, social, moral and theological problems.

Baker's Shortage Will Exceed \$160,000

SAN FRANCISCO, March 15.—How much money Charles F. Baker stole from the Crocker National bank was still a conjecture today.

"We are not set in a position to say how much Baker is short," said H. N. Morris, the federal bank examiner. "In fact we are completely baffled. We don't understand yet in detail what his method was. The best estimate is that his pecuniations will be in excess of \$160,000, but it is impossible to be more definite."

"So far as the federal statutes go, there is no possibility of prosecuting criminally the brokers with whom Baker gambled."

The bank itself is fully protected against loss by its contract with an insurance company.

Baker is confined by illness to his home under watch of United States marshals.

SIR HORACE PLUNKETT BUYS APARTMENT HOUSE IN OMAHA

"Chula-Vista," the three-story apartment house at the northeast corner of Thirtieth and Poppleton avenues, has been sold by Ed Johnston, a real estate dealer at 508 Bee building, to Sir Horace Plunkett of Dublin, Ireland. The deal involved a \$20,000 cash payment and a West Farm residence, the location of which is not disclosed. Johnston's six-room residence on the lot adjoining the Chula-Vista also was transferred to Sir Horace.

The Chula-Vista is considered one of the prettiest apartment houses in Omaha. It sits in a lawn 100x100 feet, surrounding twenty-five feet on all sides. MRS. WILSON'S PAINTINGS SENT TO WASHINGTON

PHILADELPHIA, March 15.—The twenty-six paintings by Mrs. Woodrow Wilson, wife of the president, which had been on sale in the gallery of the Arts and Crafts guild in this city for several weeks, were today boxed and sent to Washington, no offers for their purchase having been received.

The paintings were all landscapes and the proceeds from their sale were to have gone toward the maintenance fund of the Martha Berry school for boys and girls in Reston, Ga. The original prices set for the canvases by Mrs. Wilson were \$100, \$200 and \$500, according to size, and these were reduced to \$75, \$150 and \$300.

Alleged Slayer of Four is on Trial

QUINCY, Ill., March 15.—Charged with the murder of his father, mother, sister and a young woman teacher, who lived at his home, and then returning the next night and burning the house, Ray F. Schmidt will be put on trial here next Tuesday. The alleged murders took place September 7, 1912.

Franz Schmidt, who is just 21 years old, will be tried first for the murder of his sister Blanche, as in her case the evidence is considered the strongest.

The trial is attracting wide attention because of the wealth of the family. The case is also unique because of the fact that a special act of the Illinois legislature was required to assure the legality of continuing a trial from one term of court into another.

Five Persons Hurt in Fire at Chicago

CHICAGO, March 15.—Five persons injured, two probably fatally, early today, when fire destroyed a three-story brick building at 45 East Oak street, the lower floor of which was used as a private garage. Alexander Tennant, 35 years old, a chauffeur, and his wife, 33 years old, who lived in the building, were the most seriously injured. Both were badly burned and jumped from the third story. George Scott, also a chauffeur, jumped from the second floor. Two firemen were slightly injured.
