## Birthplace of Grover Cleveland Becomes Permanent Memorial

CALDWELL, N. J., March 18,-The little wooden house where Grover Cleveland was born attracted a distinguished company today for its dedication as a permanent memorial to the dead president. The formal program for the day began with the transfer of a purse of \$17.610 in payment for the house, purchased by the Grover Cleveland Birthplace Memorial associations from trustees of the First Presbyterian church. Richard F. Cleveland, the president's

ion, was selected to receive the key and open the front door, while his sister, Esther, was chosen as the first of the official visitors to enter the room where her father saw the light just seventy-six years ago, and decorate it with flowers. Her mother, now Mrs. Thomas J. Preston, was among the spectators. The Cleveland memorial is the Presby-

terian manse, which the president's family occupied when his father was pastor of the Caldwell Presbyterian church. For its purchase the Memorial association raised \$25,000, of which \$5,000 was contributed by residents of this town and the rest by a number of wealthy men, many of whom came here today for the dedication.

On the adjoining lot a memorial library will be erected. Andrew Carnegle has promised \$7,500 for this building
