EVERY DAY TEETH
 That make it possible to meet life's requirements successfully. By thoroughly masticating your food. By doing away with unclean, unsanitary, half teeth and using clean, sanitary, perfect whole teeth. If you demand the "highest excellence" in your homes, your clothes, your associations, demand also the highest and best in your dentistry. Call on Dr. Todd, 403 Brandeis Bldg., and let him show you the very best dental work on earth.
 "HIGHEST EXCELLENCE."
 The American people demand the very best. The best is none too good. In order that we always feel fit and keep our obligations we must use right methods; care for our health, keep the body well nourished and the mind cheerful. This is impossible when you neglect your teeth, therefore Dr. G. W. Todd offers you the "highest excellence" in dentistry, teeth that are absolutely sanitary. Teeth that will make you healthier, happier, saner and sweeter.
