IOWA DONATES MONEY

House of Representatives Passes Bill for \$10,000. FOR SUFFERERS FROM STORMS

Bill Also Passed Requiring Railroads to Place Frost Glass on Locomotive Cabs for Protection of Engineers. (From a Staff Correspondent.)

Education Bill is Passed. The senate Thursday passed by a 13 to 11 vote the bill relating to the office of state superintendent of schools, making the superintendent appointive by the governor and providing three inspectors. The bill is the same as the one which the house last Saturday failed to pass, but will consider later.

College Controversy is Up. The presentation of a bill by Kimball in regard to the state board of education and the colleges, starts discussion again on that subject. His bill provides that there shall be no duplication except as to domestic science, which may be duplicated at each of the three colleges.

Inspectors of County Accounts. The house reconsidered its action in defeating the Dixon bill to provide for state inspection of county accounts and passed the bill. It provides that there shall be appointed by the state auditor a sufficient number of experts to make examination of the accounts of the counties, and these experts shall inquire into all matters and make reports to the auditor.

New Building at Teachers' College. Construction has been commenced on a new \$150,000 building at the state teachers' college at Cedar Falls, the same to be a demonstration building or working plant for practical work in education, and also a laboratory for the investigation of new problems in education.

Utilities Discussion. Today was taken up wholly in the senate by consideration of the bill to establish in Iowa a public utilities commission, and the long bill was read section by section and various proposed amendments considered. Again as on other occasions the senate divided as to the advisability of controlling the municipalities owned plants of the state.

Amend Law as to Doctors. C. W. Miller, member of the house from Bremer county, who represents the American League for Medical Freedom and has consistently made a fight against the exactions of the doctors, has proposed the following additions to the bill fixing and defining unprofessional conduct on the part of a doctor, and the amendments have been agreed to in committee.

INJURED IN MILLS COUNTY ARE RECOVERING. GLENWOOD, Ia., March 29.—(Special.)—All persons injured by the tornado in Mills county will probably recover. The Lauberts, father and son; the Merritt family, mother and daughter; the Resmoners, Mrs. John Severn, the latter in Glenwood hospital, the others at the residence of B. B. Dean in Lyons township, are all reported doing nicely.

Foreign Corporations. The house today passed one of the most drastic pieces of legislation yet to be presented. It requires that all foreign corporations doing business in Iowa shall comply with the Ferguson law as to small-

Pretty Mothers Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend, a remedy that has been so long in use, and accomplished so much good, that it is in no sense an experiment, but a preparation which always produces the best results. It is for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon involved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood. Mother's Friend has been used and endorsed by thousands of mothers, and its use will prove a comfort and benefit to any woman in need of such a remedy. Mother's Friend is sold at drug stores. Write for free book of expectant mothers, which contains much valuable information. SEAFIELD REGULATOR Co., Adm. Co.

Council Bluffs Auto Crashes Into Buggy, Hurting Two James Griffin, 359 Avenue A, and William Wilson, 281 Third Avenue, were painfully injured at 10 o'clock last night when an automobile, driven at a speed of about forty miles an hour, smashed into the rear of the buggy in which they were riding. The accident happened at Twenty-ninth street and Broadway while the men were driving west toward their home in a buggy owned by Griffin. The drivers of the automobile, which bore the number 227 Nebraska, evidently did not see the vehicle ahead of them until it was too late to stop. The light rig was entirely demolished and both men thrown out with great force. Both received bad bruises, Griffin about the head and body, and Wilson's knee was wrenched. The automobile did not stop, but continued in the direction of Omaha. The police department was quickly notified and the Omaha police station was called upon to station men at the bridge to arrest the drivers of the car when they appeared. They did not cross the bridge, however, they turned back, but did not go to the scene of the accident. Dr. Tubbs was called to the station and dressed the wounds of the injured men after they had been brought there. It was learned that one of the men in the car was George Mahoney, former motorcycle officer. The men had not been arrested at midnight. Grinnell College Glee Club Concert. What promises to be a rare treat for music lovers of Council Bluffs and vicinity will be a concert given by the Grinnell College Glee club this evening in the First Presbyterian church. This club has been secured through the efforts of the Young Men's Christian association and the proceeds will go towards equipping the boys' department. The club on the west has acquired a reputation of being "the best in the west" and press notices from all cities where they have been give unstinted praise as to their musical ability. The club is under the direction of Prof. D. E. Pack, who is professor of violin instruction at Grinnell. It is hoped that all music lovers will come out to hear this company and further the effort of the Young Men's Christian association to secure entertainments of a high class. Short Dimension. We have a complete stock of short dimension at all times, such as 2x4's, 2x6's, 2x8's, 2x10's, 2x12's, 4, 6 and 8 feet in length at a bargain. C. Hafer Lumber company. Marriage Licenses.
