Touching Evidence of Community of Feeling in Omaha.

HER HEART IN RIGHT PLACE

Little Elizabeth Writes that She Feels Sorry and Sends Her Bit of Help for Children Who Suffered.

"A fellow feeling makes us wondrous kind," wrote Colley Cibber, once upon he was asked to contribute to the relief of a fellow Thebanian who had fallen into misfortune.

This sentiment is apparently true of all times, and has been often proven on occasions when calamitous visitations have overwhelmed great numbers of people.

The enclosure referred to consists of a number of illustrations, cut from magazines, and just such sort as would amuse a child of Elizabeth's age.
