KOUTSKY AND HOCTOR WIN

Murphy Lands Place in Spite of the Fight Made on Him. RYAN AND PIVONKA LOSERS. Gillin-Hector Machine Unable to Defeat the Will of the Majority of the Republicans of South Omaha. Frank Koutsky, three times mayor of South Omaha, and Tom Hoctor, present incumbent, came out of Tuesday's primaries the respective choice of the republicans and democrats of the city. Koutsky beat his opponent, Trainor, by 277 votes, notwithstanding the fact that the latter used every effort of his own and the Gillin-Hector machine to defeat the republican choice. Koutsky did not even leave his office during the campaign, holding that if the republicans were sincere in their desire for his nomination he would win at the polls. He was high man among all the candidates for mayor on both tickets. While a fight was made upon Koutsky by the Hector-Gillin machine, it failed in its insubstantiality before the onslaught made by the gang upon City Attorney Henry C. Murphy on the republican ticket. Murphy won over his opponent, Winrock, by ninety votes, while S. L. Winters, one of the best known democratic lawyers of South Omaha went down before F. D. O'Sullivan, the Gillin candidate for the nomination for city attorney on the democratic ticket. Old democrats were astonished at the success of O'Sullivan, who is scarcely more than six months a resident of the town and law avowed candidate of the Gillin faction. Gillin, however, while he is not the favorite he was formerly, Tom Geary, who made no campaign, polled half as many votes as Gillin got after a hard campaign. Between Hoctor and Howard the odds were with Hoctor until the returns from the first precinct of the Seventh ward were telephoned in by Gillin. It was there Hoctor picked up his lead sufficient to beat Howard. In this same precinct the whole Gillin slate, and practically no one else, received heavy majorities. One of the big surprises of the election was the utter defeat of John J. Ryan and Joseph Pivonka by William P. Donahue and John Devine. Pivonka and Ryan were both on the Hoctor-Gillin slate, but both were easily defeated by Donahue and Devine. Donahue is a young man who has never touched a drop of liquor or used tobacco in his life. On the republican side it was Frank Dvorak and I. L. Van Sant for the same places. Van Sant was another surprise, he having won without incurring practically any campaign for the place. John S. Walters, superintendent of the Union Stock yards, and for years in the city council, was defeated by John Cavanaugh, a new man in politics and one not on the Gillin slate. Walters was on the Gillin slate. Evidence of the strong arm were so evident that Howard will probably see a record of the vote. A number of other democratic candidates will do the same thing, it is said. Howard was practically defeated by the first precinct of

the Seventh ward, a laboring man's territory, where it was calculated he would at least break even.

SIMPLE SERVICE FOR MORGAN

Mr. and Mrs. Satterlee and a Few Americans Are Present. BODY IS ON ITS WAY HOME It Will Be Taken Overland in Special Car to Havre; Where It Will Be Placed on Liner Sailing Saturday. ROME, April 2.—The body of the late J. Pierpont Morgan was started on its last journey at 5:30 o'clock this afternoon. The coffin was taken from the hotel to the railway station and dispatched by train through Italy, Switzerland and France, leaving from Havre for New York on Saturday. Few persons witnessed the departure. This morning a funeral service was held in the chamber of the hotel where the great banker died. Only a few relatives, intimate friends of the family and official representatives were present. The massive coffin reposed in a box of flowers sent by friends in various countries, many of whose rulers sent personal tributes. Rev. Dr. Nelson Officiates. Rev. Dr. Nelson, rector of the American Episcopal church in Rome, officiated at the service. By a coincidence the bell of the adjoining church, Santa Maria degli Angeli, rang at the time, joining appropriately in the service for the man who had often admired its majestic arches. The massive coffin reposed in a box of flowers sent by friends in various countries, many of whose rulers sent personal tributes. Services at New York. NEW YORK, April 2.—Funeral services in this country over the body of J. P. Morgan will be held in this city at St. George's Protestant Episcopal church, Hartford, Conn., Mr. Morgan's birthplace. The dates will be decided later. This brief announcement was made this afternoon by Henry P. Davidson of J. P. Morgan & Co. PARIS, April 2.—All the usual formalities respecting the transportation of bodies through France have been waived by the French Foreign office in connection with the late J. P. Morgan at the request of the French ambassador to Dijon. A special train is to be made up at Italy and will arrive at Paris on Friday. It will pass around the city on the circular railway in order to join the line running to Havre without the necessity of transferring the coffin from one train to another. Balkan Situation Again Menaces the Peace of Europe

LONDON, April 2.—Disquieting news has reached here of grave excesses committed by the Serbian and Montenegrin troops in Albania. Altogether the situation in regard to the Balkans is such that diplomats are greatly perturbed lest the veneer of peace at present binding the powers should crack. No reply to the peace note of the powers has been received from the Balkan allies. The ambassadors in London decided today at the last moment that it was useless to hold the meeting they had projected, owing to the uncertainty of affairs in the near east. VIENNA, April 2.—The Montenegrin army besieging the fortress of Scutari today captured five of the forts defending Taraboch and the fall of two others is expected at any hour, according to a dispatch from Cetinje. The correspondent says Scutari is burning in several places. DEATH RECORD A. C. Getten. Albert C. Getten, father of Colonel Edward W. Getten of this city passed away in Los Angeles, Cal., April 1. PASS SCANDAL IN COLORADO

Judges and State Officials Solicit Favors of Roads. MANY INDICTMENTS RETURNED Commissioner Harlan Says Legislators Were Corrupted and the Small Shippers Discriminated Against. WASHINGTON, April 2.—The investigation by Commissioner Harlan of the Interstate Commerce commission into the practice of Colorado railroads of giving free transportation has brought sensational results. Criminal indictments of large shippers and the offending carriers have been returned. Commissioner Harlan personally conducted an investigation and in his own characterization of the situation he developed violations of the law on an extraordinary scale. Mr. Harlan said in a preliminary report handed down today that "in one month over a single railroad 7,600 trips were made on passes. Not only shippers who controlled routing of traffic in any appreciable quantity were favored at all times, but even public officials, armies alike of duty, morals and danger accepted, even demanded these favors of the carriers. Officials Ask for Passes. The record shows that judges, state officials, members of the legislature, mayors and municipal officers, including mayors and aldermen, have very generally made use of passes. Not only this, but the record shows that women who were asked for passes were not volunteered by public officials. "Even judges have not hesitated to pursue this course. Personal requests by judges upon carriers for passes are disclosed by the record, accompanied by expressions of their sense of obligation for such favors granted to them both before and after they went on the bench. Small Shippers Slandered. "All classes joined in the cry of petty craft, at once sacrificing rightful revenues of the carriers, in the consummation against all small shippers and demoralizing all public officials, including the legislature and the bench." The commissioner says the Colorado carriers have given assurance that they will conform their future practices to the rulings of the commission in past matters. The report does not disclose what further steps may be taken of other violations of law uncovered in the course of the investigation, but a final report is promised to make clear the views of the commission in this forbidden traffic in transportation. FEARS ATTEMPT WOULD BE MADE TO LYNCH WOMAN ABERDEEN, S. D., April 2.—(Special Telegram.)—When a crowd assembled near the county court house and jail at Leola last night the suspicions of sheriff Leola were aroused and he summoned deputies and hurried Mrs. George Griffin, in jail for murdering her husband, to Ipswich for safe keeping. The Leola jail is a frame structure, and as considerable feeling exists against the woman at Leola the sheriff feared an attempt at lynching. PENNSYLVANIA LINES UP FOR DIRECT ELECTIONS HARRISBURG, Pa., April 2.—Pennsylvania today joined the ranks of the states that have ratified the proposed amendment to the federal constitution providing for the direct election of United States senators, making the thirty-fifth to fall in line. The joint resolution ratifying the proposed amendment which previously passed the house, was passed by the senate today unanimously. The vote of only one more state is needed to make the amendment effective. SUFFRAGISTS HOLD BIG ST. LOUIS MEETING ST. LOUIS, April 2.—Mrs. Catherine Waugh McCullach of Evanston, Ill., told the Mississippi Valley Suffrage conference here today that women who march in suffrage parades should not trust too implicitly in the civility of American men.

It is well she said, for girl marchers to have a chaperone.

Mrs. Frank A. Harrison and Mrs. Draper Smith of Omaha were speakers. Mrs. Draper Smith advised that women humo men by giving them positions on boards and committees of organizations controlled by women. The Persistent and Judicious Use of Newspaper Advertising is the Road to Business Success.

Why Have "Nerves"?

This is the reason why women have "nerves." When thoughts begin to grow cloudy and uncertain, impulses lag and the warnings of pain and distress are sent like flying messages throughout limbs and frame, straightway, nine times in ten, a woman will lay the cause of the trouble to some defect at the point where she first felt it. It is a headache, a backache, a sensation of irritability or twitching and uncontrolable nervousness, something must be wrong with the head or back, a woman naturally says, but all the time the real trouble very often centers in the womanly organs. In nine cases out of ten the seat of the difficulty is here, and a woman should take rational treatment for its cure. The local disorder and inflammation of the delicate special organs of the sex should be treated steadily and systematically. Dr. Pierce, during a long period of practice, found that a prescription made from medicinal extracts of native roots, without the use of alcohol, relieved over 90 per cent of such cases. After using this remedy for many years in his private practice he put it up in form of Dr. Pierce's Favorite Prescription, that would make it easily procurable, and it can be had at any store where medicines are handled.

Mrs. LILA B. HAWKINS, of Zeus, Va., writes: "I had been failing in health for two years—most of the time was not able to attend to my household duties. Female weakness was my trouble and I was getting very bad but, thanks to Doctor Pierce's medicine, I am well and strong again. I took only three bottles of 'Favorite Prescription,' and used the 'Lotion Tablets.' I have nothing but praise for Doctor Pierce's wonderful medicines."
