Money from Dance Goes to Charity—The Week-End Dancing club, an organization which holds regular dances on Chambers' floor, has decided to call off a dance which was to have been held next Saturday night and to donate the expenses to the tornado relief fund. A surplus in the treasury was to have been used in holding an extra entertainment.

Shimshaman Shows Improvement—Rudolph Zimmerman, known also as "Fucky McFarland," who was shot several months ago by Sylvester Conway, is greatly improved at St. Joseph's hospital and is able to receive friends. Soon after he was taken to the hospital symptoms of consumption showed up and his life was despaired of, but recently he took a decided turn for the better.

Meat Train Wrecked—An Omaha-Chicago meat train on the Great Western was wrecked five miles east of Oelwein, Ia., nine cars going into the ditch. No one was injured. The exhibit will be on the order of the naval exhibit which was one of the features of the carnival grounds during Ak-Sar-Ben week last year.

MAUDE ADAMS GIVES \$3,350

Actress, Charles-Frohman, Members of Company, Brandeis Theater.

RAISES HER FIRST DONATION

Adds Her Share of the Second Night to the Money Received on the Opening Night for the Relief Fund.

Maude Adams, Charles Frohman and the management of Brandeis theater have turned over to Treasurer Cowell \$3,350 as a contribution to the fund for the relief of the sufferers from the tornado. Manager Monaghan at first announced that Miss Adams and the Brandeis theater would give the entire receipts of the house for Monday night. This amounted to \$2,000. When the report was taken back to Miss Adams at the close of the performance Monday night she said: "No, we can do better than that, just hold it a while."

A collection was taken up among the members of the company and to this Miss Adams decided to add her share and Mr. Frohman's share of the receipts for Tuesday night.

These additions brought up the sum to the grand total of \$3,350.

Operation Might Have Saved Life of Little Ruth Drago

Objection on the part of the grandmother and friends of Ruth Drago to an operation while the latter was lying in the Wise Memorial hospital suffering from wounds, may have been the cause of her death. The grandmother, who is in Clarkson hospital and who is a Christian Scientist, objected to the use of the knife, a friend by the name of Mrs. Miller also objected, until after the child had been unconscious for five days, the doctors took the matter into their own hands and operated.

The operation, however, came too late, as the child was suffering from a fracture of the skull at the base of the brain, and ruptured arteries and blood vessels.

Dr. R. A. McDermott, who operated on the child, said he wanted to operate when the child was brought to the hospital, but did not owing to objections on the part of friends who accompanied the child to the hospital.

Dr. McDermott said the child lay unconscious from Sunday night until Friday night, and if he had been allowed to operate early in the week the child would have had a fighting chance to recover, but the grandmother, whose name Dr. McDermott did not know, kept sending messages prohibiting the operation.

Physician Gives Recipe for Gray Hair

A Well Known Physician and Author Gives Simple Home Recipe That Will Darken Gray Hair.

Dr. Stanton Burroughs, the well known physician and author, recently made the following statement: "Gray hair can be easily darkened by the following simple recipe which you can mix at home. To 7 oz. of water add a small box of Barbo Compound, 1 oz. bay rum and 1/4 oz. glycerine. Apply it to the hair every other day until the desired shade is obtained. It not only is an excellent hair darkener but at the same time removes dandruff and other ills of the scalp. I use it myself and have no hesitance in recommending it to my patients. These ingredients can be bought at any drug store at very little cost.—Advertisement."
