Thompson Belden & Co. HOWARD AND SIXTEENTH STREETS

BELIEVE LEVIES AT CAIRO WILL HOLD OUT

(Continued from Page One.)

Upon receiving the greater part of the day, it was carried out without accident. An all-night watch was established at naval headquarters here to watch for distress signals. Most of the 900 persons there are now encamped in the county building, including two companies of militia-men in command of Major Klieser of the Seventh regiment, Illinois National Guard. Soldiers were in charge of all the material at their command. There is not a great supply of sand sacks or lumber available there. It is said, but what is there is being put to the best possible purpose.

Women and Children Leave. All women and children have either left town or have been notified to do so. With facilities for rescue in sight it is not believed that loss of life would follow inundation of the buildings. Investigation in the poorer quarters of Cairo, inhabited principally by negroes, revealed that there are a great many more women and children than were believed to have remained in the city. Most of them have cabin homes, which are among the oldest in the city. The houses have been occupied by the negroes since slavery came to an end, and they are just beginning to realize that the city is in the greatest danger of destruction that it ever has been.

In many cases the families depend solely on the food from commissary headquarters. With the rising waters continuing they are sure the destruction of their homes is in sight and the conditions back of the town appeared pitifully weak. The same red light signal system is being worked today, the wire facilities being still out of commission into the town. Ensign Melvin, in charge of the dispatch boat service between Cairo and Mound City, Ill., reported that the levee was still holding at the latter place, but that the Ohio river waters had backed into Cache river to an alarming height.

Great Ice Near Evansville. WASHINGTON, Ky., April 3.—Here is today's flood bulletin: "The Ohio river at Cincinnati has fallen one and one-half feet in the last twenty-four hours, this being 68 feet, 18 feet above flood stage. "The crest of the lower Ohio flood is evidently in the neighborhood of Evansville, where the river at 7 o'clock Thursday morning was 61.8 feet, 11.8 feet above flood stage. The rise in the river at Cairo since Wednesday night was but 1 foot, the stage Thursday morning being 64.5 feet, 14.5 feet above the flood stage. The Mississippi river from Cairo to New Orleans is slowly rising, but has not yet reached a forty-foot stage at Memphis. "The tributaries of the lower Ohio are all falling."

River Falling at Louisville. LOUISVILLE, Ky., April 3.—With the waters of the Ohio receding here and no further damage expected save the possible collapse of buildings, weakened by the flood, Louisville was prepared today to give more attention to questions of sanitation and relief. The city health department has ultimatumed it would require that flooded homes be thoroughly cleaned and dried out before owners are permitted to move in again. Lower river points today were busy with preventive and relief work in preparation of the crest of the flood now nearly upon them. Strengthening of the levee continued at Hickman. Paducah faced a critical situation, with water one to four feet deep and still rising rapidly.

CHICAGO EXTENDS CREDIT. Business Men in Flooded District Will Be Aided by Jobbers. CHICAGO, April 3.—An extension of credit and easy terms was offered today by Chicago merchants and manufacturers to Indiana and Ohio sufferers from the floods. A new method of carrying relief to the suffering sections was announced at a meeting of representatives of large commercial interests here in the headquarters of the Chicago Association of Commerce. The resolution offering help is as follows: "Resolved, That the merchants and manufacturers of Chicago, as a market, should extend such terms as conditions make necessary for the liquidation of present indebtedness and when business shall be resumed, offer their stocks of merchandise on such liberal terms as may enable the merchant to re-establish himself in his community."

Major E. B. Ray of the quartermaster's department today shipped ten carloads of army rations provided by the government to Dayton, O. Sixteen additional cars will be sent tomorrow.

News Notes of Dealer. DESHLER, Neb., April 3.—(Special.)—At the village election August Poppe, Robert Lerman and J. R. Hoffman were elected trustees for two years and Clamor Lange trustee for one year. "John Lotterle, who recently sold the Ruskin News, has purchased the Poppe feed store and will move his family to Deshler. Mr. and Mrs. Poppe expect to leave in a short time for an extended visit at the old home in Germany. "The Deshler fire department will give its annual benefit ball April 14.

Not only are Cuticura Soap and Ointment most reliable in the treatment of eczema and other distressing eruptions of skin and scalp, but no other medicine do so much for pimples, blackheads, red, rough skin, itching, scaly scalp, dandruff, dry, thin and falling hair, chapped hands and chaps on the face, nor do so successfully. A single tube of Cuticura Soap, Ointment and box of Cuticura Ointment (50c) will cure eczema when all else has failed. Sold throughout the world. Liberal sample of each mailed free. Write Dept. Skin Book. Address postpaid: Cuticura Dept., 7, Boston.

YEISER NOT DRAWING MUCH

Colonel Has Claim for Advisory Board Service Wiped Out.

MULLEN'S CLAIM CUT IN HALF

House Goes This Far and Senate Goes Further in Application for Fees—Brain Gets No Cash for Rest of Team.

(From a Staff Correspondent.) LINCOLN, April 3.—(Special.)—If the legislature follows out the instructions of the senate claims committee, the claim of John G. Yeiser for \$2,490 for twelve-month service on the advisory board of pardons will not be allowed. The sum is a deficiency claim for service from January 1, 1912 to January 1, 1913. The house claims committee did not want to be too hard on Colonel Yeiser and so only obliterated the figure "4" out of the claim. The senate committee, not to be outdone by the house committee, followed its lead and struck out the figure "2" from the amount list. This leaves John with a couple of naughts standing for his services.

The claim of Arthur Mullen against the state for services rendered in the Reagan case in 1910, when he appeared at the request of Governor Shallenberger at the time he was holding the office of state oil inspector, was cut down to \$250. The claim was for \$500. The senate committee yesterday lopped off another \$250, which leaves the claim just \$250. A claim of L. G. Brain, who rented a team of horses to the state at the time Tom Smith was warden of the penitentiary to be used on a wagon of the steward at the penitentiary, for the sum of \$215, was rejected by the committee entirely.

Notes from Beatrice and Gage County

BEATRICE, Neb., April 3.—(Special.)—The home of William Dettlor was partially destroyed by fire in west Beatrice last night. The fire was evidently of incendiary origin, as coal oil was found sprinkled on the carpets when the fire was discovered. The family was away from home when the alarm was turned in.

Steinar, in Pawnee county, voted bonds for an electric light plant Tuesday. W. F. Huff, F. A. Kehmeier and J. C. McClung were elected village trustees. The town will remain wet the coming year.

The total sum of \$1,353.70 was sent to Omaha today by Mayor Mayer for the storm sufferers. The money was raised by popular subscription in this city.

John Pethoud, a pioneer resident of Gage county, died last evening at the home of his cousin, F. M. Pethoud, aged 87 years. Yellow jaundice was the cause of death. He leaves no family except his widow.

Wymore and Beatrice will debate here Friday evening on the commission form of government.

Word was received here yesterday from Cheyenne, Wyo., announcing the death of W. H. Bryant, a former resident of this county. Mr. Bryant was 67 years of age and leaves a widow and three children.

GOVERNOR APPOINTS MARKET DELEGATES

(From a Staff Correspondent.) LINCOLN, Neb., April 3.—(Special.)—Governor Morehead has appointed fifty-one delegates to the Chicago Marketing congress to be held in Chicago April 8, 9 and 10. They are as follows:

- C. Y. Thompson, West Point; H. J. Quay, Miller; J. E. Tamm, Lincoln; W. L. Delano, Lincoln; O. P. Dornbasser, Brunswick; J. R. Huffman, Auburn; J. A. Miller, F. W. Hoffman, Blair; R. Draper, Dawson; W. F. Dodge, Columbus; A. B. Fraze, Howells; W. E. Flory, Carleton; D. W. Geary, DeWitt; John H. Henderson, Lindsay; F. E. Linton, Hooper; Dr. G. E. Condra, Lincoln; E. M. Pollard, W. A. G. A. Marshall, Arlington.

PHONE BILL TO GOVERNOR

(Continued from Page One.)

Howell's agents down here are checking members so he will know whom to reach. It is a fact, however, that regardless of this winter's campaign he is still forty to fifty members shy of knowing how the house stands on his bill. When he finds out he will have Norton of Polk or Mike Lee move to raise the bill over the heads of the sifting committee. Then will come the firework.

Hard-working members consider the house has devoted enough time to this personal measure and it will require a lot of persuasion to convince the house this bill is of any importance when there are hundreds of state bills that will never see the light of day. Time is entirely too short.

WAREHOUSE BILL IS KILLED

Senate Indefinitely Postpones Measure Looking to This End.

(From a Staff Correspondent.) LINCOLN, April 3.—(Special.)—When the senate met this morning it immediately went into committee of the whole for the further consideration of senate file 26 by Macfarland, the public warehouse measure.

On the motion of Cox for indefinite postponement the bill was killed by the following vote:

For postponement: Brookley, Cox, Green, Hearty, Hummel, Kiechel, Klein, Kohl, Marshall, Placek, Robertson, Saunders, Shumway, Smith and Sparks—13. Against postponement: Bartling, Bushe, Dodge, Grossman, Hoagland of Lancaster, Hoagland of Lincoln, Krumback, Macfarland, Ollis, Talcott, West and Vols—1.

JUDGES WILL GET SALARIES

State Auditor Gets Opinion on Payment of Officials.

(From a Staff Correspondent.) LINCOLN, April 3.—(Special.)—State Auditor Howard, a few days ago submitted to the attorney general his advice a proposition whether he could draw warrants for the payment of the salaries of district judges after the appropriation made for the payment of salaries was exhausted.

Before the reapportionment of judicial districts made by the last legislature there had been twenty-eight district judges. The new apportionment added another judge to the number, but the appropriation made did not cover an amount sufficient to pay salaries for the whole number for the full biennium.

The attorney general says that, inasmuch as the office of district judge is a constitutional office, warrants must be drawn for payment of salaries for the entire year.

WANT MEMORIAL ARMORY

Nebraska City Citizens Call on Governor in Its Interest.

(From a Staff Correspondent.) LINCOLN, April 3.—(Special.)—A delegation of citizens from Nebraska City called on the governor today in the interests of the bill recommended for passage of the house appropriating \$20,000 for a memorial armory at Nebraska City.

It is proposed, if the bill becomes a law, to erect the armory on the site of old Fort Kearney, where the first block fort was built in the state and will be used as state property in connection with its use as an armory by the Nebraska City company of the National Guard.

FOUR WOMEN ON VILLAGE BOARD OF STOCKVILLE

STOCKVILLE, Neb., April 3.—(Special.)—At the Stockville village election the officers were seeking not the men, but the women. Four trustees were elected as follows: For two years, Mrs. H. D. Cameron, Mrs. L. H. Cheney, Mrs. G. R. Falden; trustee for one year to fill vacancy, Mrs. Sarah Van Pelt.

Notes from Falls City. FALLS CITY, Neb., April 3.—(Special.)—The recent election shows by the vote cast that Falls City has a population about 6,229. The population of each of the three wards is about the same.

The work on the sewer and paving is moving along rapidly. A number of new residences are under construction in this city.

The Christian church closed a very successful revival. Sixty-eight were baptist and taken into the church. The infant son of Mr. and Mrs. Milton Strauss died yesterday morning. Interment in Steele cemetery.

TO HAVE NO SPECIAL AGENTS

Iowa Senate Fails to Pass Legal Departments Bill.

ENFORCEMENT OF TEMPERANCE

Pass Bill Reorganizing Fish and Game Department and Increase Game Warden's Salary and Allow Four Deputies.

(From a Staff Correspondent.) DES MOINES, Ia., April 3.—(Special Telegram.)—The senate today failed to pass a bill which had passed the house authorizing the attorney general to employ special agents to assist the legal department of the state in the securing of evidence relating to the violation of the anti-trust and other laws of the state, also to employ detectives for work on large cases which local authorities cannot handle. The defeat was because of fear that the power might be used to enforce the temperance laws of the state.

The senate passed a bill reorganizing the fish and game department, increasing the salary of the state game warden and providing four district deputies, who shall maintain offices in different parts of the state. It became known tonight that a movement is on foot among the members of the legislature to take a recess until some date late in the fall, and to then finish up some of the work that cannot be completed at this time, especially in the matter of measures for economy. The session would be attended by members without any additional pay.

Anti-License in Nelson. NELSON, Neb., April 3.—(Special.)—The anti-license, or nonlicense of the regularly called caucus, were elected by a vote of 113 to 63, at the election here Tuesday. The question of "wet or dry," however, was not an issue, as this matter seems long ago to have been definitely settled here. The second ticket was placed in nomination by a few insurgents who had failed to attend the regular caucus, and expressed displeasure at the ticket nominated. The ticket as elected follows: Mayor, I. J. Wahrman; councilman, First ward, Arthur Ely; councilman, Second ward, A. C. Christensen; city clerk, W. A. McHenry; city treasurer, I. G. Foster.

The Gold Dust Twins' Philosophy

WE were amused to hear the praise a grocer paid to Gold Dust ways. Of all the many cleaning "stunts," he picked the Gold Dust Twins at once. "I find," he chuckled, "that they do the work of many more than TWO."

At House-Cleaning Time

"My customers are mostly wives, who have to bargain all their lives; each penny of the household fund, is counted, and the wasteful shunned. For instance, take the cleaning game: Not all the cleansers work the same. Some seem to merely rub for naught, and some give out, no sooner bought.

"With Gold Dust, all my people state, the work of cleaning house goes great. It does so many clever tasks; it does, in fact, whatever asked. From kitchen, through and through, to hall; upstairs and down, the porch and all. Wherever dust and dirt collect, it has a marvelous effect.

"A 'Home, Sweet Home' is one, I say, wherein the Gold Dust shows play. Their work is fun to them. They start at dawn, with some magician's art and with the sinking of the sun the last mean job of work is done.

"Oh yes, I like to recommend, a product that will prove a friend. Each Gold Dust customer declares that glass and cutlery and stairs, and floors and dishes and the rest are cleaned by using it—the best. If dirt be numbered with your sins, my preachment is

The Gold Dust Twins
