Many Democratic Women Not Invited to Meet Mrs. Wilson

WASHINGTON, April 5.—Society women of Washington to the number of 250 today welcomed the wives of President Wilson, Vice President Marshall and the members of the Wilson cabinet at a formal breakfast. The elimination of wine from the menu was the result of a campaign which caused feeling to run high. Members of the Women's Christian Temperance union who occupied one of the tables at the affair, were active in the campaign.

While 250 women were satisfied because they were invited to the breakfast, at least that many more not invited are today in a rather disturbed frame of mind. As originally planned the breakfast was to have been exclusively for democratic women. The plan was changed, however, and as a result scores of women whose husbands are in the councils of President Wilson's party were left off the list, as the accommodations were limited.

Another innovation was the total absence of speeches. Not even an address of welcome to Mrs. Wilson graced the

program. Instead an illustrated lecture on White House furniture by Mrs. Abbie Quinn Baker followed the breakfast.

Mrs. Champ Clark, wife of the speaker of the house, who was invited, did not attend because of a previous engagement. Her nonappearance caused considerable comment. Mrs. Wilson, Mrs. Marshall, Mrs. Bryan and the other wives of cabinet members were present.

Part of Donation Made by Elks' Lodge Has Reached Omaha

At a meeting of the grand officers and board of governors of the Benevolent and Protective Order of Elks, held at the Congress hotel in Chicago this week, \$25,000 was appropriated for the relief of the sufferers of the Omaha tornado and the flood victims of Ohio, Indiana and Illinois. The portion allotted to the Omaha lodge has been received, but an account of rules and regulations the amount is not to be disclosed for publicity. Its disposal is left to the discretion of the officers. As another result of the Chicago meeting two carloads of potatoes, apples and canned goods will be shipped under the direction of the order from Salt Lake City.

It's Easy to Peel Off All Your Freckles

(From American Home.)

The contrast between the freckles and the clear skin usually is so great that no bleach can be more than partially successful in obliterating the disfigurements. Ordinary mercurized wax is far better; it literally peels off the freckles. Get an ounce of it at the nearest drug store and tonight spread on enough to completely cover your face; remove in the morning with warm water. Repeat daily until every freckle has disappeared.

Tough, blotchy, pimply skin, also common at this season, may be entirely gotten rid of by the same method, without discomfort or inconvenience. The effort is decidedly worth while, the new complexion obtained being so clear, smooth and youthful.

If bothered with wrinkles, after washing off the mercurized wax, bathe the face in a lotion made by dissolving an ounce of powdered salicylic acid in a half pint of which base. This is the most effective and quickest-acting wrinkle treatment known.—Advertisement.
