

MOUNTAIN AIR AND SUNSHINE

Both, Have Their Equivalent. In Every Treatment of Electro-Oxygen.

MANY CALL FOR TREATMENT

Since the Offices Have Been Opened in the National Fidelity and Casualty Bldg., Cor. 12th and Farnam Sts., There Has Been a Passing Throng.

I was very gratified yesterday to see the vast number of callers on our open...

While I was gratified I cannot say that I was surprised in every city where we maintain an institution people flock to us...

People have recognized the great benefits to be derived from Electricity and Oxygen in almost every manner of disease...

Its action on the nerves is just like that of a gentle rain shower on a drooping and parched plant.

This marvelous new discovery is recognized by physicians everywhere and strange to say has its best effect upon those old chronic cases of diseases which have resisted all other method of treatment.

One hundred cases will be received again tomorrow and treated free of charge to demonstrate the remarkable and quick relief which is accomplished in every treatment; the hours are from 9-12, 2-4, 7-8, Sundays 11 to 12 only.

Today's Beauty Recipes By Mme. D'Amille.

The electric needles for the removal of superfluous hair is both painful and expensive. A quick, safe and sure way to remove wild hairs is to apply a little powdered salicylic acid mixed with water. Just cover the hairs with this paste for a minute or two, wipe off, wash the skin and the hairs will be gone.

"Spring colds are often more stubborn than colds brought on by winter exposure. Mother's Salve will break up an ordinary cold in half an hour. If it is easy to use, quick to act, and relieves catarrh, croup, sore throat.

The Vaseline home treatment is so successful in developing the bust because it accelerates the blood circulation, and builds up the underlying tissue. Make a syrup with its capsule of sugar and a pint of hot water. Dissolve an ounce of gallol in this syrup and take two teaspoonfuls before meals.

To keep the skin fair, fresh and smooth, apply in the morning a lotion made by dissolving an original package of mayonaise in a half pint of witch hazel. It will not rub off or show like powder and prevents the growth of hair. Mayonaise quickly corrects dark, sallow and blotchy complexions.

You can recommend Mother's Shampoo to your husband and he will thank you for it. Many men who shave with safety razors frequently enough Dandruff, falling hair and baldness are caused by a parasite, and Mother's Shampoo removes the parasites. It restores, try, brittle and faded hair to a glossy, fluffy condition, and keeps the scalp healthy.

To darken eyebrows and make them grow longer and more evenly, apply plain pyroxin with the finger tips. Pyroxin applied to the hair roots restores them long and lovely. It does not coarsen but makes them soft and silky.—Advertisement.

COURED TERRIBLE HUMOR ON FACE

Could Not Go On Street Without Veil. Tells What Resinol Did For Her. Philadelphia, Dec. 9, 1912.—"In December, 1906, my face became sore. I tried everything that was recommended, and my face got worse instead of better. I spent over \$100 and got no benefit. The face and nose were very red and the eruption had the appearance of small boils, which itched me terribly. I cannot tell you how terrible my face looked—all I can say is, it was dreadful, and I suffered beyond description.

I have not been on the street any time since 1908 without a veil, until now. Just four months ago a friend persuaded me to give Resinol a trial. I have used three cakes of Resinol Soap and less than a jar of Resinol Ointment, and my face is perfectly free from any eruption, and my skin is as clear and clean as any child's. It is about four weeks since the last pimple disappeared." (Signed) Mrs. M. J. Bateman, 4366 Viola St.

Nothing we can say of Resinol equals what others, such as Mrs. Bateman, say of it. If you are suffering from itching, burning skin troubles, pimples, blisters, dandruff, ulcers, boils, stubborn sores, or piles, it will cost you nothing to try Resinol Ointment and Resinol Soap. Just send to Dept. 17-T, Resinol, Baltimore, Md., for a free sample of each. Every druggist sells Resinol.—Advertisement.
