

OPENING ATTRACTS MANY

Announcement Brings Forth Thousands of Inquiries.

ALL LAND IS OF GOOD VALUE

Great Interest Attached to Announcement of Government that 2,500 Farms Will Be Opened for Settlement.

The plan of the government to throw open for settlement 2,500 farms in McPherson and Hooker counties, a part of the North Platte river forest preserve, is attracting more attention than any public land proposition that has come up since the Homestead country went on the market several years ago.

The Burlington runs right through the heart of the section of country that is to be restored to the public domain some time during the coming fall and as a result the land department of the commission is receiving hundreds of letters daily asking as to the character of the land and when and where selections may be made.

MAX GREGORY, CREIGHTON STUDENT, DIES SUDDENLY

Max Gregory, an Armenian student in the second year of law at Creighton, died suddenly Wednesday from a structure of a blood vessel, superinduced by heart failure.

Gregory's name before coming to this country two years ago was Krikorian, and he was a graduate of St. Paul's college, Taurus, Turkey. Together with his father, who was a judge there, he left Armenia about the time that the Turks began their persecutions, and since then he has been in Omaha.

Gregory's father, S. Krikorian, who left several weeks ago for Armenia, two brothers survive him—Vincent Gregory, employed at the Union Pacific shops, and K. K. Gregory, an importer in New York City.

YOUNG MEN ARE FINED FOR INSULTING WOMEN

Ten young men, arrested by Officer Phipps at Twenty-fourth and Leavenworth streets Wednesday night, were scored severely by Judge Foster in police court for their practice of loitering around the intersection of the Cross-town and Leavenworth lines and insulting women and young girls who happen to pass.

A. L. Bradley, Frank Madigan, Leo Agnew and Fry Compton, the most flagrant of the offenders, were each fined \$5 and costs. Chester Clark was let out on bond and failed to make his appearance in court. Frank Gorman, Wyman McHale, John Sampson and Francis Walsh were dismissed.

FACE WOULD BURN AND ITCH

Little Pimples Like White Specks. Then Festered. Face One Mass of Sores. Could Get No Relief. Used Cuticura Soap and Ointment. In 2 Weeks Pimples Gone.

469 Division St., Blue Island, Ill.—"I first noticed little pimples like white specks breaking out on my face. Then they festered. The moment I scratched them they made a sore and my face was one mass of sores which caused disfigurement. My face became marked and there were holes where the pimples had been. I would wake up in the night and my face would be burning and itching and I could not see. I tried many kinds of salve and different things but all to no relief. After I took to Cuticura Soap and Ointment in about three days I found I could sleep nights and that the pimples were fast disappearing. Two weeks later I noticed that they were gone. Cuticura Soap and Ointment effected permanent relief." (Signed) George Warner, June 21, 1912.

For red, rough, chapped and bleeding hands, itching, burning sores, and painful finger-ends with stagnant nails, a one-eighth Cuticura treatment works wonders. Soak hands on rising, in hot water and Cuticura soap. Dry, and rub with Cuticura Ointment and wear soft bandages or old, loose gloves during the night. Cuticura Soap (25c.) and Ointment (50c.) are sold by druggists and dealers throughout the world. Sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

887-Trouser-faces with Cuticura Ointment. Soap Shaving Stick, 25c. Sample free.

Oy-yoy-yoy-voll! Hearts and flowers! Sack cloth and ashes! Already suffering from financial paralysis, the horns of many goats passers who arrive in the sporting editor's office along with straw hats and base ball gloves are doomed to another jolt.
