BACKACHE IS A DANGER SIGNAL

Kidney Troubles, Bladder Disorders, Rheumatism, and Serious Diseases Follow.

There are other symptoms, such as pains in the region of the kidneys, nervousness, dizziness, tired and wornout feeling, weak bladder, or urinary troubles, which are just as dangerous, for the slightest kidney derangement if neglected may develop into the deadly Bright's Disease, Dropsy, or Diabetes. It is not only dangerous, but needless. for you to suffer, and endure the tortures of these troubles, for the new dis-

covery, Croxone, promptly ends all such There is no more effective remedy known for kidney, bladder trouble, and

rheumatism, than this new scientific preparation, because it removes the cause. It soaks right into the kidneys, through the walls and linings, cleans out the clogged up pores, neutralizes and dissolves the poisonous uric acid and waste matter, that lodge in the joints and muscles and cause those terrible rheumatic pains, and makes the kidneys filter the poison from the blood and drives it out
