BETTER THAN MEDICINE. Breathe Hyomei and Be Rid of Catarrh—Clears Stopped-up Head.

Nature has a remedy for catarrh and troubles of the breathing organs, a treatment that is far better than dosing the stomach with medicine.

It is the healing oils and balsams of Hyomei, reaching the most remote air cells in the nose, throat and lungs, killing the catarrhal germs, and restoring health to the mucous membrane.

In using Hyomei you are treating your catarrhal troubles with the natural remedy, for it gives a curative air bath to the air passages. It has a powerful leavening and antiseptic effect similar to the air in the mountains, where the forests give off the fragrant and healing balsams.

Hyomei has benefited so many sufferers of the worst cases of catarrh, with offensive breath, raisings of mucus, frequent sneezing, droppings in the throat and spasmodic coughing that it is sold under an absolute guarantee to refund the money if it does not do all that is claimed for it. If the treatment does not help you, there will not be a penny's expense, while if it cures the cost is nominal. A complete Hyomei Outfit sells for only \$1.00. Extra bottles of liquid if later needed 50 cents. Druggists everywhere.—Advertisement.

Voters' Legislative League Organized

(From a Staff Correspondent.) LINCOLN, April 17.—(Special.)—The Voters' Legislative League of Nebraska, was organized at a lunch at the Lindell hotel this noon, by the election of officers and the adoption of a declaration of principles.

About fifty members of the legislature and others were present and helped form the league. Ostensibly the organization is for the good of the public, but there are some who believe it is for the mutual protection of senators and representatives from the wrath of their constituents, whom they have so grievously betrayed.

The following executive committee was elected: First District—G. W. Potts and A. W. Richardson. Second District—N. P. Dodge and R. B. Howell.

At Large—W. L. Locke, Prof. Aylesworth and A. L. Weatherly. The object of the league is set out in the following declaration of principles: "The name of this organization shall be 'The Voters' Legislative League of Nebraska.'"

The purpose of this league shall be to propose laws and constitutional amendments and work for their enactment either by the legislature or by the people through the initiative; to secure the reelection through the referendum, of laws opposed to the public good, and to assist in any activity designed to promote the public welfare.

The governing body of this league shall be an executive council of fifteen members, two from each congressional district and three at large, who shall have power to carry out the purposes of the league. There shall also be an advisory council of at least one member from each county to assist the executive council in carrying on the work of the league in their respective counties.

The league invites the affiliation and active cooperation of all persons and organizations in sympathy with its aims.

The dead man was a well-to-do farmer and had just moved to a fine farm this spring which his father had purchased last summer here. He had returned from a year's stay in California, having formerly resided at York, Neb. He leaves a widow and little daughter. An inquest will be held.

Greenwood of Wymore in order that the amount of the inheritance tax due from the state may be collected. The petition sets forth that Horace A. Greenwood died on or about November 19, 1908, and he decided to return from a year's stay in California, for the purpose of evading the assessment of the inheritance tax, and that the deeds were not filed until after his death. Mr. Greenwood was a large landowner and also owned much property in Wymore.

M'CARTY IS GIVEN DECISION

Claimant to Heavyweight Title Shows Class from Start.

FLYNN FORCED INTO GLINCHES

During Last Stages of Bout Fireman Keeps Body Protected and Stood Through Six Rounds.

PHILADELPHIA, April 17.—Luther McCarty, claimant of the white heavyweight championship, was awarded the popular decision by a wide margin at the end of a fast six-round bout with Jim Flynn of Colorado at the Olympia Athletic club last night.

Although he appeared to be outclassed from the start, Flynn fought gamely throughout the entire six rounds. With both gloves protecting his jaw and his body crouched in such a manner as to prevent McCarty from reaching a vital part, the Pueblo fireman rushed into clinch after clinch and succeeded in landing many blows at close quarters.

At the end of the first round Flynn's nose was bleeding. In the second round his mouth was cut, and before the close of the bout, one eye was nearly closed.

Rush from Start. After shaking hands in the first round both men rushed to a clinch. After they had been separated by the referee McCarty jolted Flynn with two rights to the jaw, while the latter sent three short jabs to McCarty's face.

The bouts which preceded the windup were closely contested. Young Al Kauffman, McCarty's sparring partner, knocked out Al Benedict of New York in the second round.

Joe Jeannette won from George Cotton in the fourth round. Frank Moran of Pittsburgh, who is McCarty's next opponent, was given a hard fight by "Bull" White of New York, but seemed to have the popular verdict at the end of the six rounds.

Cobb Replies to Navin's Ultimatum

AUGUSTA, Ga., April 16.—Mr. Navin's opening statement in which he says discipline and not money is the important question at issue between us, is enough to queer his whole vicious attack upon me.

Outfielder Tyrus Cobb made this declaration tonight in reply to a statement by the president of the Detroit American league team today. In a written statement Cobb terms as "final" his answer regarding his differences with the Detroit club. The statement in part follows:

"It seems that Navin has shifted around in his position. For several weeks it has been a matter of money—not being able to pay what I ask. All that Navin has offered me is a contract calling for the same amount I received last year. He certainly has made me no other offers. In this connection I wish to deny the statement that I am the best paid ball player in the world."

In regard to his failure to report for spring practice, Cobb says: "Navin told me not to report for spring practice, as I was a holdout. Had I reported I would have been required to pay all my expenses on the training trip."

THOMPSON HAS OPTION ON THE HAWTHORNE TRACY

CHICAGO, April 17.—John R. Thompson, prominent as a republican politician and business man, yesterday obtained an option on the Hawthorne race track, just outside of Chicago's limits.

The property during the racing days was controlled by Ed Corrigan and Richard Fitzgerald, but a year ago it passed into the hands of Thomas Carey.

The transaction is given added significance from the fact that simultaneous with it a bill for a state racing commission was introduced in the legislature at Springfield. Mr. Thompson has shown in the past greater interest in harness horses than the running end of the sport, but should the Springfield bill pass, the chances are said to be more in favor of running races at the historic track.
