Cobb Dispute May Result in Big Probe

WASHINGTON, April 20.-The controversy between "Ty" Cobb and the Detroit over the signing of Cobb's agreement for this season may result in an investigation by congress to ascertain whether the system of players' contracts of the base ball leagues violate the Sherman anti-trust law or the law against peonage.

Representative Hardwick of Georgia, representing in congress the district in which Cobb lives, stated tonight he was working on a resolution for such an investigation and would introduce it in the house next week.
