

Nebraska
MANY AUTOS REGISTERED
 More Fees Paid Than in Any One Day Before.
STATE WARRANTS ARE ISSUED

Auditor's Office Kept Busy Handling Out Payment Under Appropriations from the Recent Legislature.

From a Staff Correspondent.
LINCOLN, April 22.—(Special.)—In the office of the secretary of state 84 automobiles have been registered since April 1. One hundred and twenty-eight of these came in yesterday, which beats the record heretofore made in the line of auto registration.

Auditor W. B. Howard left this morning for Des Moines, Ia., where he will attend to some insurance matters for the state. Miss Ruby Corson, who was awarded \$2,000 by the legislature for the loss of one hand in a laundry machine at the Grand Island Soldiers' home, called at the auditor's office this morning for her warrant.

"While it was plain," said Deputy Minor, "that her hand was gone, yet the law plainly states that in cases of this kind a certificate from the physician must accompany a claim showing that the injury was permanent, and we had to deny her the warrant until that part of the law was complied with."

P. F. Doty, who was awarded \$5,000 by the legislature for injuries received during the prison outbreak last winter, called at the office of the auditor a few days ago and received the warrant.

H. W. Roberts, assistant state engineer, will leave for Montpelier, Ida., Monday, where he will be identified with the Utah Power and Light company. He will receive a much better salary than the state is paying him and it is said considerable better than that head engineer of Nebraska now gets.

State Engineer D. D. Price went to Arlington today to inspect the state aid bridge at that place, which has just been completed. The bridge is a one span affair 180 feet long and floored with wood blocks, the first bridge of its kind in the state. The contract price for its erection was \$12,900.

Employees in the state auditor's office are busy getting out the warrants for the payment of the employees of the legislature and other expenses made available by the passage of the last appropriation bill. The governor had not signed the bill today, but assured the auditor that he could get the warrants ready as the bill would be signed tomorrow.

A hearing was had before Governor Morehead this morning on the loan shark bill passed by the last legislature. Simon, its introducer, and Representative Trumble appeared in behalf of having the governor sign the measure, while Leonard Flansburg and another Lincoln party man are in the loan business appeared against the bill. The governor did not signify his intention as to what he would do.

Prof. R. C. King, inspector of rural schools, went to Hansen, in Adams county, this morning, where he will speak this evening on the subject of rural schools.

State Printer Ludt is sending out notices for bids for state printing, which includes 1,000 copies each of the senate and house journals. Bids must be in by noon, April 23.

Life-long Bondage.

Avoid Typhoid
 Strengthen the System to Resist and Overcome this Dread Disease by Using Duffy's Pure Malt Whiskey.

Typhoid in nearly every case has been traced to impure water. Quite often people think because to the naked eye the water seems clear that it is all right, when if they either knew its source or looked at it through a magnifying glass they would see that it contained thousands of microbes.

When you are worn out and run down the typhoid germs more easily obtain a foothold on the body. Guard against this by using Duffy's Pure Malt Whiskey in your drinking water as directed. It will strengthen the system so that it will ward off the attack of the disease. It aids in destroying the germs. It also stimulates circulation and gives vigor to the whole body. As a tonic and stimulant when convalescing after fever it is one of the greatest strength-givers known to science. It aids in destroying disease germs and through its building properties restores tissues in a healthy, natural manner.

Tonic After Typhoid.
 Mrs. Evelyn B. Bernard, Station R, Kingdon, Neb., writes: "I regard Duffy's Pure Malt Whiskey as a life-saver for me. I had been down nine weeks in the City's Hospital with the terrible typhoid fever. When I was discharged of course I was very weak and could hardly stand on my feet. I had read so much of your medicine and its cures that I tried it. In two weeks I was able to walk half a mile without tiring, and I can truly say it saved me from a relapse. I still keep it in the house, as it is the only good medicine to have around as a preventive in any kind of sickness."

Duffy's Pure Malt Whiskey is a wonderful remedy in the treatment and prevention of pneumonia, grip, bronchitis, coughs, colds, low fevers and all wasting, weakening diseased conditions due to cold and exposure, if taken as directed.

Sold by druggists, grocers and dealers, or direct, \$1.00 per bottle. Write our doctor for free medical advice and free medical booklet. The Duffy Pure Malt Whiskey Co., Rochester, N. Y.

Aged Man Drowned While Trying to Put Out Fire in Clothes

WILBER, Neb., April 22.—(Special.)—Abel Cox, who lived five and one-half miles south of town, lost his life yesterday afternoon by his clothing catching fire while he was burning cornstalks in the field. When he could not extinguish the fire in his clothing he ran into Turkey creek, a small stream, and jumped into it and drowned. He was 57 years old and was one of the first settlers in this part of the state. Even before he settled on the land where he now lives and that he homesteaded in the early sixties, he was a trapper along the streams, and in the early days had many a brush with the Indians. Up till the time of his death he was strong and hardy, and was never sick. He leaves several grown up children. The funeral will probably be held Wednesday.

RAILROAD COMMISSION FIXES DATES FOR HEARINGS

(From a Staff Correspondent.)
LINCOLN, Neb., April 22.—(Special.)—The state railway commission will hold a hearing at Gering May 1 on the application of the people of Nebraska for a station and agent on the Burlington. On the following day it will hear the application of the people of Gering for the removal of the Union Pacific depot closer to the town. The petition states that the road built its depot a long distance from the business portion of the city and they desire a location where it will not work a hardship upon the business interests.

On account of these hearings, the hearing which has been set in the Falls City union depot matter for May 1, has been postponed to May 8.

FARM INTERESTS SEND MESSAGES TO GOVERNOR

(From a Staff Correspondent.)
LINCOLN, Neb., April 22.—(Special.)—Governor Morehead received this morning a telegram from the Twentieth Century Farmer urging him to approve the appropriation for a dairy building for the state agricultural farm. It is understood that he agricultural interests of the state are very much in favor of the appropriation and will urge the governor to sign the same, notwithstanding it was given out when the bill was up that the governor would veto it. The governor, however, denies that he has given any advance dope on his action in the matter.

FREITAG WINS PRIZE AT DESHLER HORSE SHOW

DESHLER, Neb., April 22.—(Special.)—William Freitag of Byron won the first prize at the Ernst & Son horse show at Deshler Saturday, a Shorthorn bull valued at \$100, offered for the best span of grade mares. Nine teams were shown. H. J. Gramlich of the best span of grade mares, at an average of \$75. A bull calf topped the offering at \$150. A 2-year-old Pechen stallion was sold to Henry Schliefer of this place for \$750.

CUTS OFF END OF NOSE WITH SAFETY RAZOR

NORFOLK, Neb., April 22.—(Special.)—Frank Tracy, assistant in the office of the city engineer, accidentally cut the tip of his nose off while shaving Saturday morning. Tracy was using a double-edged safety razor and just as he pulled the blade back to clean his upper lip of a threatening moustache, he felt the sharp blade strike his nose. Profuse bleeding followed and he found that he had cut a piece of flesh from the end of his nose.

Serious Accident at Sutton.
SUTTON, Neb., April 22.—(Special.)—A very serious accident occurred at the farmer's elevator late Monday afternoon. Earnest Case, living with his mother south of town, was driving up to the dump to unload wheat. The dump had been left unlocked and by some means the team, wagon and Mr. Case all went down. Mr. Case was taken out and at the present it is not known how badly he is hurt except one leg is broken. The lower part of his limb was amputated several years ago as a result of an accident. Mr. Case was taken to his home in an automobile accompanied by his physician.

Burglars Make Heist at Wilber.
WILBER, Neb., April 22.—(Special.)—The saloon of Henry Pospisil, the pool hall and cigar store of Magnusson & Shesak and the saloon of Frank Volokak were each entered by burglars Sunday night. In the saloons the cash registers were tapped and in the cigar store the cash was taken beside about 300 cigars. Bloodhounds were called from Beatrice Monday. The trail in each instance was followed from one place to the other, then to the railroad tracks where the trail was lost. It is presumed that the offenders took the early morning freight out of town.

Aged Woman Seriously Hurt.
HUMBOLDT, Neb., April 22.—(Special.)—A serious and probably fatal accident befell Mrs. Mary Sargent, aged 72 years, Sunday night. She spent the day in town with her daughter and about 9 o'clock she started for her home four miles north of town with a one-horse rig. On nearing the bottom of a steep hill two miles out, one side of the shaft dropped down and the horse started to run away, throwing her to the ground. Mrs. Sargent sustained a broken shoulder, three broken ribs and internal injuries. Her condition is serious.

Madison Man Hurt in Auto Upset.
MADISON, Neb., April 22.—(Special.)—Charles Altchuler narrowly escaped with his life last evening about 9 o'clock when his automobile turned over about four miles north of Madison. As it was, he had his collarbone fractured and was otherwise considerably bruised.

Mr. Altchuler was on his way to Madison from Norfolk and was driving at a speed of twenty miles per hour when some part of the steering gear broke and he lost control of the car. A passing automobile brought him home. The automobile was damaged slightly.

BURLINGTON EARNINGS BIG

Eight Months Show Profits Nearly as Great as Previous Twelve.

ALSO SPENDING LARGE SUMS

An increase of six million dollars is shown in Gross Receipts Over Corresponding Period of the Year Before.

As a money maker, for the eight months ending February 28, two-thirds of the present fiscal year, the Burlington railroad made a record that has seldom been equaled. During the period named the earnings exceeded 15 per cent and after all interest and dividend charges were taken care of, there was a surplus of over \$11,000,000 remaining. The earnings for the fiscal year ending June 30, 1912, aggregated 13.73 per cent of the entire stock issue.

That the Burlington did business during the eight months ending February 28 of this year is apparent, as the net operating income aggregated \$22,831,814, a sum almost as great as the total for the year ending June 30, 1912. So far during this fiscal year the Burlington has been piling up gross earnings more rapidly than ever before and at the end of February there was shown an increase of \$6,000,000 over the corresponding period of last year and during the same period the operating expenses were but \$1,750,875 greater than during a like period of the previous year.

Spends Money Liberally.
 During the time when the Burlington has been earning such immense sums it has been spending money liberally, keeping up maintenance and building new lines and facilities for handling business. In fact, the road has been criticised by competitors, who have contended that the road was being "over maintained."

The Burlington is operating in excess of 5,000 miles of road, much of which passes through the richest agricultural country in the world, including Nebraska, Iowa, Illinois, Kansas and other western states. That this rich section has produced revenue is borne out by the fact that 87 per cent of the gross earnings came from 44 per cent of the mileage.

Good Prices for Land.
UTIA, Neb., April 22.—(Special.)—Four hundred and eighty acres of land belonging to the Wilhelm Pieper estate, located seven miles southwest of town, was sold at auction today. The land averaged almost \$4 per acre, or a total

HYMENEAL
Ridenour-Nichols.
FAIRBURY, Neb., April 22.—(Special.)—Lafayette S. Ridenour and Miss Bernice Nichols, two well-known young people of this city, were quietly married in Omaha the last of the week. This culminated a romance which commenced about four years ago. At that time Miss Nichols lived next door neighbors to her future husband, but removed with her parents shortly afterwards to Sioux Falls, S. D. For several years the groom lost sight of his sweetheart, but last summer while in Sioux Falls he made inquiries concerning her. She was located, the acquaintance renewed and kept up until she came to Omaha last week and met Mr. Ridenour and they were married. Mr. and Mrs. Ridenour will begin house-keeping here at once.

Halsey-Reeves.
MADISON, Neb., April 22.—(Special.)—Gonley E. Halsey, son of Ben Halsey of Meadow Grove, and Miss Ellen B. Reeves of Emerick precinct were married at Madison Monday afternoon.

DEATH RECORD
William Noble.
YORK, Neb., April 22.—(Special.)—William Noble died last evening at 7:30 after a short illness with pneumonia.

F. W. WOODROW, BRADSTREET REPRESENTATIVE, IS DEAD

F. W. Woodrow, 52 years old, died yesterday at his home, 2715 Fowler avenue. He is survived by his wife and his son, Walter, who is attending school. Mr. Woodrow has a large acquaintance in Omaha, as he has been connected with the Bradstreet company for thirty-five years, and for the last thirty years of that time has been assistant superintendent of the local agency.

RABBI COHN TO ADDRESS
Y. M. H. A. WEDNESDAY EVE

Rabbi Frederick Cohn will address the members of the Young Men's Hebrew association at the association rooms in the Wellington block, Nineteenth and Farnam streets, Wednesday evening at 8:30 o'clock. He will take as his topic "Passover and Its Influence on the American Jew." There will also be an excellent musical program.

Good Prices for Land.
UTIA, Neb., April 22.—(Special.)—Four hundred and eighty acres of land belonging to the Wilhelm Pieper estate, located seven miles southwest of town, was sold at auction today. The land averaged almost \$4 per acre, or a total
