MARKS NEW ERA. SAYS RAINEY lituois Man Explains Effect of Income Tax and Says the Measure Will Benefit the Consumer.

Final Day's Debate.

WARHINGTON, April 28-A rush of speech making on the final day of general debate on the tariff bill made proin the afternoon. cecdings fively in the house. Most of the

L. W. Wakeley of the west of the Missourl division of the Burlington were that the question of extra train service

Chairman Underwood has not changed his view that the bill should be disposed bad come up. "They ride on our trains hoped that unless the fight of the antifree wool advocates spreads the bill will emerge from the senate substantially in the form in which it stands. Representative Rainey of Illinois, who

had charge of the agriculture schedule of the bill as a member of the ways and means committee; Representative Murdock of Kansas, the leasder of the pro gressives, along with Representative Chandler of New York and others of that party and some of the blg guns of the republicans were on today's speaking program.

Dawn of New Erg. Says Baluey,

Mr. Rainey declared that the bill represented the dawn of a new era in the government's fiscal pollcy. "making lighter the burdens of taxes upon con sumers and compelling great wealth to contribute its fair share today paying the government expenses." He pointed out

that no government that adopted an income tax system and given it a fair trial had repealed it.

We make the tax highests upon th great incomes and lowest upon the small comes," no said, "taxing 425,000 in all and expect to collect from them at least Holcomb, will be named. \$70,000,00001

He said the tax would reach 126,000 in comes, that amount to be between \$4,000 until after the fifth of next month, while and \$5,000 a year, from which the gov-Judge Kennedy has several cases before ernments expect to collect only \$430,000. him to be disposed of as judge of the disan average of 35 per income, and would trict court of Douglas county, but the reach 100 incomes, amounting to more governor expects Gerdes to be on the job than \$1,000,000 each a year, from which a very shortly and will go ahed with the collection of nearly \$5,000,000 is expected. arrangements of getting things in shape Mr. Rainey said he knew of no swol- so that the board can get to work as len fortune which had not been made soon as all of them get here.

They are in denominations of \$20. \$100 and \$500 Whenever they are paid the government is obligated to make full payment in gold which she had agreed to deposit in trust coin. The bonds will not be ready for delivery before August 1, but will draw interest from July 1. The amount allowed one depositor is not limited. The bonds are exempt from taxation, and should be soon commanding a premium. They may be registered and then the holder can lose them by neither loss, destruction or theft. Bonds registered in

the name of a minor can only be assigned or transferred by a duly appointed guardian of the holders. If holders desire at any time to cash in the bonds they may be sent to the board of trustees, properly endorsed, when they will be redeemed at par. It is expected that many thousand dollars will be converted into bonds by Council Bluffs people at this purchasing period.

Seek to Have Local **Trains Restored**

The transportation committee of the Commercial club has held several important meetings within the last few days in an effort to agree upon some definite plan to give the club better opportunities for serving all of the commercial interests of the city. At the present time there are a number of business men who have nouncement has been received yet that not availed themselves of the opportunity he has left the south country. Colonel to receive the help that can be afforded Baxter says he expects to hear from the them. It is proposed to call the businers men together and get them better acquainted with each other and with the putposes of this branch of the club's

work. The traffic bureau of the Commercial club has also undertaken to have reinstated the local trains between Council Bluffs and Fort Dodge that were recently annulled by the Illinois Central and the Great Western roads. If the annulment orders stand, several families comprising members of the train crews will be taken vestigation on the part of Chief Nich- away from the city.
