SCHOOL MEN GET "RAISE"
 Board of Regents Increase Salaries of All Professors.
FORTY THOUSAND IN LUMP
 Omaha Medical College Organized, with Dean Bridges in Charge of Upper Classes in the Metropolis.

(From a Staff Correspondent.)
 LINCOLN, May 2.—(Special Telegram.)—Salaries of university professors were boosted \$40,000 here today by the Board of Regents at its annual financial meeting.
 The increases in the main average \$100 per year for the 350 members of the university faculty. Prof. Le Rossignol, who was recently offered \$1,000 from a rival institution, was granted the largest increase, with \$900 a year.
 Dean Beaser, the oldest man in the faculty, will receive an additional \$36.
 Prof. Engberg, who has had charge of the delinquency committee of the university, was made a dean. Prof. Le Rossignol was placed at the head of a new college, to be known as the school of commerce.

The organization of the Omaha Medical college was effected with Dean Bridges in charge of the upper classes at Omaha, in full authority. Heretofore Dean Walcott has been in authority at Omaha, but he will remain in Lincoln in charge of the junior medicals.
 Irving S. Cutter was appointed secretary of the faculty and director of the laboratory building at Omaha. A committee, consisting of Dean Bridges, Regent Haller and the chancellor, was appointed with power to act in medical college matters, subject to the board's general directions.

JOHNSON AND GUTTERY CLASH OVER AUTHORITY

NORFOLK, Neb., May 2.—(Special Telegram.)—There was a clash of authority at the Norfolk Hospital for the Insane Thursday between Superintendent A. Johnson, who recently announced he would retire, and Dr. Guttery, assistant physician, who had been designated to act as superintendent until a new appointment is made.
 Dr. Guttery wrote Dr. Johnson a formal letter asking him to be the guest of Dr. Guttery while he remained at the institution. Asked for an explanation Dr. Guttery said he would take charge of the hospital. Dr. Johnson said he was still superintendent and would hold the place until checked out by the state. Dr. Guttery thereupon called up the governor's office and Private Secretary Morrissey advised him Dr. Johnson should remain superintendent until he leaves the institution, the date for which has not been fixed.

HOST OF PEOPLE WITNESS YOUNG ATHLETES CONTEST

BEATRICE, Neb., May 2.—(Special Telegram.)—Four thousand people attended the May festival and fete day exercises at the Central school grounds today. The program consisted of athletic feats and a parade by school children. It was the biggest affair of the kind ever given by the schools of Beatrice.

Patients Returned to Lincoln.
 BEATRICE, Neb., May 2.—(Special Telegram.)—Thirty-seven inmates of the state asylum who were brought here last winter and placed in the Peble-Minded Institute because of the overcrowded condition of the asylum were taken back to Lincoln today by Dr. Pillsbury and John Weart, supervisor. They will be given quarters in the two new buildings erected at the asylum some time ago. None of the inmates removed are violently insane.

Scott's Bluff Man Probably Drowned in Platte River

SCOTT'S BLUFF, Neb., May 2.—(Special.)—The volunteer fire department was called out Wednesday to drag the river for the body of Eimer McFall, the well known railroad man of Alliance, and later merchant of Renau. Hundreds of citizens responded to the call and extensive searching parties have scoured the territory for miles up and down the Platte. Mr. McFall, who is a son-in-law of J. D. Jordan, recently moved to Scott's Bluff from Renau, where he had been in the mercantile business for two years, or since he quit the Burlington. Tuesday he took an auto and went to the islands near the Mitchell valley bridge to get some trees for his place in the city. Not returning, about 7 o'clock a. m. the family aroused a few friends, who searched until morning, when a general alarm was turned in. The auto was found about a quarter of a mile on the river on a peninsula. It appeared from tracks found that he went to a small branch of the Platte, then returned to the auto and changed his shoes for wading boots, then he crossed the small channel to an island, from which he crossed a larger channel to another island. From this he appeared to have made no departure. The brush was thoroughly beaten and the river has been dragged for several miles, but no further trace of the missing man was found.

State University Bill Without Flaw

LINCOLN, May 2.—Fears that the bill passed by the last legislature making an appropriation for the extension of the University of Nebraska on its present site or removing it to the state farm and submitting the location matter to a vote of the people would not hold in the courts on account of legislative defects were set at naught today. Secretary of State Wait declared this morning that the records show that the measure bears the signature of the chief clerk of the house, along with the other officers of the legislature and that its legality is incontestable.

ENDICOTT SIDEWALK CASE IS TRIED AT FAIRBURY

FAIRBURY, Neb., May 2.—(Special.)—Endicott is a small town six miles south-east of here, and it appears that in the year 1912 the village board ordered a number of cement sidewalks put in, and it was the opinion of the chairman of the board—Lewellyn W. Saunders—and others that the new sidewalks were being placed, not where they were the most needed, but along the fronts of property owned by the members of the board and their friends, and that according to the law, the village board had no right to pay for sidewalks out of its funds. Saunders secured the services of former Attorney General Prout of this city and, after investigating the case, informed Saunders that his opinion was correct. Saunders refused to sign the warrants, and this "beaved" the other members of the board and he was removed and Frank Chancellor elected president. Saunders then filed an injunction against the city of Endicott, restraining it from paying for the warrants. Judge Pemberton took the case under advisement.

BISHOP SCANNELL WILL LAY CORNERSTONE AT MADISON

MADISON, Neb., May 2.—(Special.)—At 2 o'clock Thursday afternoon, May 3, will occur the corner stone laying of St. Leonard's new Catholic church in process of construction. The exercises of the day will commence at 9:30 with high mass and sermon by Rev. Father Jungels of Petersburg. Rt. Rev. Bishop Scannell, D. D., of Omaha, will lay the corner stone, assisted by Rev. Father Muenich, pastor of St. Leonard's church, and visiting priests of the diocese. Following the laying of the corner stone, Bishop Scannell will preach the sermon for the occasion. This church edifice when completed will be one of the largest and finest churches in the state of Nebraska. Work is progressing rapidly, and it is planned to have the building completed by fall.

GOVERNOR BACK FROM TRIP OF INSPECTION IN STATE

(From a Staff Correspondent.)
 LINCOLN, May 2.—(Special.)—Governor Morhead returned from a visit to several state institutions today. At Kearney he looked over the tract of 28 acres of land for the purchase of which the legislature appropriated money. He also looked at about thirty acres at Geneva for the use of the Girls' Industrial school. He will approve the purchase of both tracts as he believes they are necessary to the success of the institutions. He found both institutions in good condition. He expects now to clean up everything in the way of appointments in a short time.
 The appointment of elector commission for Douglas county will be made next week.

FOUR-TEAM MINK LEAGUE IS STILL UP IN THE AIR

AUBURN, Neb., May 2.—(Special Telegram.)—Representatives of the Mink League from Nebraska City, Falls City and Humboldt met here yesterday, but no definite arrangements were made. The representatives from the neighboring towns stood ready to sign a personal guarantee of the required funds, but Higgins of Auburn did not care to again personally guarantee the necessary funds. The proposition of raising funds are being put up to the fans and business men and it will be known in a day or so if the Mink league is a go.

TECUMSEH SCHOOL WILL TEACH AGRICULTURE

TECUMSEH, Neb., May 2.—(Special.)—A special instructor will be hired by the Tecumseh school board to teach agriculture. The board is going to take advantage of the shamway act, a law passed by the last legislature, in which it is provided the state will give aid to high schools teaching agriculture. A provision is that the school shall have five acres of ground for practical work and that it shall have in its course of study agriculture, manual training and domestic science.

We've Been Mighty Busy Hatting Men

At the rate we have been selling Hats this past week one would judge that most every Omahan ought to be supplied; but there are still a great number of heavy winter hats seen on the street, they look out of place, so Mr. Wearer, better follow the crowd to our hat section, that's a sure way of knowing you'll be hatting right.

This is not a "hurry store," you may feel at your ease in making selections. We have ample salesmen to care for the wants of all—while we sell more clothing than any other store in the state, yet here you avoid all rush tactics. When you visit this store, the salesman does not have that anxious look on his face—does not insist on getting you to the fitting rooms as soon as you find a suit that strikes your fancy. Here every salesman strives to satisfy, that's why KING-PECK customers come back for their next suit.

Simon Says Bill Having Good Effect

LINCOLN, Neb., May 2.—(Special Telegram.)—Representative Simon of Omaha, author of the "loan shark" bill, which passed the late session of the legislature was at the state house this afternoon and said that the bill has had the effect of forcing many of the money loaners out of business in Omaha and that some of the pawnbrokers were getting ready to close out.
 He claims that there was an amendment tacked onto the bill, which eliminates banks, which have been in the habit of loaning money to cattlemen at from 1 to 3 per cent a month, from the provisions of the law.
 "Since coming to Lincoln," said Mr. Simon, "I have understood that the loan agents here are preparing to test the law in the courts. That is their affair if they want to do so, but down in Omaha we believe the law will stand the test."

Hotel Men Apply For Certificates

(From a Staff Correspondent.)
 LINCOLN, May 2.—(Special.)—According to reports of Hotel Inspector Phil Ackerman, hotel men are applying for certificates to do business under the law in a way that makes the commissioner smile. "It shows," said Mr. Ackerman, "that as a general thing the hotel men of the state propose to live up to the law and assist in its enforcement as much as possible."

Fatal Attack Made On McPherson Man

STAPLETON, Neb., May 2.—(Special Telegram.)—H. F. Haney and his neighbor, Harris going home from Tryon, the county seat of McPherson county, overtook Charles Scherlinger on foot, and offered him a ride. A few minutes later without any apparent reason, Scherlinger attacked Haney with some heavy instrument and jumped from the wagon trying to drag his victim out.

Harris belabored Scherlinger with a buggy whip when Scherlinger made a strong gun play, but did not shoot, and then fled.
 Harris took Haney home and found he was probably fatally injured. A doctor was called from Tryon and arrived several hours after Haney's death.
 A posse searched the country around and sheriffs of Lincoln, Logan, Custer and Hall counties were warned to keep a lookout for the fugitive.
 Scherlinger leaves a widow and small family, but they know nothing of his whereabouts. He has heretofore bore a good reputation. The victim is an old man and a highly respected citizen of McPherson county. Threats of summary punishment for the assailant are freely made.

SMALLPOX IN VALENTINE BEING PROPERLY CARED FOR

(From a Staff Correspondent.)
 LINCOLN, Neb., May 2.—(Special.)—Dr. Wilson, secretary of the State Board of Health, received word from Hemmingford today that there is much smallpox in Valentine and asking the state authorities to quarantine the town. The matter is being looked into by Dr. Wilson and he has discovered that there are forty-two cases in the town, but that strict quarantine is being enforced, and as the disease is in a mild form there is little to fear.
 Dr. Wilson returned this morning from South Sioux City, where he was called regarding cases of meningitis. He found that two persons had died and that another was afflicted. Proper precautions have been taken against further spread of the disease.
