# We Are Pleased to Announce

tors watched future Oimpic athletes.

# the winning arguments in our recent L System **Clothes Argument Contest**

To secure impartiality to all contestants. H. M. Lindenthal & Sons of Chicago (manufacturers of L System Clothes) acted as judges, and the winners were selected by them.

The author of each winning argument is entitled to his unrestricted choice of our \$25 L System spring suits, which clothes, by the way, are to our mind the smartest. most stylish, and most thoroughly satisfying young men's garments in Omaha. Being L Systems, they are shown here exclusively by us.

# THESE ARE THE WINNERS: The Universal L Systems || Why Should One Buy L System Clothes?

"if you want a suit that's full of go, if you want a suit that's made for show, The suit that young men all love so, Get into an L System.

They're made in Norfolks, English sacks, Unpadded shoulders, close-fitting backs, Straight trousers, cuffs, and all such knacks, The fashionable L Systems.

"If you want the suit conservative, That's made full dignity to give, The suit that pleases all who live, Get into an L System.

They come in modest cuts and shades, Grays, tans and blues that never fade, The finest clothing ever made, Conservative L Systems.

'If you want a suit right up-to-date, With all the novelties so late, The embodiment of the fashion plate, Get into an L System. Secret cash pockets, out-let seams, The workmanship I've seen in dreams, Watch-chain breast pockets; Style's newest beams, The novelty L Systems.

"So when your next suit you would buy, To your foremost clothier you should hie, For in each city 'he's the guy' That handles the L System. And be you short or be you tall,

Fat, slim, long-legged, waist large or small, There's an L System made for all, The suit supreme-L System." Submitted by W. Clark Williams, Jr.

1911 Farnam St., City.

Because they satisfy. I buy them because I enjoy wearing them. They look attractive and fit well.

(2

They are well shaped and perhaps the tailor would say they possess, in an unusual degree, grace of line and fine proportion.

They are distinctive-not extreme, not faddish, but have an individuality sanctioned by good taste.

When wearing them 1 am satisfied, pleased -in short, they make me look the way I want to look.

When they are first tried on they look well, and continue to after they are worn, the result doubtless, of painstaking effort and good materials

We all want to succeed and it is generally conceded that good clothes, though perhaps not a requisite, are decidedly helpful to success, and from experience I know them to ge good clothes at a moderate cost.

In a word, I ask for L System suits because I feel well drassed in them.

> Submitted by Ellis Saunders, 583 Brandeis Bldg. City.

It is evident that these two young men were most favorably impressed with L System Clothes. Without exception the same enthusiasm was apparent in every argument submitted. But whether you were a contestant or not, Mr. Reader, you still have our cordial invitation to stop and see these splendid garments which scores of young men in Omaha are enthusing over.

L System Clothes are designed and built to please particular young men, and they make good. The prices are right-\$17 to \$30. Let us show you!
