Rourkes Are Back from Western Trip; Play Here Tuesday

The Omaha base ball team arrived home yesterday from Topeka, calling the game which was arranged for yesterday at Lincoln in order to give Denver an opportunity to play off a postponed battle. Denver is on a western trip and was desirous of getting the postponed game out of the way, it being the only one they have. Rourke acquiesced in the matter, and the team came home yesterday. The Rourkes have had a disastrous

trip, winning four games and losing seven. But the blame is all to be laid

The work of Grubb while on the road, says Arbogust, has been all that could he expected, and predicts that before the season is over Omaha will have no regrets over the loss of Bert Niehoff, who is playing but a mediocre game with Louisville this season.

PHILADELPHIA. May 19.—Philadelphia made a clean sweep of the series of three games with Chicago, the visitors losing today, 4 to 10. Chicago got a lead of three runs by hitting Brennan's delivery hard in the first two immings, but after that the home twirler had things, his own way. In the third inning, Philadelphia piled up six runs on four hits and three bases on balls off Lavender and an error by Phelan. They also made good use of their hits in the fourth and the sixth innings. Zimmerman was ordered off the field in the fourth inning by Umpire Byron for disputing the latter's decision in refusing to allow a claim that Knabe had left third base before Miller made a sensational catch of Magee's fly.
