Green made a talk before the exchange against second and third time taxes on paving, saying he believed the taxes should be paid out of the general fund after the paving has once been laid and taxed to the benefited property owners.

Mr. Best bases his opinion on the ground that since the supreme court declared that part of the act of the legislature of 1907 which allowed Douglas county to advertise for bids for feeding prisoners unconstitutional.

Other members of the board have declared their intention not to pay the alleged exorbitant claims of Sheriff McShane unless they are forced to by the courts.

No explanation or reasons why are given in this announcement," said a prominent tire man. "But with crude rubber selling at a somewhat lower figure than that prevailing for a year or more past, and the constant deviating and application of new higher efficiency methods of tire manufacture, the reduced Goodrich tire prices are but a natural outcome."

AFFAIRS AT SOUTH OMAHA

Saloon Cases Heard and Taken Under Advisement. BOARD INSISTS ORDER GOES. Offender Solemnly Warned That Some Day Someone Will Be Punished if the Law is Not Obeyed.

It looked like a draw—yesterday's trial before the Fire and Police commission of South Omaha of the five saloonmen accused of breaking the liquor laws. Except for a little extra oratory on the part of different members of the board, it was the old program.

City Attorney Henry C. Murphy, acting for the board, declared that while the order of the board had been published, it was quite possible that in some cases at least the meaning of the order had not been fully realized.

Commissioner W. J. Donahue took special interest in the trial. He personally caught one of the accused saloonmen running out of hours it is said. So far the slot machines and gambling are said to be still doing business without hindrance.

The party will arrive at the Union Stock Yards about 11 a. m. and will be met by a committee headed by E. A. Buckingham, Bruce McCulloch and John M. Tanner.
