(From a Staff Correspondent.) WASHINGTON, May 30.—(Special.)—Under date of May 8, 1913, proposals were received at the office of the reclamation service at Newell, S. D., for the construction of an extension of the north canal and lateral system for the Belle Fourche project, South Dakota. Seven proposals were received.

On schedule 1 the proposal of Abram S. Perry of Vale, S. D., was the lowest submitted at a total of \$10,460. On schedule 2 the proposal of Omer Merrill of Newell, S. D., was lowest, at \$11,500. At Arlington Cemetery. WASHINGTON, May 30.—Veterans of the historic strife of the '60s and the younger men who engaged in the war with Spain joined today in paying tribute to the warrior dead of the nation.

Arlington cemetery, a national resting place of the soldier and sailor dead, was the objective point of the thousands—veterans and civilians alike—although a score of historic graveyards in and about Washington claimed the reverence and homage of hundreds of others.

The principal ceremonies were at Arlington, in which a considerable force of the regular army from Fort Myer took part. One of the most impressive services of the day was decoration of the graves of the "unknown dead."

Nearly a score of government officials and members of congress made speeches. From early morning squads of battalions of marching veterans, sons of veterans and patriotic societies occupied the wide avenues of the capital, laden with flowers and flags, while a flower-filled boat was launched on the Potomac river as a tribute to those who lost their lives on the sea.

Parade at Gettysburg.

GETTYSBURG, Pa., May 30.—Ten thousand persons gathered at Gettysburg today for the annual Memorial day observance. This afternoon a parade of civic and patriotic organizations, with veterans and the third battalion Fifth United States regular infantry preceded the strewing of flowers and ceremonies in the Soldiers' National cemetery. The exercises at the rostrum included the reading of Lincoln's Gettysburg address and an oration by Congressman J. T. Heflin of Alabama.

Harrison Speaks at Chicago.

CHICAGO, May 30.—Wreaths of green and garlands of flowers were today placed on the graves of 4,000 union and confederate soldiers in eighty-two cemeteries in Cook county. The departed ranks of the Grand Army of the Republic, aided by camps of the United Spanish war veterans, Sons of Veterans, the Bohemian Veterans' association, school children, women's clubs and memorial organizations followed the custom of decorating the graves in tribute to those who lie buried.

Standing within the shadow of the Tohemanian national peace monument, unveiled on Memorial day, 1890, by his father, Mayor Carter H. Harrison eulogized the valiant nationalities for the part they had played in defending the country in time of war. He praised the Bohemian-American citizens for their service to the country in the civil and Spanish wars.

Confederates March at Boston.

BOSTON, May 30.—Confederate and union veterans of the civil war paid tribute in Boston today to the soldier and sailor dead. Members of the old guard of Atlanta, guests of the E. V. Kinsey post No. 113, Grand Army of the Republic, participated in the Memorial day exercises at the state house on Boston Common and in Tremont temple.
