## LIFT LINCOLN PHONE RATES Harman Ready

Business Instruments to Cost Four and Six Dollars.

BOYCOTT AT UNIVERSITY PLACE

Residents There Seriously Consider Taking Out Phones as the Result of Increase in the Tariff.

(From a Staff Correspondent.) LINCOLN, Neb., June 1-(Special Telegram.)-The much-talked of raise in rates of the Lincoln Telephone comas to residence telephones, but it is supmonth. The railway commission this afternoon announced that the company will be allowed to charge business houses \$ per phone for incoming messages; \$6 for general phones, but makes no statement ms to residence telephones but it is supposed that the rate will be raised from \$2

More trouble seems due the company on account of the raise as it is is announced that at University Place an organized effort is being made to have subacribers remove all phones from their residences. Just to what extent this boynott of the company will extend is a

Telegraph Valuation.

According to the report of the physical valuation department of the railway commission, the depreciation value of the Western Union Telegraph company is new \$1,289.083. Of this amount \$82,795 is independent reproduction value and \$1,206,288 associated with railroads. Of the depreciated value \$47,682 is indebted and \$600,329 associated with railroads. These figures will be used in the suit over the enforcement of the Stebbins maximum Relegraph law. Limit Train Time.

The cannon ball trains on the Crete branch of the Missouri Pacific will not be rails used and the condition of the road-

# Alfred Austin Passes Away at His

Home in Kent.

SEVENTY-SEVEN YEARS OF AGE

He Was a Newspaper Corresponden in Rome for Many Years and Was the Author of a Number of Long Poems.

LONDON, June 2-Alfred Austin, Brit-

Alfred Austin besides being a poet The law in regard to oil is similar to war correspondent and a political writer. profession. He was a newspaper correspondent in Rome for many years and A great deal of the oil sold in Nebraska, he followed the operations of the Francoquarters of the Prussian king.

> one poem of recent date he called attention to the unpreparedness of the British army for war and in another he eulogized the achievements of the British navy. He knew many of the prominent Ameri-

His writings were very patriotic. In

cans who visited England, among them Theodore Roosevelt and the late Mark latter by the late Whitelaw Reid in 1907. In 1911 he issued his autobigraphy. The greater part of his poetical work was published between the years 1881 and 1800, including "Savonarola," "Prince

Lucifer" and "English Lyrics." The poet laureate died at his home Swinford Old Manor, Asheford, Kent, where he had been ill for some time.

### Protests Valuation Doc Bixby Spins Out Some Rhyme to Country Editors

Dr. A. L. Bixby of the Nebraska State Journal, Lincoln, delighted the Nebraska State Press association at the opening session yesterday at the Hotel Rome with his annual poem, in which he spun his homely philosophy thus: Dear brethren of the shears and quili, And sisters, who are dearer still; Perhaps I do not need to say, in my melancholy way, The words you doubtless recollect, Which all have heard, to this effect: These words, prophetic and profound, "Another year has rolled around."

or is cents on the dollar on the investment and he thinks a road in that condition ought to be assessed much less than it is. He shows the figures used in the assessment of the Omaha & Bouthers and the Omaha Lincoln & Beatrice interurbans as a reason for a reduction as follows:

State Right-of-physical way Assessed Valuat'n.

No b. Traction

& Power Co....180.600 \$1.600 \$155.000

Omaha & Southern is double tracked and ballasted while his road is a single track with no beliast and he believes that somethins should be done.

Secretary Henry Seymour of the State Board of Assessment says that Mr. English trying to explain the methods of assessment and the powers of the board and he supposed that Mr. English would be in session three times and that he himself spent nearly a whole day with Mr. English trying to explain the methods of assessment and the powers of the board and he supposed that Mr. English would appear when the board make a show
These werds, prophetic and protound."

Another year has rolied around."

No odds what we may do or say. The stubborn years from that way, And known among the young and green. Now train with other gray-haired men, Grown old, but just as green as then. Life is so short, let me declare. Hefore a man gets anywhere, Before he can half realise. On that way, And known among the young and green. ### BRITISH POET LAUREATE DIES Local Banks Do No Want Government Funds for Deposit

Only one bank in Omaha and South maha has announced that it will receive a share of the \$10,000,000 apportionment of the federal funds which the Treasury department will distribute among the national banks of the country. The City National bank has asked for an additional \$25,000. It now has about ish poet laureate since 1896, died today \$50,000 and with the addition will make it

a depository for \$75,000, Local bankers say there is no profit several tests of oil sent him for analysis, was a barrister, a critic, a novelist, a in government funds. Joseph H. Millard of the Omaha National bank says he "In the notion of giving up the \$200,000 his bank now holds.

"There is no money in it," he said, and we're about in the notion of giv ng up the whole business."

The Merchants National bank has deposit of \$100,000 in government money and the officers say they have asked for no increase and will ask for none. The Nebraska National bank has \$100,000 and will get no increase and the United States National also has all it wants. The Stock Yards National bank holds only \$1,000 in government deposits and will ask for no more. Officers of the Packers National bank say they do not want any more than the \$25,000 now deposited there. They also declare there Twain, attending a dinner given to the are no profits in government funds.

### Work on State School at Curtis Nearly Finished

B. K. Shaefer, publisher of the Curtis Enterprise, who is in the city attending the meeting of the Nebraska Press association is enthusiastic about the prospects of the new school of agriculture the state is building is his town. The main structure, which is three stories and will cost \$75,000, is practically completed. The heating plant and lighting fixtures are now being installed and work of placing the furniture will begin next week. A modern barn and silo have been completed at a cost of \$11,000 and work will begin soon on a carpenter and forge shop to cost \$5,000 and a residence for the superintendent which will cost the same amount. The members of the faculty have been selected and school will open September 9. Prof. C. V. Williams. of University Place, has been elected

### Homogenized Milk Must Be Labeled

Assistant City Attorney Te Poel is drafting an ordinance at the request of the city dairy inspector to compel manufacturers of "homogenized" milk to so label their product. "It seems that there are only about

four of these homogenizers in the United States," said Te Poel, "and two of them are near Omaha. They are used to transform unsalted butter, manufactured and kept on storage, into sweet milk or

"Whether the process is wholly santtary or not the government, which has been investigating, has not yet determined. The legal department of the city has been requested to draft an ordinance which will be a precautionary measure."

#### WILL BE KEPT IN "COOLER" UNTIL HIS MONEY ARRIVES | ters, the guaranteed remedy. 50c.

Al Hearst, colored, of Cairo, Ill., the seventh man to be granted a hearing in police court Monday morning, was sentenced to seven days by Judge Britt. Hearst was arrested Saturday night charged with vagrancy. He asserted that his reason for not seeking employment was because of his having been shot a short time ago.

Judge Britt inquired as to the shooting. but Hearst said he didn't recollect how, when or why the accident occurred. The judge was just getting ready to preserve him for several months in the county jall, when Hearst remarked that his sister was going to send him some money to come home with, soon.

"When do you expect the money to arrive, Al?"

"Oh, 'bout a week jedge-yes, sah, just xactly 'bout seven days.' "Seven days for you then; dock him up," declared the judge.

#### REAL ESTATE DEALERS PROTEST THE AMENDMENT

Protests against the amendment to the boiler inspection ordinance will be issued by the municipal affairs committee of the Commercial club and the Real Estate exchange. Byron Hastings, president of the Real Estate exchange, met with the committee at the Commercial club and scriptions will go a long way toward perintendent Lulu S. Wolford. The folmaking the fund run up to what is lowing is a list of the graduates: Nottie make twelve working districts. District the amendment. He said apartment house needed. Personal subscriptions are not Kovanda, Verta Brock, Hattie Binder, managers have been chosen for but four owners could not afford to hire expert engineers and pay them for eight hours fore the petitions are to be circulated in a day when the work could be just as

The amendment to the boiler inspection state, who will look after the circulating ordinance requires all boilers to be manipulated by qualified engineers. The municipal affairs committee is opposed to held its banquet in the high school gym- tive secretary of the state association, has this phase of the ordinance. It is expected that the amendment will be

#### MRS. W. H. WHITMAN DOES NOT CARRY DOGS IN HER CAR

awakle, and surrounded by servants and maids, Mrs. W. H. Whitman, nee Miss Jennie Crocker, was in Omaha a few minutes, going from Santa Barbara, Cal., to New York to do a little shopping. Mrs. Whitman's car was attached to a Union Pacific train into Omaha and was hauled

east by the Milwaukee. While in Omaha, Mrs. Whitman wanted it distinctly understood that she had no dogs in the car with her. While she admitted that she loved dogs, she insisted that they were not her traveling companions. She said that she was just running over to New York to buy a few articles for the house and some wearing

#### MACMILLAN DIES FROM EFFECT OF HEMORRHAGE

George MacMillian, who was found dead Friday evening in Jefferson Square, met his death, according to post-morten examination, by reason of a cerebral hemorrhage. The body will be taken to Fort Scott, Kan., Monday afternoon for burial.

Song, "Excerpts from Martha," Flotow
(1812-1833), high school chorus. Song, Excerpts from Mart (1812-1883), high school chorus. (a) "Bright as the Stars of Heaven," chorus, Nancy and Lady Harriet.
(b) "Every Heart with Love Inflaming." duet, Nancy and Lady Harriet.

The members of the graduating class are Rose Carr, Madeline Jaskalek, Lucile Dodder, Marble Klewit, Mildred Eller Minnie Mercer, Kate Field, Glenna Peake, Cordula Haverly, Bertha Vaughan.

#### BUILDING RECORD FOR YEAR AHEAD OF LAST YEAR

Building permits during the month of May decreased in amount compared with the permits issued for the same month of 1912, but the building operations for the year thus far exceed the amount spent for the same period during the preceding year. In May this year 162 permits were issued, entailing an expenditure of \$477,000. May last year 163 permits were issued and \$500,000 was spent in building operations. So far this year \$1,715,273 has been spent for new buildings, while last year during the same period \$1,702,785 was expended. The building inspection department of the city is not keeping a record of the money spent in rebuilding houses in the tornado stricken zone. No charge was made for permits for rebuilding in the

#### **NEW SIGNAL ENGINEER** OF UNION PACIFIC IS HERE

Frank W. Pfleging, the newly appointed signal engineer for the Union Pacific, succeeding J. C. Young, deceased, has arrived and taken up the duties of the office. Prior to coming here he was signal supervisor of the Kansas division of the Union Pacific, with headquarters in Kansas City.

Mr. Pfleging is 36 years of age and was graduated from the Rose Polytechnic Institute in 1901. That year he went with the Union Pacific, remaining ever since He has served as draftsman, maintainer, signal foreman and signal supervisor a both Cheyenne and Kansas City.

#### R. D. DUNCAN OVERCOME BY HEAT AND HEART TROUBLE

R. D. Duncan, city water inspector, was overcome by the heat at Thirty-eighth and Davenport strets yesterday morning. heart trouble being a contributary cause. Duncan dropped in the street and was carried into a nearby residence, from which the police were notified.

The emergency ambulance responded and Dr. C. B. Foltz, police surgeon, administered medical attention, after which the man was removed to his home a 2628 Davenport street. At noon he was setting along nicely.
