Batting Railies in Eighth and Ninth Inniugs of the First Came Give Victory to the Bourke Tribe.

Batting railies in the eighth and ninth nnings gave Omaha the first game yesterday by a 5 to 4 score and Robinson hurled airtight ball in the second battle, which was also confiscated by the Rourkes, 6 to 1.

Clint Rogge, who entered the first game with a string of eleven consecutive wins, lost his first game of the season. Omaha sluggers found him for a total of fourreen hits.

Robinson gets credit for winning both of the games. He went on the mound in the minth inning of the first battle with a 4 to 3 score staring him in the face. with Omaha holding the short end, and came out winner. He worked all through the second game, with excellent control and all kinds of stuff. But five hits were sathered off his delivery and he allowed But one free passage.

The first game was by fat the more interesting. The score was 41 to 1 against the Rourkes when they came to but in the eighth inning. Congalton opened with single to center and Johnson followed t up with a swat for one base to right. Grubb made his third consecutive hit and Congalton was safe at home. Schipke slammed one to Andreas, who threw it to Jones at first, but the former big fraguer let the pill ellp from his fingers and Johnson alld safely into home plate.

The Fatal Ninth. was a hard row to hoe that Rogge had when he faced the Omaha batters in the ninth inning. Thomason was the first man up and following him came four other 300 clouters. As several fans remarked in the stands, if Rogge could get that bunch he was welcome to the came. But he didn't get by that bunch, For Thomason slammed the first one for error by Leonard. Congalion somewhat disappointed the crowd by striking out. Andreas, 2b.
