In thousands of instances the most virulent types have been the result of coming in contact with disease germs in public places and the apparently insignificant pimple has been the cause. It spreads with astonishing rapidity, often infecting the entire system in a few days.

It is fortunate, however, that there is a remedy to cope quickly and thoroughly with such a condition, and thanks to the energy of its producers the famous S. S. S. may now be had at almost any drug store in the civilised world.

This preparation stands alone as a blood purifier. It is somewhat revolutionary in its compositon, since it accomplishes all that was ever claimed for mercury, iodides, arsenic, and other destructive mineral drugs, and yet it is absolutely a purely vegetable product. It contains one ingredient which serves the active numbers of situations. serves the active purpose of stimu-lating each tiny cellular part of the tissues to the healthy and judicious selection of its own essential nutri-ment. There are more cases of arment. There are more cases of articular rheumatism, locomotor ataxia, paresis, neuritis, and similar diseases resultant from the use of minerals than most people are aware of. These facts are brought out in a highly interesting book compiled by the medical department of The Swift Specific Co., 137 Swift Bidg., Atlanta, Gs., It is mailed free, together with a special letter of advice, to all who are struggling with a blood disease.
