Sox Take Second.

Sox Take Second. DETROIT, Mich., July 1.-Chicago took the second of the series from Detroit, 3 to 2, today, though outhit by the holde club two to one. Clootte yielded seven hits in six innings and retired in favor of Scott after the Tigers found him for four of the seven in the sixth period. Scott kept the game will in hand three innings he pitched. Willett, on the mound for Detroit, pitched an excellent game, though he was unfortunate in the pinches. In case you can use a larger quantity than offered a bove, our price for a 50 allon Keg is only \$12.50 Freight Charges Frepald.

though he was unfortunate in the pinches. In the third inning Cicotte walked and took third on Beal's single. Rath forced Beall, Cicotte scoring. An error by Lou-den allowed Rath to reach second, and after he had stolen third, Lord's double sent him home. The deciding run came in the eighth, when Lord doubled, took third on Louden's error and tallied on Collins' sacrifice fly. Detroit's two came in the sixth as the result of singles by Crawford and Cobb, an infield out and Pipp's timely safety. Cobb injured his knee sliding to second in the eighth inning, High replacing him in center field. Score: CHICAGO. DETROIT.

In Afternoon at Country Club Magee and Redick Lose to Evans and Lee in Fast Match, Four to Three.

Course, 2 Up and 1 to Go.

"Chick" Evans, who was defeated by George Simpson, professional at the Omaha Country club, on Monday, lost an eighteen-hole match to Sam Reynolds on the Field club course yesterday morning. I up and I to go. In the afternoon in a foursome match Evans and Howard Lee beat Jerome Magee and John Redick. 4 up and 3 to go.

Evans was in poor shape in the morning play and missed easy putts time after Reynolds on the other hand played good consistent golf, turning in a card of 77 for the Field club course, while Evans turned in a 79. While Reynolds was trimming Evans, Albert Cahn was losing to Howard Lee of Chicago, 3 down. Hughes and Lindsay Lose.

Fraser Hale and Joseph Le Duc trimmed Jack Hughes and J. B. Lindsay

in a best-ball foursome, Hale turning in a card of 78 which was the lowest of the morning games. Evans seemed to be tired and wornout from over-play and failed to make the

drives of the day previous, and was even off on his approaches. In the afternoon match, which was a best-ball foursome between Evans, Lee Magee and Redick, Evans was low, turning in a card for the Country club of 72, onehigher than that turned in by George Simpson on the day before. Evans made the outside in the afternoon play

in 29, which is two under bogey, and the inside in M, six less than bogey.

Evans Begins Poorly. Evans started out slow in the afternoon matches, making the first three holes in five each, being the high man for the four. On the inside course ne picked up and was playing perfect golf

on the last few holes. Fraser, Hale and Joe Le Duc had the better of the best-ball foursome match with Blaine Young and Francis Gaines in the afternoon at the Country club, winning 1 up. The score was evened up on the seventeenth hole when Gaines made a bogey, 5 in three, but on the last hole Halewon the match,' making the eightcenth in two. His drive landed him on the green and with a pretty put he went

into the cup, winning the match. Following are the acores of the afternoon play: Evans-Out In Magee-Out ... In Redickedica Out .... Hale-Out. In D Le Duc Out Young Out In Gaines Out 4 5 3 5 5-11

## Special Inducements Offered in New Tract Now Being Opened for Settlement. Read, Reflect, Act

The following news item appearing in the Cheyenne Daily State Leader of June 3d, explains itself:

"An important sale of land was consummated yesterday by R. S. Van Tassell, whereby he sold several thousand acres of his large ranch northwest of Cheyenne to The Federal Land and Securities company. This tract lies from one to five miles east of the new station of Federal on the Colorado & Southern railroad and from 15 to 20 miles

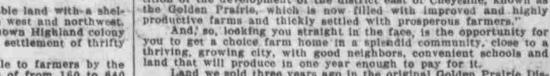

northwest of Cheyenne. It is a beautiful smooth tract of prairie table land with-a shel-

tering range of mountains lying adjacent to the west and northwest. Adjoining it on the east and south is the well known Highland colony where the Federal company has located a large settlement of thrifty farmers within the past two years. This fine new tract will be offered for sale to farmers by the

Federal Land and Securities company in tracts of from 160 to 640 acres on that company's usual

attractive terms, They are now receiving a eat number of inquiries great from eastern prospective buyers and expect a rush of land seekers this summer and fall.

The farmers in the Highland colony are enthusiastic over their present crop prospects, which promise a repetition of last season's bountiful crops, and which demonstrate the wonderful fertility of the soll in that locality. It is confidently predicted by the Fed-

settlers this season.

Land we sold three years ago in the original Golden Prairie Dis-trict at \$15.00 per acre is re-selling now at \$30.00 per acre.

eral people that every acre of this new purchase will be sold to actual

farm communities in the state, lying as it does close to a railroad station and easy of access to the grain and produce markets of Chey-

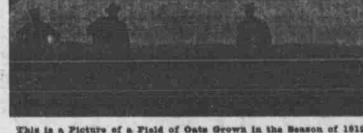

enne and Fort D. A. Russell. It is very evident that this new settlement is going to be a repe-tition of the development of the district east of Cheyenne, known as

This will make the Highland colony one of the most desirable

Land you can now buy at \$15.00 per acre in the new tract will soon double in value. Will you delay longer or will you drop everything else and grasp this opportunfty?

13

Remember that we guarantee every representation we make to be true, and refer you to any bank in Cheyenne and to our hundreds of satisfied We are owners, customers. not agents.

This is a Picture of a Pield of Oats Grown in the Season of 1912 in the Mighland Colony on a Section Adjoining the New Furchase of The Federal Land and Securities Company.

### **TESTIMONIALS OF SETTLERS**

Here are statements of three reliable settlers. We could furnish hundreds of letters like these from former renters in the central states who are now independent farm owners here. We hold in our office the signed originals of these letters where they may be inspected by anyone interested. These men are not interested in any way in the sale of lands. They have made good here and want to let others know how much better it is to be owners of their own farms in the Golden Prairie District rather than tenants on high priced eastern land.

Egbert, Wyoming, June 12, 1913. The Federal Land and Securities Co., Cheyenne, Wyo.

Gentlemen:-In answer to your inquiry as to the yield of my crops since I have been in Wyoming and how I like the country will may that I came to Wyoming from Monmouth, Illinois on the 19th day of March, 1912. My oats yielded 40 bushels per acre on sod which I broke after I arrived here. My corn made 30 bushela per acre and my potatoes \$0 bushels, all on sod breaking. All the crops I have had made me enough net to pay for the land it grew on. I have in 150 acres of crop this year with the best of prospects for a good yield. I am, Yours truly, (Signed) F. C. Dowdell.

Mr. Dowdell owns and resides upon the N. W. ½ of Sec. 21, Twp. 14, R. 61, 2 miles east of the town of Egbert.

Pine Hluffs, Wyoming, June 12, 1913. The Federal Land and Securities Company, Cheyonne, Wyo, Gentlemen

Cheyenne, Wya. Gentlemen:--In 1912 I had in crop 200 acres in all. 20 acres of maceroni wheat yielded 24 bushels per acre. On piece of Swedish select oats yielded 15 bushels, 60 acres of National oats made 65 bushels per acre. This is our fourth crop and we have had good crops and have always raised an abundance of vegetables and zar-den. I farmed in Ohio, Illinois and Iowa and I con-sider this the best small grain country I have ever lived in. I find the same horses and labor will farm iwice the same amount of ground that it will any place I have lived. My alfalfa, which I sowed a year ago hast May, will be ready to cut in about ten days. (Bigned) D. K. McFarland. Mr. McFarland owns and occupies a fine half section farm in Sections 15 and 26 in Twp. 14, R 61, 5 miles east of Egbert and 6 miles west of Pine Bluffa. He is one of the most successful farmers in the district.

Carpenter, Wyoming, June 18, 1913. The Federal Land and Securities Co.,

I came to Wyoming in December, 1807, and have farmed each year since. My crops as a rule have been good and I have had no failure. Last year I throshed 1,500 bushels of wheat and spelts. My wheat made 26 bushels per acre and spelts made 15 bushels. I farmed per acre and apelts made 15 bushels. I farmed in lows 25 years and find I can raise anything here that I could in lows and with much less labor. One team will farm double the amount of ground that it can in lows. My family has had much better health than before we came here. Yours truly, (Signed) H. B. Waterbury. Mr. Waterbury owns and lives on the West 16 Sec. 3, Twp. 13, R. 63, about 5 miles North of Carpenter and same distance south of Burns.

Note the very low excursion rates now in effect from all points in the central states to Cheyenne and return, as shown in table on this page.

Fill out and mail us the Coupon on this page and we will send you, free, a beautiful illustrated souvenir showing farm scenes in the Golden Prairie District and sectional map of the district.

# Special Excursion Rates to Cheyenne, Wyoming

Beginning June 1, 1913 and ending September 20th a very low round trip excursion ticket from points in the central states to Cheyenne. Wyoming, may be purchased. The return limit on this ticket is October 31, 1913, and very liberal stop-over privileges are allowed. The ticket may be purchased and start made on any day of the week, and the fare is much lower than for the land seekers' ticket moid to other-points in the west. The following table will give an idea of the cost of the ticket from any part of the central states.
