

Nebraska  
PIPER MAKES THE ROUNDS  
Reports on Various State Hospitals and Institutions.

FINDS WARDS WELL CARED FOR  
Hospital for Insane at Lincoln Well Cared for, but Crowded into Quarters that Are Much Too Crowded for Them.

(From a Staff Correspondent.)  
LINCOLN, July 5.—(Special.)—Secretary J. A. Piper of the State Board of Charities and Correction has returned from an inspection of several of the state institutions. Mr. Piper uses a method all his own regarding the inspection of these institutions. He goes unannounced and thereby comes in upon them when they are least expecting it and gets a better idea of how things are running than if he notified the superintendents in advance of his coming.

At the Hastings hospital for the insane he found 75 males and 79 females, a total of 154. In addition to these there are fifty-eight males and seventy-one females on furlough. Mr. Piper arrived at the institution just before the noon meal and found that the dinner consisted of beef stew, boiled potatoes, spinach, radishes, bread and butter, toast, milk and tea. The institution produces over 200 gallons of milk per day and produces a considerable quantity of eggs. Milk and toast are served to the ill-disposed patients as a special.

At the Soldiers' home at Grand Island there are 200 males and 128 females, while there are on furlough seventy-one males and fifty-seven females. In the hospital there are eighty-one and in the convalescent hospital 118. Of the eighty-one in the main hospital, forty-nine are confined to their beds and have to have their meals taken to them. As at Hastings, Mr. Piper arrived just before meal time and found the inmates sitting down to a dinner consisting of cream potatoes, boiled beef, corn, lettuce, fruit pudding, bread and butter, coffee and tea.

At the Boys' Industrial school at Kearney Mr. Piper found 152 boys under the care of the institution. The supper consisted of beef stew, cream potatoes, pickled beets, lima beans, dried peach sauce, ginger bread, plain and graham bread and milk to drink.

At the Tuberculosis Hospital there are twenty-eight patients. Five of these are pay patients and the rest state charges. This exceeds the sleeping capacity of the institution and some of the beds are made up in the amusement hall. There is plenty of fresh water, a good lawn and lots of shade for the patients.

At the Geneva Industrial school for girls Mr. Piper found eighty-three, about twenty more than the institution can accommodate conveniently. Besides these there are five girls out on parole. A band has been organized with an orchestra consisting of eighteen pieces and is making much headway.

The Feeble Minded Institute at Beatrice is taking care of 317 boys and 338 girls. Seven boys and thirty girls are out on parole at the present time. This institution needs a new building, which should be constructed so that an assembly hall would be on the first floor.

Milford Girls' Home.  
At the Girls' Industrial home at Milford there are forty-eight adults and thirty-seven babies or small children. Nebraska is one of the few, very few states which maintain an institution of this kind. It has a tendency to keep the unfortunate girls from falling still lower and in a great many cases results in the complete reformation of the girl.

There are 901 patients at the hospital for the insane at Lincoln crowded into a place intended for about 500. Of these 300 are females and 241 males. Of these fourteen were committed under the dipsonomia law. There are on parole from the institution twenty-seven males and sixteen females. As soon as the two new buildings are ready for occupancy the crowded condition of the institution will be greatly relieved.

The old soldiers at the home at Milford are getting along nicely on rations consisting of boiled beef, boiled potatoes, corn, tomatoes, pickles, plain bread, hot corn bread, crackers, milk and coffee. There are 103 members at the home, ninety-eight of whom are males. Besides the five females at the home there are eight others, wives of the inmates who are being cared for in outside cottages. There are twenty-five out on furlough, though but two are confined to their beds so that their meals have to be brought to them.

Mr. Piper has put in about three days each month at the state penitentiary for the last two years. There are 38 prisoners at the penitentiary who have to be accommodated in 24 cells, making it necessary to double up in the case of about fifty. He considers Warden Peniston a capable man and in closing his report says:  
"Our present warden, Mr. Peniston, while firm in matters of discipline, believes that deprivation of liberty should constitute the punishment administered. His executive business ability and experience as sheriff for over seven years, especially fit him for this position. I have visited penitentiaries in several other states and have met a large number of wardens also at the sessions of the national prison congress and believe our present warden ranks among the best. He deserves special credit for the systematic manner in which he has greatly reduced, if not wholly abolished, the use of dope by the prisoners."

To Have Perfect Skin Throughout the Summer

(From The Guide to Beauty.)  
These days the face and neck need special care and attention. Flying dust and dirt, the beating sun, are severe on any skin. Their despoiling effects are best overcome by the application of pure macerated wax. This keeps skin and clothes in a clean, healthy condition, the complexion beautifully white and spotless. Tan, freckles, blotches and roughened cuticle are actually absorbed by it. One ounce of macerated wax, obtainable at any drug store, is sufficient to completely renovate a soiled complexion. It is used like cold cream, allowed to remain on overnight, washed off in the morning.  
As the skin tends to expand in warm weather, causing wrinkles to form, a good astringent lotion should be used. Dissolve one ounce powdered exfoliate in one-half pint water. Bathe the face in this during the heat of the day or before going out for theater or social affairs. It is a remarkable skin tightener and wrinkle eraser—advertisement.

Nebraska  
Grand Island  
Police Capture Desperate Men

GRAND ISLAND, Neb., July 5.—(Special Telegram.)—After a chase of a mile and a half two evidently desperate characters were taken into custody late this afternoon and are being held for further investigation. They gave their names as J. W. Clark and J. H. Murray. As Union Pacific train No. 30 pulled into the depot Officer Hansen ordered them to come down from the top of the cars. They at first refused, but later descended and attempted to argue matters with the officer, declaring they were going on to Omaha as blind baggage passengers, having shipped their motorcycles in advance. Both were armed with six shooters and the officer decided to retain them, when a struggle ensued.

The officer broke his club over the head of one, but they cornered him and threatened to shoot a bystander who offered to help the officer. They then robbed two boys of their bicycles and had secured a start before the police station could respond for help.  
Chief Arbogast and Officer Snodgrass took after the pair in an auto and overtook them half a mile east of the Soldiers' home. They attempted again to make a run, but the officers' Winchester seemed to be regarded too great a handicap.

It is believed the men will be wanted for some serious crime and they will be held for the time being on the charge of carrying concealed weapons and resisting an officer.

State Law Prohibits Lengthening Hours to Get Half Holiday

(From a Staff Correspondent.)  
LINCOLN, July 5.—(Special.)—A peculiarly exists in one of the laws passed by the last legislature which prevents employer and employe from getting together on a deal satisfactory to both and, much wanted by the employe who was supposed to be benefitted by the law.  
Labor Commissioner Pool has received several letters recently asking that employers be granted the privilege of giving their employes a Saturday afternoon off each week upon terms proposed by the employe. As a sample of the letters this morning Mr. Pool received a letter from a prominent printing establishment in Omaha, which stated that its employes had petitioned to be allowed to take only an half hour for lunch each day instead of an hour and that they be given instead a half day off on Saturday afternoons. This was perfectly satisfactory to the firm which says:  
"Our people have formerly been working fifty-four hours, but at their request we would like to grant them a fifty-two and one-half-hour week instead. But the law says that they cannot work over nine hours a day. They want to work nine and one-half hours with a half hour noon for lunch in order that they may get the half holiday Saturdays. Can we do this?"

Labor Commissioner Pool is up against it. He thinks that there ought to be some way to permit this to be done as it is without doubt in the interests of the employe, but the law states plainly that no female shall work more than nine hours a day nor more than fifty-four hours a week.  
Lennie Haskell and Miss Nellie Chapman, both of Wynona, were married yesterday at Marysville, Kan.  
Miss Clara Bachie, daughter of Mr. and Mrs. F. W. Bachie, old residents of Beatrice, died Friday morning following an operation at a local hospital. She was 30 years of age and for the last three years had been head usher at the Paddock theater.

Box Butte County First to Show Loss

(From a Staff Correspondent.)  
LINCOLN, July 5.—(Special.)—Box Butte county is the first county to report a lower assessment than last year, reporting \$2,624,918 for 1913, against \$2,828,233 for 1912, being a loss of \$203,315. Other counties are as follows:  
1912. 1913.  
Hooker ..... \$ 538,092 \$ 434,775  
Frontier ..... 2,710,601 2,648,251  
Wayne ..... 721,781 721,781  
Platte ..... 9,052,071 8,598,991

Yield of Macaroni Wheat Large.  
GRAND ISLAND, Neb., July 5.—(Special.)—Macaroni wheat, quite a large acreage of which has been planted by several Hall county wheat growers, promises an exceptionally heavy yield. Hon. George L. Rouse, formerly speaker of the Nebraska house, is one of the wheat growers who is trying out the new kind of wheat and his large field of it will probably run five to ten bushels per acre more than the ordinary wheat. Several other growers near the Platte valley also have excellent fields. The macaroni wheat sells for only a few cents less than the ordinary and the increase in yield from its heavier and headless tops, much more than makes up for the difference in price. It is a golden yellow, almost orange in color where the stand is thickest, and presents a beautiful sight.

Beer and Whisky Seized.  
SCOTT'S BLUFF, Neb., July 5.—(Special.)—Mayor McCaffrey and City Attorney Coleman have been hearing considerable complaint concerning bootlegging in the city, a pastime of several and sundry sortsmen of leisure about town, and on Wednesday they delivered into the hands of Sheriff F. O. Aaron and Chief of Police H. W. Burney a number of search warrants. And the result is that four Russians and two Mexicans spent the Fourth in the county jail. Six houses were searched and seven or eight barrels of beer and a few cases of whisky were confiscated.

Grand Island With Five Electricians.  
GRAND ISLAND, Neb., July 5.—(Special.)—Contract has been let by the city for the furnishing and installing of a system of electric lighting for the business section of the city. It is hoped to have the system in operation by the time of the fall festival, September 11 to 13.

Threshing Outfit Burned.  
BEATRICE, Neb., July 5.—(Special Telegram.)—A threshing outfit belonging to R. B. Reimund was destroyed by fire last evening on the John Reimund farm west of town. The loss is \$1,250, covered by insurance.

Twenty-Six Bushels to Acre.  
SALISBURY, Neb., July 5.—(Special.)—Charles McCol thrashed twenty-two acres of wheat Thursday. The first thrashed in this locality that went twenty-six bushels tested sixty-two pounds. This field was damaged some by army worms.

Nebraska  
ROADS DENY DISCRIMINATION  
Burlington and Union Pacific Say They Carry Out Law.

TEACHERS GO TO SALT LAKE  
Nebraskans Travel West to Attend National Meeting—Two Applications for Requisitions Made by Nebraskans.

(From a Staff Correspondent.)  
LINCOLN, Neb., July 5.—(Special.)—Several days ago complaint was made before the railway commission that freight rates between Central City, Silver City and other towns in that locality and Omaha were discriminatory.  
Today the Burlington and Union Pacific railways filed their answer in the matter, in which they deny any effort to make freight rates discriminatory between the points mentioned and say that they are only charging rates fixed by the Aldrich law. A hearing will be had later in the matter.

Delayed at Salt Lake.  
State Superintendent Detsell and Deputy Superintendent Elliott have gone to Salt Lake City to attend the National Teachers' association, which is holding its annual session in that city. Two cars filled with teachers and others left Lincoln last night to attend the meeting.

Automobiles Registered.  
According to records in the office of the secretary of state, 1,333 automobiles were registered for the month of June. This is a good record and has only been bettered once, the record of May.

Seek Requisitions.  
Two applications for requisitions were filed in the office of Governor Morehead this morning.  
One asks that Joseph A. Mason, who is being held in New York, be returned to Omaha to answer to a charge of obtaining money under false pretenses. It is set out in the complaint that Mason represented to John W. Kennedy, chief clerk at the Henshaw hotel in Omaha, that a certain check for \$100 was good and persuaded Kennedy to cash it.  
The other requisition asked for is a double affair in which F. C. Foster and A. E. Anderson are the principal actors. They are accused of stealing \$22 and a check for \$100 more. They were caught by Chicago sleuths and must come back.

Two Towns Still Fighting.  
The people of Logan have secured an injunction restraining the railway commission from acting in the case of an application of the town of Hoagland for switching privileges. The case was heard before the commission a few weeks ago. Senator Hoagland, for whom the town was named, appearing for the Hoagland people. It was set out by the senator that Hoagland was first on the map, but that the people of Logan were trying to get in and prevent Hoagland from getting what they were entitled to. The two towns are only about four miles apart.

Notes from Beatrice.  
BEATRICE, Neb., July 5.—(Special.)—The toll lines of the New Home Telephone company were cut over yesterday to the new plant on North Sixth street. The company is ready to abandon its present plant and move to the new building just as soon as the railway commission announces its decision in the rate case now before it.  
The body of the unidentified man who was killed east of here Wednesday morning by a Rock Island freight train, was interred yesterday in Evergreen Home cemetery by Coroner Redd.  
Lennie Haskell and Miss Nellie Chapman, both of Wynona, were married yesterday at Marysville, Kan.  
Miss Clara Bachie, daughter of Mr. and Mrs. F. W. Bachie, old residents of Beatrice, died Friday morning following an operation at a local hospital. She was 30 years of age and for the last three years had been head usher at the Paddock theater.

OMAHA SUMMER SCHOOL IS DECLARED SUCCESSFUL

Since the close of the Omaha Summer School of Missions, which was held at the Omaha university, many comments have been received by those instrumental in making it the success it was. Mrs. Walter N. Halsey, secretary of the executive committee, has received numerous notes of praise, and in response to them gives out the following interview:  
"That the Omaha Summer School of Missions was a marked success this year is due not only to the fine program which was presented by special lecturers and teachers from all parts of the world, but also to the splendid co-operation of about 100 women ably led by the genius of Mrs. George Tilden, chairman of the executive committee, who brought unity out of the diversified gifts. Lines of denominationalism were forgotten and enthusiasm and team work make 1913 a red letter year in the sessions of the Omaha Summer School of Missions. Many different interests in the city lent their aid to secure this success which was enjoyed during the week by an estimated evening audience of about 4,000 and a total class attendance of 2,487.  
"The Federation of Women's Missionary Societies of Greater Omaha wishes to most heartily commend and thank those who gave so freely this assistance. Among them are the soloists and church choirs and other musicians who contributed so much to the enjoyment of the occasion; the teachers of the kindergartens of the city schools under the direction of Mrs. O. B. Chittenden, who made very effective and interesting the children's work; the Young Women's Christian association secretaries for their assistance in procuring entertainment for visitors; the hostesses, who made so delightful the sojourn of the teachers and some of the lecturers; the University of Omaha and the Immigrant Baptist church for the use of grounds and buildings; the University Young Women's Christian association for the lunches furnished in the domestic science department; the newspapers of the city for their valuable aid in giving publicity to the various features of the program, and all the countless whose faithful service made possible so extensive a program and so large an undertaking without a failure anywhere."

Important Change in Time.  
Effective Sunday, July 6, Chicago, Milwaukee & St. Paul train No. 26 Omaha-Chicago daylight special, will leave Omaha at 7:20 a. m. instead of 7:45 a. m. as formerly, arriving in Chicago at 9:30 p. m. as at present. The train will also make the same connections for Des Moines, Rockwell City, Okpohj and Spirit Lake, as at present.

CITY OFFICIAL NOTICES.  
NOTICE TO DEALERS  
Omaha, Nebraska, July 1, 1913.—The Board of Education of the School District of Omaha invites sealed bids for furnishing coal for the school year ending June 30, 1914. Each bid must be accompanied by a certified check payable to the School District of Omaha of \$200 on said coal and \$100 on hard coal. Bids must be made on bidders' blanks, which can be obtained from the undersigned. Any bid containing conditions other than those specified will not be considered. The board reserves the right to reject any or all bids, and to waive any defect or informality in any bid should it be deemed in the interest of the school district so to do. All bids will close at 2 o'clock p. m. on Wednesday, July 10, at which time bids will be opened in the presence of the public. Sealed envelopes containing bids to the undersigned, marked as such, will be received by J. T. Bourke, secretary, 905 City Hall, Omaha, Nebraska. 122-4-41.

Former Omaha Boy Gets Good Promotion

John Best, son of C. J. Best, formerly of the Bee, has been promoted to the position of assistant superintendent of the LeGrand division of the Oregon-Washington Railway company, with headquarters at Portland, Ore.  
Mr. Best was at Nighth visiting his parents when notified by telegram of his appointment and started at once for Portland. He has been with that company for several years, leaving Omaha when his parents resided here to take his chances in the west, and his advancement has been rapid. He is a native Nebraskan and spent most of his life, which is still measured in the twenties, in Omaha.

GUS RENZE ALL READY FOR THE CLEANERS AND DYERS

Samson will entertain the national organization of cleaners and dyers at the Den tomorrow night. Some fine antics especially prepared for the men who fix clothes have been planned by the artist, the playwright and the actors. They will be taken from the Rome hotel at 8 o'clock in special street cars. It will be the first national organization entertained by the Knights of Ak-Sar-Ben this year.

There will be no meeting of the board of Ak-Sar-Ben governors tomorrow night. Two vacancies made by the resignations of W. L. Yetter and Charles Courtney are to be filled, but the matter has been postponed to a later meeting.

BUILDING NEW FOUR-STORY FIREPROOF APARTMENTS

The building of a four-story fireproof apartment house has been started at Twenty-fourth street and Landon court by Traver brothers. It will contain twenty-four apartments, some of which already have been rented.  
The apartment will be entirely modern with the floor bathrooms, hall and vestibules and patterned after a style that is now very popular in Chicago and Kansas City. The building will be completed this fall.

Double Drowning at Davenport.  
DAVENPORT, July 5.—Charles Early and Walter Shell of Davenport were drowned while attending picnic parties yesterday afternoon, Early in the Mississippi, below the city, and Shell in Rock river, near Black Hawk's tower. Each was about 21 years old.

Historic Church Burned.  
MONTREAL, July 5.—The historic Roman Catholic Church of Saint Charles, on Center street, was burned to the ground this afternoon. The church was one of the oldest in the city and contained several valuable paintings. The loss is about \$60,000, partly covered by insurance.

Iowa News Notes.  
WEBSTER CITY—C. A. Brennecke, a well known Iowan resident of Webster City, has just presented the city with four elegant bubbling fountains. They will be placed in the business district. Brennecke is an old-timer here and until recently owned a large block of property in the business district of the city.

Traveling Man Recommends Duffy's

MR. CHAS. W. GITTLEMAN  
"I have used Duffy's Pure Malt Whiskey as a medicinal tonic since 1906. I had pneumonia and was directed by my family physician to use Duffy's. It did me a great deal of good and ever since it has been used by my family. I am 35 years of age and a commercial traveler. Am outdoors a great deal, and find this medicine a worthy stimulant and good preventive of colds, etc., for which I am thankful to the discoverer, Charles W. Gittleman, 1661 Gates Ave., Brooklyn, N. Y.  
Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicinal during the Spanish-American War.  
Sold by most druggists, grocers and dealers in sealed bottles only, price \$1.00. If you can't procure it, let us know and we will tell you how to obtain it, or send you free booklet of recipes and book of recipes for table and sick room.  
The Duffy Malt Whiskey Co., Rochester, N. Y.

The merit and honesty of a product that has been before the public for more than half a century cannot be questioned. Its fame has spread the world over; it stands today a most celebrated and successful medicine. It is a great remedial agent in the treatment of pneumonia, grip, coughs, colds, other throat and lung troubles, and in all stomach troubles.  
Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicinal during the Spanish-American War.  
Sold by most druggists, grocers and dealers in sealed bottles only, price \$1.00. If you can't procure it, let us know and we will tell you how to obtain it, or send you free booklet of recipes and book of recipes for table and sick room.

GOVERNOR CLARKE TAKEN ILL

Iowa Executive is Suddenly Stricken in His Office.

IS REMOVED TO A HOSPITAL

Physicians Issue Statement Saying His Condition is Satisfactory—Returned from Gettysburg Friday.

DES MOINES, Ia., July 5.—Governor George V. Clarke, was taken to a local hospital early today, suffering from an affection of the kidneys. An immediate examination by physicians was ordered to determine whether or not his condition was serious.

Governor Clarke became ill shortly after reaching his office in the state-house this morning and said he suffered severe pains in the region of his kidneys. Doctors G. Sumner and W. L. D. Biering of the State Board of Health and Dr. Oliver J. Fay were hurriedly summoned to the executive offices. They ordered the governor removed immediately to the hospital.

After a consultation Doctors Fay and Biering issued a bulletin announcing the governor's condition as satisfactory. His respiration and temperature were normal; all pains in his abdomen were being allayed as rapidly as possible. Governor Clarke returned from Gettysburg Thursday after attending the reunion there in company with his staff.

First Shipment of New Wheat Arrives in Omaha Saturday

The first car of new winter wheat of the 1913 crop arrived in Omaha Saturday. It was received by the Nye-Schneider-Powder Grain company and was shipped by the Harvard Co-Operative Grain company of Harvard, Neb. The quality of the cereal was excellent, testing 53 1/2 pounds and of a No. 2 quality. On account of there being no market Saturday, the shipment will not be sold until Monday.
