NEW STATE VETERINARIA

L. C. Kigin of Lincoln Succeeds Dr. A. Bostrom.

WAIT FINDS KANSAS DRY

Returns from Visit to Parched City of Valley Falls—Mistake in Grain Rate Makes Union Busy Place.

(From a Staff Correspondent.)

LINCOLN, Neb., July 29.—(Special.)—Again the political plum tree has been shaken and the high limb has been dangling from the high limb for so long has at last fallen. It was picked up by L. C. Kigin of Lincoln, who found it labeled "Deputy State Veterinarian."

The appointments will go into effect August 1. Dr. Bostrom has not signified what he will do, but will probably go back to the practice of his profession at Minden, his former home. Dr. Bostrom has been a very efficient official and has held the position at a time when a good man was needed in the position. He goes out with the best of feeling toward the governor and those appointed to the place, knowing well that to the victor belong the spoils.

Miss Beckman, it is generally understood, will go into the office of Land Commissioner Fred Beckman, her father, and will be appointed to the chief clerkship, which has been left unfilled since the promotion of Chief Clerk Emery to the deputyship in the office.

Wait Finds Kansas Dry. Secretary of State Wait returned this morning from a few days' visit with his sister who lives on a farm near Valley Falls, Kan. Mr. Wait says that the weather has been exceedingly hot and dry in that locality and that on the farm where his sister lives the well will not supply half the water necessary for house use and they are compelled to carry the water from a well in a pasture.

There has been no rain for three weeks and crops are suffering terribly and the ground is baked hard. The soil of that part of Kansas, which lies southwest of Atchison in Jefferson county, does not seem to stand drought so well as Nebraska and consequently a three weeks' drought with accompanying hot winds plays havoc.

Morehead to Clay Center. Governor Morehead left this morning for Spring Ranch, Clay county, to deliver an address at the Harvest Home picnic which will be held there today. From there he will go to Rescan in Harlan county where he will address another gathering of old settlers and harvest home people.

The Farmers State bank of Marquette has been granted a charter to operate a bank at that place with a capital stock of \$10,000. The officers are: J. S. Mavel, president; O. E. Redell, vice president, and A. L. Hill, cashier.

New State Bank. The State Board of Supervisors of the Board of Health has decided that the communion cup does not come under the ban as prescribed by the law regulating and prohibiting the use of the public drinking cup.

Communion Cup Not Affected. On account of a misunderstanding of the rate on grain some of the grain dealers at Union are in trouble and the railroads may be in it to some extent themselves, according to Rafe Clark T. G. Powell of the State Railway commission. It seems that the rate on grain from Missouri river points to certain other points is 12 cents per 100. The agent at Union in giving out the rate from that place made the rate the Missouri river rate instead of 19.22 per 100.

Grain dealers got busy and fought grain on that rate and on account of a shortage in cars the Northwestern railway sent down cars over the Missouri Pacific to haul the grain. Now it is discovered that the agent made a mistake. Result, an agent out of a job; grain dealers paying 4 cents more for grain than they could sell it for; railroad companies making a lower rate than the law allows without first getting permission of the commission.

Anyhow, it made a lot of business for Union while it lasted for no other point could meet the Union price and business in buying grain brought in the farmers from many miles around.

NEW BUILDING FOR NORFOLK HOSPITAL IS DELAYED

NORFOLK, Neb., July 29.—(Special.)—Although the last state legislature appropriated funds for a new building at the Norfolk hospital for insane with which to relieve the present crowded condition of the institution, no move has as yet been made by the State Board of Control looking toward the new addition and the members of the board are quoted as having said that they do not know when they will get to the matter, owing to the mass of details crowding upon them. The Norfolk hospital is crowded to the limit, there being room for but two more men and two more women patients. People interested in the hospital feel that the delay in getting at the new building is serious and consider the matter rather in the light of an emergency.

Suffrage Club at Louisville. LOUISVILLE, Neb., July 29.—(Special.)—A meeting of the equal suffragists of Louisville was called yesterday afternoon on the lawn at the home of Mrs. Frank Nichols and a "votes for women club" was organized by Mrs. Ollie Kirkpatrick, Cass county organizer, and the following officers were elected: President, Mrs. Florence Noyes; vice president, Mrs. Cora Thomas; secretary, Mrs. Rachel Noyes; treasurer, Mrs. Mary Inman; first auditor, Mrs. Bertha Eager; second auditor, Mrs. Alice Barman. At their next meeting a constitution will be adopted and the petition work launched for voters' signatures.

Nebraska.

CARE MUST BE TAKEN TO USE BLANK CARTRIDGES

(From a Staff Correspondent.)

LINCOLN, Neb., July 29.—(Special.)—General orders covering the assignment of officers to the guard maneuvers to take place August 11, have been issued by Adjutant General Hall. Accompanying these are a copy of orders issued by the War department assigning Lieutenant Colonel Waldo E. Ayer of the regular army to the Fourth regiment, Captain Walter C. Babcock of the Thirtieth cavalry to the Fifth regiment, First Lieutenant Forrest E. Overhiser to the signal corps, Captain Alfred A. Starbird, Fifth Field artillery, as aid to Colonel Ayer; Captain Edwin S. Hartshorn, Fourteenth cavalry, as aid to Captain Walter C. Babcock.

The orders are very strong as to care to be taken that no member of the guard shall be allowed to carry ball cartridges and a strict examination is to be made along these lines. The guard is also instructed to so conduct themselves along the line of march and during the maneuvers, so that people along the route will be glad to have the guard return next year.

Notice is called to the change in camp ground, which will be one-fourth of a mile north of Waterloo, instead of five miles south as first located.

PARENTS SEEK INFORMATION REGARDING THEIR LOST SON

CENTRAL CITY, Neb., July 29.—(Special.)—Joseph Trainor, son of Mr. and Mrs. Peter Trainor, residing west of this city, departed from home July 7 with the intention of celebrating the Fourth of July at some nearby town, and since that day his parents have had no word from him or even concerning him. They have made every endeavor to locate the boy. It is the desire of the parents to learn merely his location that their minds may be set at ease regarding him. For information revealing his present location Mr. and Mrs. Trainor offer a reward of \$10. Joseph Trainor is described as follows: Age 19 years; height, 5 feet 9 inches; sandy complexion, red hair, has two or three large scars on back of neck, wears a medium gray suit, B. Kuppenheimer & Co. make; had John B. Stetson hat, with the name Carlson-Nordstedt, Central City, stamped inside.

VALUATION FIGURES SEVEN MILLION MORE

(From a Staff Correspondent.) LINCOLN, Neb., July 29.—(Special.)—The long delayed assessor's report from Cherry county has put in its appearance at the office of Secretary Henry Senyon of the State Board of Assessment. The report shows an increase of \$177,713. Last year assessed valuation of Cherry county was \$3,399,687, while this year it is shown to be \$3,577,400. This is the last county to report and shows an increased valuation for the state of \$7,478,995. The valuation last year being \$463,371,889. This year the total valuation is \$470,850,884.

Nebraska

PAT STEWART PLEADS GUILTY TO HORSE STEALING

(From a Staff Correspondent.)

BROKEN BOW, Neb., July 29.—(Special.)—Pat Stewart, a young man about 22 years of age has been bound over to the district court in the sum of \$500 on a charge of horse stealing. Stewart had been working for Thomas Christensen, a farmer living west of Merna. While the family was absent from home Stewart saddled a horse and rode off. He was apprehended at Arnold, having picketed the horse and concealed the saddle before entering the town. When brought here by Sheriff Wilson the fugitive entered a plea of guilty before Judge G. Schwind and in default of bail was placed in jail to await trial at the next term of district court.

APPLE CROP IN NEMAHA SMALLER THAN LAST YEAR

FALLS CITY, Neb., July 29.—(Special.)—J. T. Savan of Auburn, a lending orchardist, states there will not be more than half as many apples raised in Nemaha county this year as there were last. While some orchards are quite full, others have a light crop. Weaver Bros. of Falls City say the hot weather has done no special damage in their orchards, where there is as good a prospect for a heavy crop as there was last year. James Tanquay was exhibiting apples at Falls City from an apricot orchard that showed a decided scald, which he says was caused by hot winds and intense heat of the sun.

Notes from Beatrice.

BEATRICE, Neb., July 29.—(Special.)—Miss Emma Engler of this city was married to John V. Miller of Lincoln at that place Tuesday. Word was received here yesterday from Pomona, Cal., announcing the marriage of Miss Francis Aylworth of this city to Thomas Long of that place. Farm Demonstrator: Liebers reports that grasshoppers are doing considerable damage in Gage county. Glenn O. Hubbard and Miss Ella Kaminska, both of this city, were married at the bride's home Tuesday, Rev. J. M. Darby officiating.

Wauna Arrests Speeders.

WAUNA, Neb., July 29.—(Special.)—The speed ordinance, a dead letter heretofore in Wauna, is now being strictly enforced by Marshal Danielson. A large number of local joy riders have been haled into court by him and assessed the usual fine and trimmings by Judge Walradt. As a result the speed fiends now work off their superfluous energy in the rural districts and pedestrians may go their way without the previous fear and trembling.

Norfolk to Have Festival.

NORFOLK, Neb., July 29.—(Special.)—Norfolk's first big fall festival will be held September 17, 18, 19 and 20. Hereafter it is to be an annual event. Automobile racing, motorcycle racing, a base ball tournament, music by high grade bands and many other forms of entertainment are promised. The Commercial club, which recently became the third largest commercial club in the state, has charge of the festival.

Nebraska

MADISON WOMAN ASKS FOR SECOND DIVORCE

(From a Staff Correspondent.)

MADISON, Neb., July 29.—(Special.)—Mrs. Elizabeth Stegelmann has brought suit in the district court of Madison county, for a legal separation from her husband, Adolph. They were divorced in Cuming county, Nebraska, in 1912, after having lived together as husband and wife since 1885. In November, 1912, they were remarried at Wayne, Neb. They have four children, all of whom are of age except one daughter.

Notes from Fairbury.

FAIRBURY, Neb., July 29.—(Special.)—County Judge C. C. Boyle married Miss Daisy M. Jones and Hazel B. Kance of Nodaway county, Missouri, yesterday. They had eloped from Missouri and came to Fairbury to be married. They left today for Colorado City to make their home. Fred Barnuhan in county court swore out a warrant for the arrest of Santos Rodriguez, a Mexican, charging him with stealing \$5 in currency and other articles to the amount of \$10. At his preliminary hearing in county court, he pleaded guilty and was given twenty days in jail. John Welsh, a government interstate inspector, is in Fairbury making an inspection of the safety appliances on all the passenger and freight locomotives stationed at Fairbury. Mr. Welsh has jurisdiction over Nebraska. E. E. Willis of Iowa Falls, Ia., has taken a position at this point as locomotive fireman. Frank Schloesser of Fredonia, Kan., has arrived in Fairbury and commenced work in the Rock Island shops as truck foreman.

Owing to the long continued drought in this section, the farmers are considerably worried over the condition of the crops. It is conceded, generally, that the early corn will be a failure and unless rain comes soon, the late corn will also burn up. The pastures and alfalfa fields are becoming barren and there is a shortage of feed for live stock. George W. Pring of Valley Junction, Ia., was in the city a couple of days this week conferring with the Rock Island boiler-makers. He is business agent for this organization.

News Notes of Clay Center.

CLAY CENTER, Neb., July 29.—(Special.)—The funeral of Mrs. Mary Stanton was held here today at the First Congregational church. She was 85 years of age, and died a "Victorial," 11. She and her husband were early settlers in this county. Two children survive her, Richard Stanton of Fremont, and Mrs. J. H. French, also of Fremont. Edward J. Lown died here at an early hour this morning. He had been sick but a few days. He was 74 years of age and was one of the early settlers of this county.

District Court in Session.

ALLIANCE, Neb., July 29.—(Special.)—District court is in session, Judge R. H. Dickson of O'Neill presiding. In the case of the Rumley Products company against L. S. Wright and R. O. Reddick against C. J. Benjamin, et al; verdicts for the plaintiffs were given.
