

MIGHTY MACKEN SHOT OUT

Clevelands Take Victory from Athletics, Five to Nothing.

PLANK LASTS ONLY AN INNING

Naps' Hard Hitting in Early Frames, Blandings' Fine Hurling and Chapman's Star Fielding Win Game.

PHILADELPHIA, Pa., Aug. 5.—Cleveland's hard hitting in the early innings, Blandings' excellent pitching, especially with men on bases, and Chapman's sensational fielding gave the victors the victory over Philadelphia today, 5 to 0. Plank lasted only one inning, Cleveland scoring three runs off him on a fumble by Barry of Chapman's grounder, singles by Olson and Turner, Lajoie's double and a sacrifice fly by Jackson, of which O'Leary made a wonderful leaping catch which robbed Joe of a home run.

Houck pitched the second inning. He was taken out to permit D. Murphy to bat for him with the bases filled, but Danny failed to produce a hit. Penneck opened the third inning, but Brown warmed up. He gave Olson a pass and fanned Jackson. Brown then went to the rubber. After he was hit for a home run by Lajoie, Brown settled down and pitched first-class ball. The home team had two runners left on the bases, a wonderful one-hand jumping catch by Chapman of McInnis' line drive stopping a rally in the fifth inning. Chapman also made a great one-hand stop of Orr's grounder back of second in the sixth on which he forced out a runner at second, and he again came to Blandings' rescue in the seventh by hitting the principal actor in a double play. Chicago Defeat Senators. WASHINGTON, Aug. 5.—Chicago made it two straight against Washington here today, winning, 4 to 2, in the tenth inning after Benz, who had been catching and shut out, weakened in the ninth and paved the way for two Washington runs and a tie in the score. Boehling batted and visitors puzzled him, being responsible for the two runs scored against him before he was taken out in the ninth to make way for a pinch hitter.

Two successive singles and a base on balls sent Benz from the game, with three Washington men on bases, and Scott, who went to the rescue, forced in the tying runs while he was getting two out. With the bases still full Russell took up the task and kept scoring. In the tenth inning, Groom, who had succeeded Boehling, allowed two hits and a base on balls which, with Gander's error, netted Chicago the winning runs. Manager Callahan of the Chicago team denied today the rumor that he was to be relieved from the managerial reins of the White Sox at the end of the season by President Comiskey because of the latter's alleged dissatisfaction over the way the club has been playing. Pirates Break His String of Nine Straight in Three Frames.

DEFEAT GIANTS, THREE TO ONE

Adams Pitches a Fine Game, Allowing Only Six Hits, and Receives Good Support by Bates.

PITTSBURGH, Aug. 5.—Pittsburgh broke Ruben Marquard's string of nine consecutive victories this afternoon by hammering him out of the box in the third inning and winning from New York, 3 to 1. Adams, for the Pirates, pitched a fine game, allowing only six hits. He was given good support. All of Pittsburgh's runs were scored at the expense of Marquard, from whom he succeeded him, being able to hold the Pirates down.

Carey's double and a wild pitch, followed by Viock's fly, gave the Pirates a run in the first. Gibson led off in the third with a single. Adams bunted and Marquard let it go through his hands for a hit. Byrne walked, filling the bases. Carey's single scored Gibson. Viock's single scored Adams and Byrne. Marquard went to the clubhouse when Wagner went to bat and Fromme took up the pitching.

Wagner sacrificed, Miller's fly scored Carey with the fourth run and Wilson flied out. Wagner played at great fielding game at short. For a day he was the Dutchman of old, accepting ten chances and engineering some remarkable plays. Shaffer's triple and Fletcher's out gave the Giants their only run in the ninth. Score:

ST. LOUIS, Aug. 5.—Alexander was at his best this afternoon and held St. Louis runless while Philadelphia bunched hits in one inning for the lone run of the game. But two local players reached first base after the first inning. Saltee was steady in the pinches, and the second inning, in which Philadelphia scored its run.

In this round "Cravath" got a triple when his line smacked a right fielder caught in the screen around the pavilion. It looked like a home run, but Cather leaped up and extracted the ball, holding the hard hitting visitor at the far corner. Cravath crossed the plate when Luders bounced a single off Hughes' glove in the ninth inning. Alexander issued his first pass, but he retired the side in order, one fanning and the other two local rousing to Parker. Blaney Huggins returned today from Cincinnati where he spent two days trying to arrange a trade with Joe Mauer, but that said something probably would develop in a few days. Score:

Cubs Slaughter Superbas. CHICAGO, Aug. 5.—The Chicago team under the leadership of Acting Manager Leach, defeated Brooklyn, 13 to 5, in a batting bee today. Rucker started the game for the visitors and was forced to retire under a fusillade of batters. Blaney, who succeeded Rucker, also was hit in the bounces, but finished the contest when the locals eased up. Cy Williams, the Notre Dame recruit, was the Chicago star at the bat. He drove in two runners with a single in the first inning and made a homer in the second inning with the bases full.

In four times at bat he made as many hits. Bridwell also batted 1,000 in four times up, getting two bases on balls and making two hits. With the bases full in the fourth, Blaney doubled and scored all three runners. Brooklyn's scores were made when Bridwell fumbled Cutshaw's grounder and Wheat followed with a homer.

Manager Evers was out of the city with the president of the Chicago club. Ed Reulbach and Ed Stack, the two pitchers who figured in the Brooklyn-Chicago trade today, appeared with Brooklyn and Chicago uniforms, respectively. Score:

HERR LEADS IN HANDICAP

GERMAN HIGHEST ON DOUBLES

Breaks Forty-Eight Out of a Possible Fifty—Many Other Excellent Scores Are Made During the Day.

W. H. Herr, Guthrie, OKI, and Lester German, Aberdeen, turned in the highest scores yesterday in the Western handicap shoot held at the Omaha Gun club grounds, across the river. Herr broke 149 targets out of 150 shot at and German broke 8 out of 50 shot at in the doubles. Both men are professionals. J. C. Norris made the best amateur record, with 148 breaks out of 150 shots. S. A. Huntley made the best amateur score in the doubles, with 46 breaks.

Everything ran off smoothly yesterday morning and all the shooters were making excellent scores, but in the afternoon a high wind from the east arose and persistently lifted the targets in the air. This made it difficult for the shooters, especially those who fire quickly from force of habit, to get their birds. The scores in the doubles, which were held late in the afternoon, were accordingly affected.

The scores in the individual events were better than average, although several of the professionals, who were expected to turn in close to perfect scores, fell down miserably and made much lower scores than the majority of the amateurs.

George's Cutter Wins the Handicap

COWES, Isle of Wight, Aug. 4.—King George, on board his veteran cutter, Britannia, at the Cowes regatta today won the Saturnia cup, a handicap for open yachts and ketches, presented by Sir Maurice Fitzgerald.

The Britannia, which had not raced at Cowes for nearly fifteen years, was the scratch boat. The other competitors were the yawl Wendur and the ketches Julnar and Carriad.

The royal cutter was first away on the thirty-nine-mile course and soon established a strong lead. It won easily. The racing week opened in fine weather and with a better entry of boats than there has been for years. Besides King George and Queen Mary the duke and duchess of Connaught and Prince Henry of Prussia, brother of the German emperor, were present.
