This is an extract from only one of scores of similar letters from graduates. It is a reflection of the spirit of the school. St. John's is classed by the government as one of the ten "DISTINGUISHED INSTITUTIONS." Our catalogue will tell you more of our successful methods. Address, ST. CALIFORNIA VOTERS TO PASS ON RED LIGHT LAW

SACRAMENTO, Cal., Aug. 5.—California's drastic red light abatement law, recently enacted by the legislature, is to be passed upon by the voters. Announcement was made today that sufficient signatures had been obtained to a referendum petition to put the question up to the electorate. Meantime the operation of the law will be suspended. Good Reason for His Euphuism. When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is tired and sore and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially in the case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. For sale by all druggists.—Advertisement.
