Nebraska. State Board Makes Estimate of Crop Yield in the State

(From a Staff Correspondent.) LINCOLN, Aug. 7.—(Special.)—The wheat yield in Nebraska shows a gain of about 11,000,000 bushels over last year. Spring wheat and oats have made tremendous gains, according to the report of the State Board of Agriculture issued today.

State Saengerfest a Great Festival

(From a Staff Correspondent.) LINCOLN, Neb., Aug. 7.—(Special.)—Probably few people comprehend just what the state saengerfest, being held in Lincoln this week, means to the music lover. While former gatherings of the saengerfest have been large, this year the association has eclipsed all former records in the quality of the music and the entertainment given.

Table Rock Store Damaged by Fire

TABLE ROCK, Neb., Aug. 7.—(Special.)—Fire broke out in a frame store room in the rear of A. B. Kovanda's brick hardware and furniture store, and when discovered the building was a sheet of flames. The origin of the fire is unknown. The loss is estimated at \$500, probably half covered by insurance.

Western Nebraska Crops Look Good

OGALLALA, Neb., Aug. 7.—(Special.)—Taking Keith county as centrally located in western Nebraska, this and the adjoining counties, corn is in a normal condition. Barring hail it will make a good average crop. It is dark green in color and earing heavily. Wild hay and alfalfa is a good crop. A good many fields of alfalfa will be left for seed and the prospect is good for a heavy yield of seed. Potatoes, millet, sorghum and sugar beets are all doing fine so far, and no sign of dry weather.
