Today's Beauty Recipes By Mme. D'Mille.

"Weather marred skins can be made clear, soft and beautiful if powder and mussy creams are discarded for a mayatons lotion. This lotion applied in the morning lasts throughout the day and blends so nicely with the skin that it cannot be detected. To prepare, dissolve an original package inayatons in one-half pint witch hazel. The regular use of this skin lotion corrects many complexion upsets and is especially effective when used for tan freckies or that 'greesy,' chalky' sondition followin the continued use of powder. To the daintiest complexion the mayatone lotion will land an indefinable charm and elegance. lotion will lend an indefinable charm and elegance.

"No woman is justified in employing the peinful and expensive electric needle to rid the skin of objectionable growths of hair, because with delatone the skin can be made clear and hairless. A paste is made with some powdered delatone and water and applied to the hairy surface for two minutes, then rubbed off and the skin washed. This removes every trace of hair without mar or blemish to the skin."—Advertisement.
