## INQUIRE INTO APPLE RATES Notes from Beatrice

Railway Commission Listens to Complaint of O. A. Corbin.

## STATE DEPRIVED OF OWN FRUIT

Bectumiles Made Apples Rot on Ground Because of Inability of Grawers to Ship Them to Nebraska Petats.

(From a Staff Correspondent.) LINCOLN. Aug. 28 -(Special.) - Considerable interest was munifest this after son at the hearing before the railway ements ion a complaint filed some time ago against the rallway companies on freight rates on apples and other

The complaint is made by Representa tive O. A. Corbin of Vesta, who sets out that the high rates on fruit are pracrically prohibitive as far as shipping points in the state are concerned.

Railway companies were all represented Secretary Marshall of the Southeastern play. Nebraska Apple Growers' association were present as spectators. It is understood that the association takes the stand that they can get better raes by aking up he matter outside of the commission but Mr. Corbin is on the warpath and proposes to see where apple growers stand right now. He contends that thou sands of barrels of apples rot in the or chards because the rates are so high that they cannot be shipped to points in the state which would be glad to get

#### Conditions in State.

G. B. Christie of Johnson, former state representative, and E. N. Butterfield of the stand in behalf of the complaintant vestions to these points: De large numbers of apples ret each

Could these be shipped if lower rates

Would loading and unloading in transit Would joint rates assist?

To all these questions the answer was

Mr. Christie sald he shipped about 3,000 barrels each year. In former years he WILL HOLD INSTITUTE shipped large quantities to Alliance points in western Nebraska, but he had discovered three years ago that he could get chesper rates to Illinois and Minneapolis than he could to Alliance most of his shipments since ther have been east. He said the rate to Alii- stration at the farm of Lake Bridentha ance from Johnson was 63 cents per hundred and only 27 cents to Minneapolis The rate from Syracuse, N. Y., to Omaha

#### was 45 cents and to Lincoln 48 cents. View of Railroads.

Representatives of the railroads in ques tioning the witness attempted to bring out that the freight rates made little, if any, difference in the competition be-tween Nebraska apples and those shipped in outside the state and that the lowering of rates would make little difference

M. Pollard, president of the apple growers association, was called on and ted that in his opinion a cheaper light rate would remit in the cheaper light rate would remit in the cheaper light rate would remit in the cheaper light rate would not afford to buy the best de of appies could buy them. He stated that in his opinion a cheaper freight rate would remit in the cheaper apples being shipped to points where peograde of apples could buy them. He thought this would to a considerable ex-He was saked if large numbers of spoles had not rotted on the ground lows since the cheaper rates went into effect is that state, but said he was not sequainted with the lows apple situation.

## IN WYMORE ORCHARD

BEATRICE, Neh, Aug. 35 - (Special.)-The Wymore Farmers' Institute associa tion will hold a picnic and farm demon three and a half miles northwest of Wymore Thursday, August 28, to which everybody is invited,

This gathering is to be an "Orchard Pionic," the object being to show the possibilities of Gage county as a fruit growing district. The farm where the piculo is to be held has been properly pruned, sprayed and cultivated and the plenie is held on this farm not only or account of its location, but because of the object lesson of the orchard.

The program to be given is as follows 10:30 a. m.-Address of welcome, A. D. Kidd, president Gage County Crop Im-

5 p. m.—Demonstration of stock judg-ing by Prof. O. H. Liebers, Gage county agriculture demonstrator. practical talks on horticulture. tion of orchard and

#### TABLE ROCK MAN IS CAUGHT IN MACHINERY

TABLE ROCK, Neb., Aug. 25.-(Special.)-W. G. Shepherd, who lives in the vicinity of the depot, and had charge of the coal chute in the Burlington yards, was caught in the machinery of the chute and suffered a broken arm and also his arm was dislocated at the elbow. After being caught, he realised that the only thing for him to do was to lose his arm or his life. He grasped the side of the building and made violent efforts to release himself and in doing so dislocated his arm. A party coming near cut the wire and stopped the machinery and by this means saved his life.

Notes from West Boint. WEST POINT, Neb., Aug. 25.-(Special.)—The death is announced of Adolph Heitfeld, a resident of Bancroft for the last twenty-nine years. Mr. Hettfeld was in his eighty-fourth year. He was the father of Henry Heitfeld of Omaha and of Mrs. A. F. Mack of Bancroft.

catur. The couple will make their home at Bancroft. Henry Mass, a well-known farmer living southeast of the city, was married to Miss Hannah Bolges at Scribner on Wednesday by Rev. M. Pflug, paster of The trustees of the First Presbyterian the German Lutheran church at that church of Madison awarded the contract place. Miss Bolges has recently arrived in this country from Germany. The young couple will farm in Cuming township in this county.

Newman Grove Carnival a Success. NEWMAN GROVE, Neb., Aug. E .-(Special.)-The firemen of Newman Grave pulled off a great base ball tournament Walthen & Rhodes, a Lincoln last week.
